

21 August 2025

Alfa Financial Software Holdings PLC

Notice of 2025 H1 results, analyst presentation and retail investor webcast

Alfa Financial Software Holdings PLC ("Alfa" or the "Company"), a leading developer of mission-critical software for the asset finance industry will publish its results for the half year ended 30 June 2025 at 0700 (UK time) on Thursday 4 September 2025.

Results presentation and Q&A

The Company will host a presentation for analysts and institutional investors via a webcast with live Q&A at 0945 (UK time) on Thursday 4 September. To obtain details for the conference call please email alfa@teneo.com.

An archived webcast of the call will be available on the Investors page of the Company's website <https://www.alfasystems.com/en-eu/investors>.

Retail investor webcast and Q&A

The Company will also host a live interactive presentation aimed at retail investors on the Engage Investor platform on Thursday 4 September 2025, at 1500 (UK time).

Andrew Denton (CEO), Duncan Magrath (CFO) and Matthew White (COO) will be present and available to answer questions. Questions can be submitted prior to the webcast via the Engage Investor platform, or at any time during the live presentation.

Investors can sign up to Engage Investor at no cost and follow Alfa Financial Software Holdings PLC from their personalised investor hub.

Notes to Editors

Alfa has been delivering leading-edge technology to the global asset finance and leasing industry since 1990. Our specialised expertise enables us to deliver the most challenging systems transformation projects successfully.

Alfa Systems, our class-leading SaaS platform, is at the heart of the world's largest and most progressive asset finance operations. Supporting all types of automotive, equipment and wholesale finance, Alfa Systems is proven at volume and across borders, and trusted by leading brands to manage complex portfolios, drive efficiency and sustainability, and enhance the customer experience.

With full functionality for originations, servicing and collections, Alfa Systems is live in 37 countries, representing an integrated point solution, a rapid off-the-shelf implementation, or an end-to-end platform for the complex global enterprise. Alfa

Systems 6, a breakthrough iteration of our software platform, was launched in 2024.

Alfa maintains exceptional customer satisfaction through an impeccable track record, with our experience and performance unrivalled in the industry. Our customers stick with us for the long term, because we deliver value that lasts for decades.

Alfa has offices in Europe, Australasia and North America. For more information, visit us at www.alfasystems.com.
