About Team Internet Group plc

Team Internet (AIM: TIG, OTCQX: TIGXF) creates meaningful and successful connections from businesses to domains, brands to consumers, publishers to advertisers, enabling everyone to realise their digital ambitions. The Company is a leading global internet solutions company that operates in two highly attractive markets: domain name management, identity and software solutions (DIS segment) and high-growth digital advertising (Comparison and Search segments). The DIS segment is a critical constituent of the global online presence and productivity tool ecosystem, where the Company serves as the primary distribution channel for a wide range of digital products. The Company's Comparison and Search segments create privacy-safe and AI-generated online consumer journeys that convert general interest online media users into confident high conviction consumers through advertorial and review websites. The Company's high-quality earnings come from subscription recurring revenues in the DIS segment and revenue share on rolling utility-style contracts in the Comparison and Search segments.
