Active Energy Group plc

("Active Energy", the "Company" or the "Group")

Proposed Placing to raise approximately £2.5 million

Active Energy (AIM: AEG, OTCQB: ATGVF), an alternative energy company focused on the deployment of renewable infrastructure and the integration of advanced digital technologies, announces its intention to raise gross proceeds of approximately £2.5 million by means of a placing of new Ordinary Shares to certain institutional and other investors at a price of 0.075 pence per share (the "**Placing**").

The Placing Price represents a discount of approximately 50 per cent. to the Closing Price of 0.15 pence per Ordinary Share on 8 September 2025, being the latest practicable business day prior to the publication of this Announcement.

The Placing is to be conducted by way of an accelerated bookbuild process (the "**Bookbuild**") which will commence immediately following this Announcement and will be subject to the terms and conditions set out in Appendix II to this Announcement.

Under the terms of the Placing, the Company will also issue Warrants over new Ordinary Shares on the basis of one Warrant for every one Placing Share issued pursuant to the Placing. Each Warrant will entitle the holder to subscribe for one new Ordinary Share at 0.1p per Ordinary Share at any time in the 3 years from the date of grant. The Warrants will not be listed on AIM or any other exchange.

A further announcement confirming the closing of the Bookbuild, and the number of Placing Shares and Warrants to be issued pursuant to the Placing, is expected to be made in due course.

Capitalised terms used but not otherwise defined in this Announcement shall have the meanings ascribed to such terms in Appendix I to this Announcement, unless the context requires otherwise.

Placing Highlights

- The Company intends to raise approximately £2.5 million before expenses through the Placing arranged by Zeus Capital Limited ("**Zeus**" or the "**Bookrunner**") by way of the issue of approximately 3,333,333,333 new Ordinary Shares (the "**Placing Shares**") at the Placing Price.
- The Placing is to be conducted via an accelerated bookbuild process launching today.
- The Placing Shares, assuming full take-up of the Placing, will represent approximately 86.8 per cent. of the Enlarged Issued Share Capital.
- The net proceeds of the Placing will be deployed across a robust pipeline of opportunities in the renewable energy/power sectors and for general working capital purposes.
- The Placing is being conducted utilising the Company's existing share allotment authorities granted at the

The Placing is being conducted utilizing the Company's existing share allotment authorities granted at the general meeting of the Company held on 20 August 2025.

Background to, and reasons for, the Placing and Use of Proceeds

The Company is undertaking a Placing to raise approximately £2.5 million (before expenses) to accelerate the execution of its strategic initiatives across renewable energy and power, strengthen its balance sheet, and enhance long-term shareholder value.

Use of Proceeds

The net proceeds of the Placing are expected to be applied as follows:

- **Solar & Battery Rooftop Programme:** To advance an initial pipeline of 10 commercial rooftop solar and battery installations (c. 2.3 MW capacity), including site mobilisation, lease execution, and planning/connection costs. This programme is expected to generate contracted revenues of over £10 million over 20 years and forms the foundation for a scalable renewable energy portfolio.
- **Harnessing Surplus Energy for Third Party AI, Data & Blockchain Services:** The Company is capitalising on its expertise in renewable energy by harnessing surplus energy from both renewable and conventional sources, enabling access to ultra-low-cost power in the UAE. The Company's digital infrastructure platform is designed to be flexible in its power use in order to mitigate fluctuations in power demand versus solar generated power, therefore providing additional stability to the local power grid. The initial phase will support containerised data centres which will be made available as a service to third parties for, amongst other things, Bitcoin mining as well as AI/data hosting, aligning with global trends in high-performance computing.
- **Working Capital:** To provide general corporate and operational flexibility as the Company scales its activities. As part of working capital management, the Company will continue to implement its digital assets treasury strategy, announced in July 2025, pursuant to which, no more than 30% of the Company's treasury will be held in digital assets at any given time.

The Board believes that the Placing will position the Company to deliver on its dual strategy of building income-generating renewable assets and developing innovative digital infrastructure, creating a platform for sustainable growth and value creation.

