Notes to Editors

Chesnara is a European life and pensions consolidator listed on the London Stock Exchange. It administers just under one million policies and operates as Countrywide Assured in the UK, as Scildon in the Netherlands and as Movestic in Sweden.

Following a three-pillar strategy, Chesnara's primary responsibility is the efficient administration of its customers' life and savings policies, ensuring good customer outcomes and providing a secure and compliant environment to protect policyholder interests. It also adds value by writing profitable new business in the UK, Sweden and the Netherlands and by undertaking value-adding acquisitions of either companies or portfolios.

Consistent delivery of the Company strategy has enabled Chesnara to increase its dividend for 20 years in succession.
