**About Valterra Platinum**

Valterra Platinum Limited is one of the world's leading integrated producers of platinum group metals (PGMs) with a primary listing on the Johannesburg Stock Exchange and a secondary listing on the London Stock Exchange. With a portfolio of world class, long-life mines and the most efficient processing assets in the industry, the company responsibly mines, smelts and refines PGMs and associated co-products from its operations located in South Africa and Zimbabwe. With its integrated value chain, supported by marketing hubs in London, Singapore and Shanghai, the company delivers tailored solutions for its customers. The Company continues to integrate sustainability into everything it does, supports investment in its mining and processing capabilities and pursues market development activities to grow and commercialise new demand segments. It also makes a meaningful impact to communities around its operations and will deliver consistent and superior returns to shareholders. Valterra Platinum is committed to zero harm, capital allocation discipline and delivering on our value-accretive strategic priorities as a standalone, leading integrated PGM producer, guided by our purpose of unearthing value to better our world