Solar & Battery Rooftop Programme

The Company is expecting to advance its initial pipeline of solar and battery storage projects, working alongside its specialist advisor, Brian Glendinning.

Key Highlights

- Initial pipeline of 10 commercial warehouse rooftop sites with a combined capacity of approximately 2.3 MW.
- Advanced stages of securing long-term lease contracts and PPAs.
- Expected contracted revenues exceeding £10 million over a minimum 20-year term.
- Represents the first stage of a broader programme to build a scalable solar and battery portfolio.
- Fully aligned with the Company's strategy to deliver long-term, income-generating renewable assets.

This initiative marks the first phase of a wider development programme targeting both rooftop and ground-mounted solar and battery installations. The Company's strategy is to own and operate a significant portfolio of solar assets, generating predictable, inflation-linked revenues from commercial customers and tenants. Over time, the Company may also consider portfolio refinancing with low-cost debt, enabling equity recycling into new projects while maintaining long-term exposure to stable returns.

Harnessing Surplus Energy for Third Party AI, Data & Blockchain Services

As part of its growth strategy, the Company is capitalising on its expertise in renewable energy by harnessing surplus energy from both renewable and conventional sources, enabling access to ultra-low-cost power in the UAE. The Company's digital infrastructure platform is designed to be flexible in its power use in order to mitigate fluctuations in power demand versus solar generated power, therefore providing additional stability to the local power grid. The initial phase will support containerised data centres which will be made available as a service to third parties for, amongst other things, Bitcoin mining as well as AI/data hosting, aligning with global trends in high-performance computing.

Key features of the project include:

- Subsidised, long-term access to land and ultra-low-cost power derived from renewable and conventional power generation, creating a highly competitive operating environment.
- Partnerships with experienced operators with a proven track record in infrastructure delivery.
- A scalable roadmap from 60 MW+, enabling phased expansion in line with market demand.
- Optionality to pivot into AI/data hosting, positioning the Company to capture growth in advanced computing markets.

The initiative reflects global trends, with the AI infrastructure market forecast to grow from US 26.7 billion in 2022 to between US 151 billion and US 223 billion by 2030 (CAGR 24-30%)^[1].

Working Capital and Digital Asset Treasury Strategy

The Company intends to allocate a portion of the Placing proceeds to its working capital of which a portion will be allocated to its digital asset treasury reserve, as announced in July 2025. This strategy is designed to:

- provide a hedge against inflation and currency risk in developing markets;
- enhance liquidity for operational deployment and opportunistic acquisitions; and
- align the Company with innovation-driven investors seeking exposure to energy-backed digital strategies.

To support execution, the Company has appointed Adrian Rowles as Crypto Strategist (non-Board). Adrian brings over a decade of international financial advisory and investment experience, including training with senior traders from Goldman Sachs, Bank of America, and Commerzbank. He has a proven track record in market analysis, risk management, and digital asset strategy execution, and will play a key role in advancing the Company's dual strategy of renewable energy development and crypto treasury optimisation.

At any given time, and pursuant to the treasury policy announced in July 2025, no more than 30% of the Company's treasury will be held in digital assets, under a disciplined framework focused on liquidity, custody, and regulatory compliance.

While the Board recognises that an acquisition of Digital Assets may provide diversification benefits, it also acknowledges the inherent risks associated with such an asset. Digital Assets are highly volatile and speculative, with significant price fluctuations. In addition, a number of publicly listed companies which have adopted a digital asset treasury policy have shown significant dislocations between their market capitalisations and the value of the digital assets held by them. The exposure to Digital Assets may, in turn, compound and increase volatility in the Company's share price, potentially diminishing its appeal to investors and constraining its ability to raise additional capital in public markets.

In addition, the regulatory environment for Digital Assets remains uncertain and subject to change, which may impact the Company's ability to hold or transact in Digital Assets. There are also risks associated with custody, security, and accounting treatment of Digital Assets, any of which could have a material adverse effect on the Company's operations and investor returns.

The Placing

The Company intends to issue approximately 3,333,333,333 Placing Shares, to raise gross proceeds of approximately £2.5 million, to participants in the Placing. The Placing Shares are expected to be admitted to trading on AIM at 8.00 a.m. on or around 15 September 2025.

