FOR IMMEDIATE RELEASE

RECOMMENDED CASH ACQUISITION

of

**ALPHA GROUP INTERNATIONAL PLC
("ALPHA")**

By

**CORPAY, INC.
("CORPAY")**

to be effected by means of a Scheme of Arrangement under Part 26 of the Companies Act 2006

PUBLICATION OF THE SCHEME DOCUMENT

On 23 July 2025, the Alpha board and the Corpay board jointly announced that they had reached agreement on the terms of a recommended cash acquisition, pursuant to which Corpay would acquire the entire issued and to be issued share capital of Alpha (the "**Acquisition**"). The Acquisition is to be effected by means of a Court sanctioned scheme of arrangement under Part 26 of the Companies Act 2006 (the "**Scheme**").

The Alpha board and the Corpay board are pleased to announce that the scheme document containing the full terms and conditions of the Acquisition (the "**Scheme Document**"), is being published and sent today to Alpha Shareholders and, for information only, to persons with information rights and participants in the Alpha Share Plans. The Scheme Document contains, among other things, a letter from the Chair of Alpha, an explanatory statement pursuant to section 897 of the Companies Act 2006, the full terms and conditions of the Acquisition, the Scheme, an expected timetable of principal events, notices of the Court Meeting and the General Meeting, together with the related Forms of Proxy, and details of the actions to be taken by Alpha Shareholders.

Copies of this Announcement and the Scheme Document will be made available on Alpha's website at www.alphagroup.com and on Corpay's website at www.corpay.com up to and including the Effective Date. The contents of Alpha's website and Corpay's website are not incorporated into, and do not form part of, this Announcement.

Copies of the Scheme Document have been submitted to the National Storage Mechanism and will shortly be available for inspection at: <https://data.fca.org.uk/#/nsm/nationalstoragemechanism>

Hard copies of the Scheme Document and Forms of proxy for the Court Meeting and the General Meeting are being sent to Alpha Shareholders today, subject to certain restrictions relating to persons resident in or located in Restricted Jurisdictions.

Capitalised terms used in this Announcement shall, unless otherwise defined, have the same meanings as set out in the Scheme Document. All references to times in this Announcement are to London, United Kingdom times unless stated otherwise.

Notices of the Court Meeting and General Meeting

As described in the Scheme Document, to become Effective the Scheme will require, amongst other things, the approval of Alpha Shareholders at the Court Meeting, the passing of the Special Resolution at the General Meeting and the subsequent sanction of the Court at the Court Hearing. The Scheme is also subject to the satisfaction or waiver of the Conditions and further terms that are set out in the Scheme Document.

Notices of the Court Meeting and the General Meeting, which will be held at Mezzanine 1 - 3, Hilton Metropole, 225 Edgware Rd, London W2 1JU on 2 September 2025, are set out in the Scheme Document. The Court Meeting will commence at 11:00 a.m. and the General Meeting at 11:15 a.m. (or as soon thereafter as the Court Meeting has concluded or been adjourned).

It is important that, for the Court Meeting in particular, as many votes as possible are cast, so that the Court can be satisfied that there is a fair and reasonable representation of opinion of the Alpha Shareholders. You are therefore strongly advised to sign and return your Forms of Proxy for both the Court Meeting and the General Meeting as soon as possible. Doing so will not prevent you from attending, voting and speaking at the Meetings or any adjournment thereof, if you so wish and are so entitled.

Scheme Shareholders are also strongly encouraged to appoint the Chair of the Court Meeting as their proxy rather than any other named person. This will ensure that your vote will be counted if you (or any other proxy you might otherwise appoint) are not able to attend the Court Meeting.

Recommendation

The Alpha Directors, who have been so advised by Centerview and Peel Hunt as to the financial terms of the Acquisition, unanimously consider the terms of the Acquisition to be fair and reasonable. In providing its advice to the Alpha Directors, Centerview and Peel Hunt have taken into account the commercial assessments of the Alpha Directors. Centerview and Peel Hunt are providing independent financial advice to the Alpha Directors for the purpose of Rule 3 of the Code.

The Alpha Directors consider the terms of the Acquisition to be in the best interests of Alpha Shareholders as a whole and, accordingly, the Alpha Directors unanimously recommend that Alpha Shareholders vote in favour of both the Scheme at the Court Meeting and the Special Resolution. The Alpha Directors have irrevocably undertaken to do so in respect of their own beneficial holdings (and those of their connected persons) in respect of which they control the voting rights amounting to 772,282 Alpha Shares representing, in aggregate, approximately 1.83% of the ordinary share capital of Alpha in issue (excluding treasury shares) on the Latest Practicable Date.

