Update in relation to Fundraising

Oversubscribed Subscription to raise £0.18M in addition to the £1.05M recently raised

Harena Resources Plc (LSE: HREE), the rare earths company focused on the Ampasindava ionic clay rare earth project in Madagascar (the "Ampasindava Project"), is pleased to announce that the Company has raised further gross proceeds of approximately £0.18 million at the Issue Price through a oversubscribed Subscription of 12,100,000 new Ordinary Shares (the "Subscription Shares") with certain institutional and professional investors, conditional on Admission (as defined below).

The Subscription has been undertaken at the Issue Price of 1.5 pence per new Ordinary Share and on the same terms as the Placing announced by the Company on 4 August 2025 (the 'Fundraising Announcement'). In total the Placing and the Subscription has raised gross proceeds of approximately £1.23 million.

It is intended that the net proceeds of the Subscription will be deployed by the Company for the same purposes as that of the Placing as detailed in the Company's announcement on 31 July 2025.

Admission

Applications have been made: (i) to the UK's Financial Conduct Authority (the "FCA") for the admission of the 12,100,000 Subscription Shares to trading on the equity shares (transition) category of the Official List of the FCA; and (ii) to trading on the London Stock Exchange for the admission of the 12,100,000 Subscription Shares to trading on its main market for listed securities (together, "Admission"). Admission is expected to take place on 8.00 a.m. on or around 18 August 2025.

Total voting rights

Immediately following Admission, the Company will have 495,984,352 ordinary shares of 0.5 pence each in issue, each with one voting right. There are no shares held in treasury. Therefore, the Company's total number of ordinary shares in issue and voting rights will be 495,984,352 and this figure may be used by shareholders from Admission as the denominator for the calculations by which they will determine if they are required to notify their interest in, or a change to their interest in, the Company under the FCA's Disclosure Guidance and Transparency Rules.

Warrants

In line with the Company's announcement on 31 July 2025, the Company has conditionally agreed to issue a further 5,000,000 Fee Warrants to Ivan Murphy and Paul Richards for their services in respect of the Subscription. The Fee Warrants are exercisable at 3 pence for a period of five years from the date of Admission. The Fee Warrants are not subject to any vesting conditions. The Fee Warrants will not be admitted to trading on the London Stock Exchange or any other stock exchange. Consequently, a total of 40,000,000 Fee Warrants and 40,000,000 Performance Warrants have been issued to date.

The FCA notification in respect of these director dealings, made in accordance with the requirements of UK MAR, is appended further below.

Unless otherwise defined, definitions contained in this Announcement have the same meaning as set out in the Fundraising Announcement.