Zeus Capital Limited, the Company's nominated adviser and broker, is acting as bookrunner in connection with the Placing. The Placing Shares are being offered by way of an accelerated bookbuild (the "**Bookbuild**"), which will be launched immediately following this Announcement in accordance with the terms and conditions set out in Appendix II to this Announcement.

Admission of the Placing Shares is conditional, *inter alia*, upon the placing agreement dated 9 September 2025 between the Company and the Bookrunner (the "**Placing Agreement**") not having been terminated and becoming unconditional in all respects.

The Placing is conditional upon, amongst other things:

- Admission of the Placing Shares becoming effective by no later than 8.00 a.m. on 15 September 2025 (or such later time and / or date as the Company and the Bookrunner shall agree, not being later than 31 October 2025);
- the delivery by the Company to the Bookrunner of certain documents required under the Placing Agreement;
- the Company having fully performed its obligations under the Placing Agreement to the extent that such obligations fall to be performed prior to Admission of the Placing Shares;
- each of the warranties given by the Company under the Placing Agreement being true and accurate and not misleading in a way which is, in the opinion of the Bookrunner, material; and
- the Placing Agreement not having been terminated by the Bookrunner in accordance with its terms.

The timing of the closure of the Bookbuild and the allocation of the Placing Shares to be issued at the Placing Price and granting of Warrants are to be determined at the discretion of the Company and the Bookrunner.

Following the requisite approval granted at the Company's general meeting held on 20 August 2025, the Company has issued warrants to Zeus to subscribe 10,160,875 Ordinary Shares representing 2% of the current issued ordinary share capital of the Company. Upon completion of the Placing, further warrants in respect of such number of Ordinary Shares as is required to represent 2% of the Enlarged Issued Share Capital (after taking into account the existing warrants) would be issued by the Company pursuant to the anti-dilution provisions applicable to such warrants. The terms of the warrants are summarised in the Company's circular dated 20 August 2025.

In addition, following completion of the Placing and conditional upon the grant of any necessary shareholder authorities to enable the Company to issue rights to subscribe for additional Ordinary Shares free of existing shareholders' pre-emption rights at a general meeting to be convened by the Company, the Company will issue additional warrants to Zeus to subscribe new ordinary shares representing a further 1% of the Enlarged Issued Share Capital. Such warrants are to be exercisable at the Placing Price at any time within five years from the date of grant (with a 3 months' extension in limited circumstances). The warrants will also include anti-dilution provisions and certain other customary provisions for the benefit of warrant holders.

Admission to trading

Application will be made to the London Stock Exchange for Admission of the Placing Shares to trading on AIM. It is expected that Admission will become effective and dealings in the Placing Shares will commence at 8.00 a.m. on or around 15 September 2025.

A further announcement will be made following the closure of the Bookbuild, confirming final details of the Placing.

The Placing is not being underwritten and the Placing is not conditional on a minimum amount being raised.

EACH PLACEE SHOULD CONSULT WITH ITS OWN ADVISERS AS TO THE LEGAL, TAX, BUSINESS AND RELATED IMPLICATIONS OF AN INVESTMENT IN THE PLACING SHARES. THE PRICE OF SHARES AND THE INCOME FROM THEM (IF ANY) MAY GO DOWN AS WELL AS UP AND INVESTORS MAY NOT GET BACK THE FULL AMOUNT INVESTED ON A DISPOSAL OF THEIR SHARES.

The distribution of the Terms and Conditions and/or the Placing and/or issue of the Placing Shares and Warrants in certain jurisdictions may be restricted by law. No action has been taken by the Company, the Bookrunner or any of

certain jurisdictions may be restricted by law. No action has been taken by the Company, the Bookrunner or any of their respective affiliates, agents, directors, officers or employees that would permit an offer of the Placing Shares or possession or distribution of the Terms and Conditions or any other offering or publicity material relating to such Placing Shares in any jurisdiction where action for that purpose is required. Persons into whose possession these Terms and Conditions come are required by the Company and the Bookrunner to inform themselves about and to observe any such restrictions.