Timetable

The Scheme Document contains an expected timetable of principal events relating to the implementation of the Scheme, which is also attached as an Appendix to this Announcement. Subject to obtaining the approval of Alpha Shareholders and the Court, and the satisfaction or, where applicable, the waiver of the other Conditions (as set out the Scheme Document), the Scheme is expected to become effective in the fourth quarter of 2025.

If any of the key dates set out in the timetable change, Alpha will give notice of this change by issuing an Announcement through a Regulatory Information Service and by making such announcement available on Alpha's website at www.alphagroup.com.

If the Scheme becomes Effective, it is intended that the last day for dealings in Alpha Shares will be the Business Day immediately prior to the Effective Date and no transfers shall be registered after 6:00 p.m. on that date. It is further intended that, prior to the Scheme becoming Effective, an application will be made to the FCA and the London Stock Exchange to cancel the listing of Alpha Shares on the Official List and the trading of Alpha Shares on the main market of the London Stock Exchange respectively, in each case, with effect from or shortly following the Effective Date.

It is also intended that, as soon as practicable after the Effective Date, Alpha will be re-registered as a private company under the relevant provisions of the Companies Act.

Information for participants in the Alpha Share Plans

Participants in the Alpha Share Plans will be contacted separately regarding the effect of the Scheme on their rights under the Alpha Share Plans. Where applicable, appropriate proposals will be made to participants in the Alpha Share Plans pursuant to Rule 15 of the Code ("**Rule 15 Proposals**"). The Rule 15 Proposals will be sent to participants later in the Acquisition timetable (and so will not be provided on or around the date of this Announcement). While the precise duration of that engagement is not known, Alpha and Corpay currently expect the Rule 15 Proposals to be provided to participants in the Alpha Share Plans on 3 September 2025 (or as soon as possible thereafter).

The Acquisition will be made solely by means of the Scheme Document (or if the Acquisition is implemented by way of a Takeover Offer, the offer document) which will contain the full terms and conditions of the Acquisition, including details of how to vote in respect of the Acquisition. Any vote or decision in respect of the Scheme (or the Takeover Offer, if applicable) or other response in relation to the Acquisition should be made only on the basis of the information contained in the Scheme Document (or, if applicable, the offer document).

This Announcement has been prepared for the purpose of complying with English law and the Code and the information disclosed may not be the same as that which would have been disclosed if this Announcement had been prepared in accordance with the laws of jurisdictions outside the United Kingdom.

This Announcement does not constitute a prospectus or prospectus equivalent document. The statements contained in this Announcement are not to be construed as legal, business, financial or tax advice.

Overseas jurisdictions

The release, publication or distribution of this Announcement in or into jurisdictions other than the United Kingdom and the United States may be restricted by law and/or regulations. Persons who are not resident in the United Kingdom or the United States or who are subject to the laws and regulations of other jurisdictions should inform themselves of, and observe, any applicable requirements.

Unless otherwise determined by Corpay or required by the Code, and permitted by applicable law and regulation, the Acquisition will not be made available, directly or indirectly, in, into or from any Restricted Jurisdiction where to do so would violate the laws in that jurisdiction and no person may vote in favour of the Acquisition by any such use, means, instrumentality or form within a Restricted Jurisdiction or any other jurisdiction if to do so would constitute a violation of the laws of that jurisdiction. Accordingly, copies of this Announcement and all documents relating to the Acquisition are not being, and must not be, directly or indirectly, mailed or otherwise forwarded, distributed or sent in, into or from a Restricted Jurisdiction where to do so would violate the laws in that jurisdiction, and persons receiving this Announcement and all documents relating to the Acquisition (including custodians, nominees and trustees) must not mail or otherwise forward, distribute or send them in, into or from such jurisdictions where to do so would violate the laws in those jurisdictions. If the Acquisition is implemented by way of a Takeover Offer (unless otherwise permitted by applicable law and regulation), such Takeover Offer may not be made available directly or indirectly, in, into or from any Restricted Jurisdiction and the Takeover Offer will not be capable of acceptance by any such use, means, instrumentality or facilities from a Restricted Jurisdiction where to do so would violate the laws in that jurisdiction.

The availability of the Acquisition to Alpha Shareholders who are not resident in the United Kingdom or the United States (and, in particular, their ability to vote their Scheme Shares with respect to the Scheme at the Court Meeting, or to appoint another person as proxy to vote at the Court Meeting on their behalf) may be affected by the laws of the relevant jurisdictions in which they are resident. The Acquisition will be subject to the applicable requirements of the Code, the Panel, the London Stock Exchange, the Financial Conduct Authority and the Listing Rules.

