About Prosus

Prosus is a global technology company, unlocking an AI-first world for our 2 billion customers. With investments in more than 100 companies across the world, we are building local ecommerce champions in growth markets.

With leading positions in Food Delivery, Classifieds and Fintech, Prosus has created its own unique technology ecosystem, driving innovation, knowledge sharing and growth across our portfolio.

Through the Prosus Ventures team, the group invests in new technology growth opportunities within AI, social and ecommerce platforms, fintech, B2B software, logistics, health, blockchain, agriculture and more.

The team actively backs exceptional entrepreneurs who are using technology to improve people's everyday lives.
