Eurasia Mining plc

AIX USD Trading Launch

Eurasia Mining PLC ("Eurasia" or the "Company"), the iridium, osmium, palladium, platinum, rhodium, ruthenium and gold mining company is pleased to announce the AIX trading launch through the US dollar currency (USD).

The trading currency has been successfully changed from GBP to USD and the trading in USD has commenced.

The Company anticipates better liquidity in the secondary market of its ordinary shares on AIX after initiation of the research coverage on Eurasia by international brokers active on AIX that is expected this week or next week.

Christian Schaffalitzky, the Executive Chairman commented:

"The Directors are delighted that the trading in USD has started on AIX. We are looking forward to the initiation of the research coverage and to further updates".
