Dewhurst Group plc
("Dewhurst", the "Group" or "the Company")
Result of General Meeting

Dewhurst Group plc, the global manufacturer and supplier of quality components to the lift, transport and keypad industries, announces that all resolutions proposed at its General Meeting held today in connection with the proposed Tender Offer, subsequent De-listing from AIM, Re-registration and adoption of the New Articles were duly passed.

Accordingly and as set out in the shareholder circular published by the Company on 5 August 2025 and which is available on the Company's website at <https://dewhurst-group.com/reports-documents/> (the "Circular"), the cancellation of the admission of the Ordinary Shares and 'A' Shares of the Company to trading on AIM is expected to take place on **11 September 2025**. Unless otherwise defined, capitalised terms in this announcement shall have the meaning set out in the Circular.

Shareholders are reminded that the Company is currently undertaking a Tender Offer for Ordinary Shares and 'A' Shares.

Under the Tender Offer, Shareholders may tender up to **all** of their Shares at a price of:

- **£6.65** per 'A' Share; and
- **£9.00** per Ordinary Share.

The latest time and date for receipt of Tender Forms for the Tender Offer is **1.00 p.m. on 28 August 2025**.

All Qualifying Shareholders are reminded that following cancellation of the admission of the Ordinary Shares and 'A' Shares to trading on AIM, there will no longer be a formal market mechanism enabling Shareholders to trade their Shares on AIM on a daily basis.

As set out in the Circular, the Directors intend to establish a secondary market trading facility following the De-listing becoming effective, however there is no guarantee that this facility will provide liquidity in the future or that shares sold through it will achieve a price equal to the Tender Prices. It is intended that the trading facility will operate on an annual basis.

Pursuant to resolutions passed at the Company's annual general meeting held on 18 February 2025, the Company is also authorised to make on-market purchases of up to an aggregate of 496,380 Ordinary Shares and 663,828 'A' Shares (representing 15% of the Company's issued share capital), and currently intends to make purchases in accordance with this authority following the closing of the Tender Offer and prior to the De-listing becoming effective.
