Artemis Resources Limited

("Artemis" or "The Company")

Investor Briefing Webinar - "Drilling Deeper"

Artemis Resources Limited (ASX/AIM: ARV or the Company) is pleased to advise shareholders and investors that Lowell Resources Fund (ASX: LRT) will host a **live webinar with Artemis Managing Director, Julian Hanna starting at 10.00am (AWST) on Friday, 5 September 2025.**

In addition to his experiences in helping build Western Areas and MOD Resources from junior explorers into successful mining companies, Julian will share insights into Artemis Resources' substantial holdings in the underexplored Karratha region in the Pilbara, which hosts the Carlow gold and copper resource^[1] and very promising satellite gold opportunities.

Julian will also share his excitement for the recently consolidated Cassowary Exploration Project^[2], where Artemis is exploring for Iron-Oxide-Copper-Gold ("IOCG") and other intrusion related mineral deposits in a unique geological setting, 450km east of Kalgoorlie.

The 'Drilling Deeper' webinar series is hosted by John Forwood, Chief Investment Officer of Lowell Resources Fund.

WEBINAR: Julian Hanna's lifetime of Discovery

About Artemis Resources

Artemis Resources (ASX/AIM:ARV) is a gold, copper and lithium focused resources company with a highly attractive suite of projects including projects in Western Australia's underexplored North Pilbara Gold Province and the Cassowary copper/gold exploration project 450km east of Kalgoorlie in Western Australia.

- **Attractive projects:**
 - **Karratha Gold/Copper Project** - substantial Carlow resource and Titan, Thorpe satellite targets

- **Cassowary Copper/Gold Project** - targeting intrusions with potential for IOCG type deposits
- **Andover Lithium JV** - Artemis/Greentech JV includes Mt Marie, Kobe, Osborne Li prospects
- **Paterson Gold/Copper Project** - adjacent to Havieron Mine (owned Greatland Gold)
- **Highly strategic location:** Karratha is Tier 1 jurisdiction, projects close to major regional hub including excellent road and power infrastructure, administrative centre and Dampier Port
- **Significant exploration upside:** highly prospective tenure package in the Pilbara Region of Western Australia which is rapidly emerging gold province dominated by >12Moz Au Hemi Project
- **Mineral Resource with growth potential:** existing high-grade gold-copper Mineral Resource at Carlow
- **Established processing site at Radio Hill:** strategically located, permitted site
