Appointment of Rune Bjerke as a Non-Executive Director

Currys plc (the 'Company') is pleased to announce the appointment of Rune Bjerke as an Independent Non-Executive Director and a member of the Audit committee with effect from 8 September 2025.

Rune is Chair of Norsk Hydro and Wallenius Wilhelmsen and a non-executive director of Reitan Retail. He has had an extensive career in international energy and banking corporations in Norway, having previously held positions as chief executive officer of DNB, Hafslund and Scancem International, advisor at the Norwegian Ministry of Petroleum and Energy and city commissioner of finance in the city cabinet of Oslo. Rune has formerly served as a non-executive director at Fremtind, Vipps and Schibsted.

Rune is a Norwegian national with a degree in economics from the University of Oslo and a master's degree in public administration from Harvard University.

Ian Dyson, Chair of the Board

"I am absolutely delighted to welcome Rune Bjerke to the Board as a Non-Executive Director. Rune has a strong record of business leadership and a deep knowledge of the Nordics markets and will bring extensive international experience and constructive challenge to the Board, especially in relation to the Group's Nordics business. I look forward to working with him."

There is no additional information that requires disclosure under UK Listing Rule 6.4.8.

Next scheduled announcement

The Group is scheduled to publish its interim results for 26 weeks ending 1 November 2025 on 18 December 2025.

About Currys plc

Currys plc is a leading omnichannel retailer of technology products and services, operating online and through 708 stores in 6 countries. We Help Everyone Enjoy Amazing Technology, however they choose to shop with us.

In the UK & Ireland we trade as Currys and in the UK we operate our own mobile virtual network, iD Mobile. In the Nordics we trade under the Elkjøp brand. We're the market leader in all markets, able to serve all households and employing more than 24,000 capable and committed colleagues.

We help everyone enjoy amazing technology. We believe in the power of technology to improve lives, helping people stay connected, productive, fit, healthy, and entertained. We're here to help everyone enjoy those benefits and with our scale and expertise, we are uniquely placed to do so.

Our full range of services and support makes it easy for our customers to discover, choose, afford and enjoy the right technology to the full. The Group's operations include one of Europe's largest technology repair facilities, a sourcing office in Hong Kong and an extensive distribution network, centred on Newark in the UK and Jönköping in Sweden, enabling fast and efficient delivery to stores and homes.

We're a leader in giving technology a longer life through repair, recycling and reuse. We're reducing our impact on the environment in our operations and our wider value chain and we aim to achieve net zero emissions by 2040. We offer customers products that help them save energy, reduce waste and save water, and we partner with charitable organisations to bring the benefits of amazing technology to those who might otherwise be excluded.