The Terms and Conditions or any part of them are for information purposes only and do not constitute or form part of any offer to issue or sell, or the solicitation of an offer to acquire, purchase or subscribe for, any securities in the United States (including its territories and possessions, any state of the United States and the District of Columbia), Australia, Canada, the Republic of South Africa or Japan or any other jurisdiction in which the same would be unlawful. No public offering of the Placing Shares is being made in any such jurisdiction.

In the United Kingdom, the Terms and Conditions are being directed solely at persons in circumstances in which section 21(1) of FSMA does not apply.

The relevant clearances have not been, nor will they be, obtained from the securities commission of any province or territory of Canada; no prospectus has been lodged with or registered by, the Australian Securities and Investments Commission or the Japanese Ministry of Finance or the South African Reserve Bank; and the Placing Shares have not been, nor will they be, registered or qualified for distribution, as applicable under or offered in compliance with the securities laws of any state, province or territory of the United States, Australia, Canada, Japan, New Zealand or the Republic of South Africa. Accordingly, the Placing Shares may not (unless an exemption under the relevant securities laws is applicable) be offered, sold, resold or delivered, directly or indirectly, in or into the United States, Australia, Canada, Japan, New Zealand, or the Republic of South Africa or any other jurisdiction in which such offer, sale, resale or delivery would be unlawful.

Solely for the purposes of the product governance requirements contained within the FCA Handbook Product Intervention and Product Governance Sourcebook (the "UK Product Governance Rules"), and disclaiming all and any liability, whether arising in tort, contract or otherwise, which any "manufacturer" (for the purposes of the UK Product Governance Rules) may otherwise have with respect thereto, the Placing Shares have been subject to a product approval process, which has determined that the Placing Shares are: (i) compatible with an end target market of investors who meet the criteria of professional clients and eligible counterparties, each defined in the FCA Handbook Conduct of Business Sourcebook ("COBS"); and (ii) eligible for distribution through all distribution channels as are permitted by the UK Product Governance Rules (the "UK Target Market Assessment").

Solely for the purposes of the product governance requirements contained within: (a) EU Directive 2014/65/EU on markets in financial instruments, as amended ("MiFID II"); (b) Articles 9 and 10 of Commission Delegated Directive (EU) 2017/593 supplementing MiFID II; and (c) local implementing measures (together, the "MiFID II Product Governance Requirements"), and disclaiming all and any liability, whether arising in tort, contract or otherwise, which any "manufacturer" and/or "distributor" (for the purposes of the MiFID II Product Governance Requirements) may otherwise have with respect thereto, the Placing Shares have been subject to a product approval process, which has determined that the Placing Shares are: (i) compatible with an end target market of: (a) investors who meet the criteria of professional clients and (b) eligible counterparties (each as defined in MiFID II); and (ii) eligible for distribution through all distribution channels as are permitted by MiFID II (the "EU Target Market Assessment").

Notwithstanding the UK Target Market Assessment and the EU Target Market Assessment, distributors should note that: the price of the Ordinary Shares may decline and investors could lose all or part of their investment; the Ordinary Shares and Warrants offer no guaranteed income and no capital protection; and an investment in the Ordinary Shares and Warrants is compatible only with investors who do not need a guaranteed income or capital protection, who (either alone or in conjunction with an appropriate financial or other adviser) are capable of evaluating the merits and risks of such an investment and who have sufficient resources to be able to bear any losses that may result therefrom.

Each of the UK Target Market Assessment and the EU Target Market Assessment is without prejudice to any contractual, legal or regulatory selling restrictions in relation to the Placing. Furthermore, it is noted that, notwithstanding the UK Target Market Assessment and the EU Target Market Assessment, the Bookrunner will only procure investors who meet the criteria of professional clients and eligible counterparties each as defined under COBS or MiFID II, as applicable.

For the avoidance of doubt, each of the UK Target Market Assessment and the EU Target Market Assessment does not constitute: (a) an assessment of suitability or appropriateness for the purposes of Chapters 9A or 10A respectively of COBS or MiFID II, as applicable; or (b) a recommendation to any investor or group of investors to invest in, or purchase, or take any other action whatsoever with respect to the Ordinary Shares or Warrants.