Shareholders subject to Sanctions

If any Alpha Shares are Scheme Restricted Shares: (a) such Scheme Restricted Shares will not form part of, and will not be transferred pursuant to, the Acquisition and/or the Scheme; (b) any purported vote by or on behalf of any holder of such Scheme Restricted Shares at the Court Meeting or the General Meeting will not be treated as valid; (c) no holder of such Scheme Restricted Shares will receive any Cash Consideration; and (d) under the terms of the Acquisition and the Scheme, with effect on and from the Effective Date, all rights attaching to such Scheme Restricted Shares will cease to be exercisable.

Shares will cease to be exercisable.

Additional information for US investors

The Acquisition is being made to acquire the securities of an English company by means of a scheme of arrangement provided for under the laws of England and Wales. A transaction effected by means of a scheme of arrangement is generally not subject to the proxy solicitation or tender offer rules under the US Exchange Act. Instead, the Scheme will be subject to disclosure requirements and practices applicable in the United Kingdom to schemes of arrangement, which are different from the disclosure requirements of the US under the US Exchange Act.

The financial information on Alpha included in the Rule 2.7 Announcement, the Scheme Document and this Announcement has been prepared in accordance with accounting standards applicable in the UK and thus may not be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the US. Generally accepted accounting principles in the US differ in significant respects from accounting standard applications in the United Kingdom.

Neither the US Securities and Exchange Commission, nor any US state securities commission or any securities commission of other jurisdictions, has approved or disapproved the Acquisition, passed judgement upon the fairness or the merits of the Acquisition or passed judgement upon the adequacy or accuracy of the Rule 2.7 Announcement, the Scheme Document or this Announcement. Any representation to the contrary may be a criminal offence in the United States.

If Corpay were to elect to implement the Acquisition by means of a Takeover Offer and determined to extend the Takeover Offer into the US, such Takeover Offer would be made in compliance with all applicable US laws and regulations, including to the extent applicable Section 14(e) of the US Exchange Act and Regulation 14E thereunder, and in accordance with the Code. Such a takeover would be made in the United States by Corpay and no one else. Accordingly, the Acquisition would be subject to disclosure and other procedural requirements, including with respect to withdrawal rights, offer timetable, settlement procedures and timing of payments that are different from those applicable under US domestic tender offer procedures and law.

The receipt of cash pursuant to the Acquisition by a US holder as consideration for the transfer of its Scheme Shares pursuant to the Scheme will likely be a taxable transaction for United States federal income tax purposes and under applicable United States state and local, as well as foreign and other, tax laws.

Each US Alpha Shareholder is urged to consult his or her independent professional adviser immediately regarding the tax consequences of the Acquisition applicable to him or her.

It may be difficult for US holders to enforce their rights and claims arising out of the US federal securities laws, since Alpha is located in a country other than the US, and all of its officers and directors are residents of countries other than the US. US holders may not be able to sue a non-US company or its officers or directors in a non-US court for violations of US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgement.

In accordance with normal UK practice and consistent with Rule 14e-5(b) under the US Exchange Act, Corpay, certain affiliated companies and the nominees or brokers (acting as agents) may make certain purchases of, or arrangements to purchase, shares in Alpha outside of the US, other than pursuant to the Acquisition, until the date on which the Acquisition and/or Scheme becomes Effective, lapses or is otherwise withdrawn. If such purchases or arrangements to purchase were to be made they would occur either in the open market at prevailing prices or in private transactions at negotiated prices and comply with applicable law, including to the extent applicable the US Exchange Act. Any information about such purchases or arrangements to purchase will be disclosed as required in the United Kingdom, will be reported to a Regulatory Information Service and will be available on the London Stock Exchange website at www.londonstockexchange.com.

In accordance with the Code, normal United Kingdom market practice and Rule 14e-5(b) of the US Exchange Act, Peel Hunt and its affiliates will continue to act as an exempt principal trader in Alpha securities on the London Stock Exchange. These purchases and activities by exempt principal traders which are required to be made public in the United Kingdom pursuant to the Code will be reported to a Regulatory Information Service and will be available on the London Stock Exchange website at www.londonstockexchange.com. This information will also be publicly disclosed in the United States to the extent that such information is made public in the United Kingdom.

