Smarttech247 Group PLC

("Smarttech247", the "Group" or the "Company")

Smarttech247 Elevated to Elite Splunk Partner

Smarttech247 (AIM: S247), a multi-award-winning provider of AI-enhanced cybersecurity services providing automated managed detection and response (MDR) for a portfolio of international clients, is pleased to announce it has been elevated to Elite Partner status in the Splunk Partnerverse Programme, advancing from its previous Premier designation.

The strategic partnership with Splunk allows Smarttech247 to deliver value to its customers by integrating Splunk SIEM and SOAR into its proprietary VisionX MDR solution, enabling 24/7 monitoring, proactive threat hunting, rapid incident response, and seamless cloud transitions. This helps organisations accelerate value from their Splunk investments and build resilience across their entire digital footprint.

The promotion to Elite Partner status will further enhance Smarttech247's visibility amongst Splunk's client base. This highest level of partnership recognises Smarttech247's proven ability to deliver complex Splunk deployments across industries, leveraging deep technical expertise and independently verified credentials for cloud migration, advanced security solutions, and key sector specialisations.

Raluca Saceanu, CEO of Smarttech247, commented:

"Our elevation to Elite Partner, soon after winning Splunk's New Business Partner of the Year award, is a testament to the strength of our strategic partnership. I would like to thank our team for their hard work, innovation, and deep technical know-how, which is continuing to make a real difference for our customers. We look forward to continuing to work closely with Splunk to help organisations stay ahead of threats and build the cyber resilience that today's complex threat landscape demands."