Each distributor is responsible for undertaking its own target market assessment in respect of the Placing Shares and Warrants and determining appropriate distribution channels.

Persons (including, without limitation, nominees and trustees) who have a contractual or other legal obligation to forward a copy of this Appendix or the Announcement of which it forms part should seek appropriate advice before taking any action.

The Terms and Conditions should be read in their entirety.

These Terms and Conditions apply to persons making an offer to acquire Placing Shares and Warrants. Each Placee hereby agrees with the Bookrunner and the Company to be bound by these terms and conditions as being the terms and conditions upon which Placing Shares and Warrants will be issued or acquired. A Placee shall, without limitation, become so bound if the Bookrunner confirms to such Placee its allocation of Placing Shares and Warrants.

By participating in the Placing (such participation to be confirmed in and evidenced by either (i) a recorded telephone conversation; or (ii) a contract note or email correspondence, in either case between representatives of the Bookrunner (a "Recorded Commitment")), each Placee will be deemed to have read and understood these Terms and

Conditions in their entirety, to be participating and acquiring Placing Shares and Warrants on these terms and Conditions and to be providing the representations, warranties, indemnities, acknowledgements and undertakings contained in these Terms and Conditions.

In particular, each such Placee irrevocably represents, warrants, undertakes, agrees and acknowledges (amongst other things) to the Company and the Bookrunner that:

1. it is a Relevant Person and that it will acquire, hold, manage or dispose of any Placing Shares that are allocated to it for the purposes of its business; and
2. it is acquiring the Placing Shares for its own account or is acquiring the Placing Shares for an account with respect to which it exercises sole investment discretion and has the authority to make and does make the representations, warranties, indemnities, acknowledgements, undertakings and agreements contained in these Terms and Conditions; and
3. it understands (or if acting for the account of another person, such person has confirmed that such person understands) and agreed to comply with the resale and transfer restrictions set out in these Terms and Conditions; and
4. except as otherwise permitted by the Company and subject to any available exemptions from applicable securities laws, it (and any account referred to in paragraph 3 above) is outside the United States acquiring the Placing Shares in offshore transactions as defined in and in accordance with Regulation S under the Securities Act.

Upon being notified of its allocation of Placing Shares and Warrants, a Placee shall be contractually committed to acquire the number of Placing Shares allocated to it at the Placing Price and, to the fullest extent permitted by law, will be deemed to have agreed not to exercise any rights to rescind or terminate or otherwise withdraw from such commitment.

Details of the Placing Agreement, the Placing Shares and Warrants

The Bookrunner and the Company have entered into a Placing Agreement, under which the Bookrunner has, on the terms and subject to the conditions set out therein, undertaken to use its reasonable endeavours to procure subscribers for Placing Shares at the Placing Price. The Placing is not being underwritten by the Bookrunner or any other person.

The number of Placing Shares and Warrants will be determined following completion of the Bookbuild as set out in this Announcement. The timing of the closing of the Bookbuild, the number of Placing Shares and Warrants and allocations are at the discretion of the Bookrunner, following consultation with the Company. Allocations will be confirmed orally or by email by the Bookrunner following the close of the Bookbuild. One Warrant will be granted for every one Placing Shares subscribed for. Each Warrant will entitle the holder to subscribe for one Ordinary Share at 0.1p per Ordinary Share at any time in the 3 years from the date of grant. The Warrants will be transferable but will be unlisted. A further announcement confirming these details will then be made as soon as practicable following completion of the Bookbuild.

The Placing Shares and Warrants will, when issued, be subject to the Articles, will be credited as fully paid and rank *pari passu* in all respects with the existing Ordinary Shares, including the right to receive all dividends and other distributions (if any) declared, made or paid on or in respect of Ordinary Shares after the date of issue of the Placing Shares.

Subject to Admission, the Placing Shares will trade on AIM under the trading symbol "AEG" and with ISIN GB00BPG7NS80.

