**Notes to editors**

Keystone (AIM: KEYS) is a highly scalable, premier tech-enabled platform law firm. Ranked within the UK Top 100 law firms, providing conventional legal services in a £12bn addressable market through its differentiated platform model which has three defining characteristics:

- Lawyers have freedom, flexibility and autonomy, and are paid up to 75% of what they bill.
- Lawyers determine how, when and where they work, in contrast to the conventional law firm model.
- Lawyers are provided full infrastructure and support via its central office team, bespoke user-friendly IT platform, and network of colleagues and events.

Keystone is a full-service law firm, with 20 service areas and more than 50 industry sectors delivered by over 450 high calibre self-employed Principal lawyers who work from their own offices.