Forward looking statements

This Announcement (including information incorporated by reference in this Announcement), oral statements made regarding the Acquisition, and other information published by Corpay and Alpha, in each case, regarding the Acquisition, the expected timing of the Acquisition and the anticipated financial and other benefits of the Acquisition may contain certain statements, trends, expectations, forecasts estimates or other forward-looking information affecting or relating to Corpay or Alpha or their respective industries, products or activities which are, or may be deemed to be, "forward looking statements", including for the purposes of the US Private Securities Litigation Reform Act of 1995. Forward-looking statements speak only as of the date of the respective documents in which

they are made and may often, but not always, be identified by the use of forward-looking terms such as "may," "will," "expects," "believes," "hopes," "anticipates," "aims," "plans," "estimates," "projects," "targets," "intends," "forecasts," "outlook," "impact," "potential," "confidence," "improve," "continue," "optimistic," "deliver," "comfortable," "trend," and "seeks," or phrases or statements that certain actions, events or results "could," "should," "would," or "might" be taken, or the negative of such terms or other variations on such terms or comparable terminology. Such statements are qualified in their entirety by the inherent risks and uncertainties surrounding future expectations. These statements are based on assumptions and assessments made by Alpha, and/or Corpay, as the case may be, in light of their experience and their perception of historical trends, current conditions, future developments and other factors that they believe appropriate. By their nature, forward-looking statements involve risk and uncertainty, because they relate to events and depend on circumstances that will occur in the future and the factors that could cause actual results and developments to differ materially from those expressed in or implied by such forward-looking statements are unknown.

Many important factors could cause actual results to differ materially from those in the forward-looking statements including, without limitation, the satisfaction of the Conditions; the parties' ability to meet expectations regarding the timing, completion and accounting and tax treatments of the Acquisition; the parties' abilities to successfully integrate Alpha's operations into those of Corpay and otherwise achieve the anticipated benefits of the Acquisition, including revenue growth and/or expense savings, within the expected timelines or at all; the impact of macroeconomic conditions, including any recession or economic downturn that has occurred or may occur in the future, and whether expected trends, including retail fuel prices, fuel price spreads, fuel transaction patterns, electric vehicles, retail lodging prices, foreign exchange rates and interest rates develop as anticipated and Corpay's and/or Alpha's ability to develop successful strategies if these trends change; Corpay's and/or Alpha's ability to successfully execute the strategic plan for the combined company, manage its growth and achieve its performance targets; and other risk factors are described herein and in Corpay and Alpha's other respective filings, including Alpha's Annual Report and accounts for the year ended 31 December 2024 and Corpay's Annual Report on Form 10-K for the year ended 31 December 2024 and subsequent filings with the U.S. Securities and Exchange Commission. Many of these important factors are outside of Corpay's or, as the case may be, Alpha's control. No assurances can be provided as to any result or the timing of any outcome regarding matters described herein or otherwise with respect to any regulatory action, administrative proceedings, government investigations, litigation, cost reductions, business strategies, earnings or revenue trends or future financial results.

Given the risks and uncertainties, undue reliance should not be placed on forward-looking statements as a prediction of actual results. Should one or more of the risks or uncertainties mentioned materialise, or should underlying assumptions prove incorrect, actual results may vary materially from those described in the relevant documents. Neither Corpay nor Alpha, nor any of their respective associates or directors, officers or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this Announcement will actually occur. Corpay, Alpha and their respective affiliated companies assume no obligation to update or correct the information contained in the documents in this part of the website, whether as a result of new information, future events or otherwise, except to the extent legally required (including under the Listing Rules and the Disclosure and Transparency Rules of the FCA). The statements contained in the documents in this part of the website are made as at the date of such documents, unless some other time is specified in relation to them, and service of the relevant documents shall not give rise to any implication that there has been no change in the facts set out in such documents since such date(s).

No profit forecasts, estimates or quantified benefit statements

No statement in this Announcement is intended as a profit forecast, profit estimate or quantified benefits statement for any period and no statement in this Announcement should be interpreted to mean that earnings or earnings per share for Alpha for the current or future financial years would necessarily match or exceed the historical published earnings or earnings per share for Alpha.

Disclosure requirements of the Code

Under Rule 8.3(a) of the Code, any person who is interested in 1% or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the Offer Period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of: (i) the offeree company; and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 p.m. (London time) on the 10th Business Day following the commencement of the Offer Period and, if appropriate, by no later than 3.30 p.m. (London time) on the 10th Business Day following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Code, any person who is, or becomes, interested in 1% or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of: (i) the offeree company; and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 p.m. (London time) on the Business Day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Panel's website at www.thetakeoverpanel.org.uk, including details of the number of relevant securities in issue, when the Offer Period commenced and when any offeror was first identified. You should contact the Panel's Market Surveillance Unit on +44 (0)20 7638 0129 if you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure.

Please be aware that addresses, electronic addresses and certain information provided by Alpha Shareholders, persons with information rights and other relevant persons for the receipt of communications from Alpha may be provided to Corpay during the Offer Period as requested under Section 4 of Appendix 4 of the Code to comply with Rule 2.11(c) of the Code.
