**About Henry Boot**

Henry Boot is one of the UK's leading land, property development, home building and construction businesses - and we've been transforming land and spaces since 1886. Listed on the London Stock Exchange since 1919, we're renowned for quality, expertise, delivery and a partnership approach across the group - which comprises, Hallam Land, HBD, Stonebridge Homes, Henry Boot Construction, Banner Plant and Road Link.

Operating across the UK, and employing over 500 people, we focus on three key markets: urban development, industrial and logistics and residential. Hallam Land manages one of the top five largest land portfolios in the country, with the potential to facilitate over 100,000 homes. HBD manages a development pipeline of £1.2bn, the equivalent of 6m sq ft of developments across our key markets, while maintaining a £107m investment portfolio, of which 72% of the properties have an EPC rating of 'C' or higher. Stonebridge, our jointly owned home building business, manages a land portfolio capable of delivering 1,700 homes, with an ambition to deliver up to 600 new homes a year.

Henry Boot Construction has extensive experience in both the public and private sectors, including major projects such as the £200m regeneration of Bamsley town centre, and The Cocoa Works, a £57m residential development in York. For over 65 years, Banner Plant has supplied construction products and services, operating from seven regional depots in the North of England.

We have also developed an ambitious Responsible Business Strategy to help us meet our aim of being Net Zero Carbon by 2030, and to deliver, by 2025, charitable, community and education work valued at £1m.

From land promotion, property development and investment to home building, construction and plant hire, Henry Boot is where great places start
