This will be achieved by integrating leading businesses in two synchronised Practices: Marketing services and Technology services, along with an emphasis on 'faster, better, cheaper, more' execution in an always-on consumer-led environment, with a unitary structure.

The Company now has approximately 6,800 people in 33 countries with approximately 80% of net revenue across the Americas, 15% across Europe, the Middle East and Africa and 5% across Asia-Pacific. The longer-term objective is a geographic split of 60%:20%:20%. At the Group's last full year results Content accounted for approximately 60% of net revenue, Data&Digital Media 25% and Technology Services 15%.

Sir Martin was CEO of WPP for 33 years, building it from a £1 million 'shell' company in 1985 into the world's largest advertising and marketing services company, with a market capitalisation of over £16 billion on the day he left.
