## **CLEANTECH LITHIUM PLC**

### **Retail Offer to shareholders**

On 11 August 2025, CleanTech Lithium PLC ("CleanTech Lithium" or the "Company"), an exploration and development company advancing lithium projects in Chile for the clean energy transition, announced that it had conditionally raised gross proceeds of £4.3 million by way of a placing of 86,000,000 new ordinary shares (the "Placing Shares") at a price of 5 pence per new ordinary share (the "Issue Price") (the "Placing").

The Company also granted a broker option to Fox-Davies Capital Limited ("Fox-Davies"), pursuant to which an additional £400,000 has been conditionally raised by way of a further placing of 8,000,000 new ordinary shares (the "Broker Option Shares") at the Issue Price (the "Broker Option") (the Placing and the Broker Option together being, the "Fundraising" and the Placing Shares and the Broker Option Shares together being, the "Fundraising Shares").

As part of the Fundraising, the Fundraising Shares carry a warrant entitlement of one warrant ("Warrant") for every Fundraising Share. Each Warrant grants the holder the right to subscribe for one new ordinary share at a price of 6 pence, being at a 20% per cent premium to the Issue Price, at any time from one year after the date of Second Admission until up to and including the date which is 3 years from the date of Second Admission.

In view of the potential interest of retail shareholders in participating in the Fundraising, the Company is pleased to announce a retail offer via BookBuild (the "Retail Offer") of new ordinary shares (the "Retail Offer Shares") at a price of 5 pence, which is the Issue Price, per Retail Offer Share together with one Warrant for every Retail Offer Share. The Retail Offer is only being made available to existing shareholders of the Company on the same financial terms as the Fundraising.

The Issue Price represents a discount of approximately 26 per cent. to the closing share price of 6.75 pence per ordinary share on 8 August 2025, being the last practicable date prior to publication of the Fundraising announcement on 11 August 2025.

The amount raised pursuant to the Retail Offer will not exceed £250,000.

The Retail Offer is conditional on:

- the passing of resolutions (the "Resolutions") to authorise the issue of, *inter alia*, the Retail Offer Shares and the Warrants at a general meeting of the Company to be held at 10:00 a.m. BST on 29 August 2025 (the "General Meeting").
- the Retail Offer Shares being admitted to trading on the AIM market operated by the London Stock Exchange ("Second Admission").

It is expected that Second Admission will take place on or about 1 September 2025.

The net proceeds from the Broker Option and the Retail Offer would be applied, in the same way as the net proceeds of the Placing, to fund the initial payments for the binding SPA the Company has signed for the acquisition of an additional 30 licences in the Laguna Verde project ("the Minergy Licences"), the final PFS payments for Laguna Verde, DLE technical work and general working capital requirements
