Notes

¹Inception to date shareholder total return is calculated based on the ordinary share performance up to the date the ordinary shares were converted to 2016 realisation shares on 30 November 2016, then movement in total shareholder value, including all distributions made to 2016 realisation shareholders from that date.

²Shareholder total return from creation of class is calculated as the movement in total shareholder value, including all distributions made to 2016 realisation shareholders since the creation of the 2016 realisation shares on 30 November 2016.

³Portfolio investments are held at fair value in accordance with International Financial Reporting Standards ("IFRS"). Quoted investments with sufficient volume and frequency of trading to constitute an 'active market' under IFRS are held at their listed price on the valuation date. Unquoted investments, and quoted investments where there is no active market, are valued in accordance with International Private Equity and Venture Capital guidelines on a quarterly basis or whenever there is a material change in the investment which would indicate a significant change in valuation.

⁴The investment in Le Chateau is held through Silvercloud Holdings Limited ("Silvercloud"), with the value allocated to Le Chateau being the value attributable to each share class of Marwyn Value Investors L.P.'s investment in Silvercloud.

Shares in the Company are not designed or intended for retail investors. Marwyn Investment Management LLP, the Manager, does not promote shares in the Company to retail investors and they should not be offered to retail investors.