Application for Admission to trading on AIM

Application will be made to the London Stock Exchange for Admission to trading on AIM of the Placing Shares. It is expected that settlement of any such shares and Admission will become effective at 8.00 a.m. on or around 15 September 2025 and that dealings in the Placing Shares will commence at that time.

The Warrants will not be admitted to trading on AIM or any other exchange.

Bookbuild

The Bookrunner will today commence an accelerated bookbuilding process to determine demand for participation in the Placing by potential Placees at the Placing Price. This Appendix gives details of the terms and conditions of, and the mechanics of participation in, the Placing. No commissions will be paid to Placees or by Placees in respect of any Placing Shares and Warrants.

The Bookrunner and the Company shall be entitled to effect the Placing by such alternative method to the Bookbuild as it may, in its sole discretion, determine.

The principal terms of the Placing are as follows:

1. The Bookrunner is arranging the Placing as agent for, and broker of, the Company.
2. Participation in the Placing is only available to persons who are lawfully able to be, and have been, invited to participate by the Bookrunner.
3. The Bookbuild, if successful, will establish the number of Placing Shares to be issued at the Placing Price and Warrants, which will be determined by the Bookrunner, in consultation with the Company, following completion of the Bookbuild. The number of Placing Shares and Warrants will be announced on a Regulatory Information Service following completion of the Bookbuild.

4. To bid in the Bookbuild, prospective Placees should communicate their bid by telephone to their usual contact at the Bookrunner. Each bid should state the number of Placing Shares which the prospective Placee wishes to subscribe for or purchase at the Placing Price. One Warrant will be granted for every one Placing Shares subscribed for. Bids may be scaled down by the Bookrunner on the basis referred to in paragraph 8 below.
5. The timing of the closing of the Bookbuild will be at the discretion of the Bookrunner. The Company reserves the right to reduce or seek to increase the amount to be raised pursuant to the Placing, in its absolute discretion.
6. Allocations of the Placing Shares and Warrants will be determined by the Bookrunner, following consultation with the Company. Each Placee's allocation will be confirmed to Placees orally, or by email, by the Bookrunner following the close of the Bookbuild and a trade confirmation or contract note will be dispatched as soon as possible thereafter. Oral or emailed confirmation from the Bookrunner will give rise to an irrevocable, legally binding commitment by that person (who at that point becomes a Placee), in favour of the Bookrunner and the Company, under which it agrees to acquire by subscription the number of Placing Shares allocated to it at the Placing Price and Warrants and otherwise on the terms and subject to the conditions set out in this Appendix and in accordance with the Articles. Except with the Bookrunner's consent, such commitment will not be capable of variation or revocation.
7. The Company will make a further announcement following the close of the Bookbuild detailing the number of Placing Shares to be issued at the Placing Price and Warrants granted.
8. Subject to paragraphs 4 and 5 above, the Bookrunner may choose not to accept bids and/or to accept bids, either in whole or in part, on the basis of allocations determined at its discretion (after consultation with the Company) and may scale down any bids for this purpose on such basis as it may determine. The Bookrunner may also, notwithstanding paragraphs 4 and 5 above, subject to the prior consent of the Company, allocate Placing Shares and Warrants after the time of any initial allocation to any person submitting a bid after that time.
9. A bid in the Bookbuild will be made on the terms and subject to the conditions in the Announcement (including this Appendix) and will be legally binding on the Placee on behalf of which it is made and, except with the Bookrunner's consent, will not be capable of variation or revocation from the time at which it is submitted.
10. Except as required by law or regulation, no press release or other announcement will be made by the Bookrunner or the Company using the name of any Placee (or its agent), in its capacity as Placee (or agent), other than with such Placee's prior written consent.
11. Irrespective of the time at which a Placee's allocation pursuant to the Placing is confirmed, settlement for all Placing Shares and Warrants to be acquired pursuant to the Placing will be required to be made at the same time, on the basis explained below under "Registration and Settlement".
12. All obligations of the Bookrunner under the Placing will be subject to fulfilment of the conditions referred to below "Conditions of the Placing" and to the Placing not being terminated on the basis referred to below under "Right to terminate the Placing Agreement".
13. By participating in the Placing, each Placee agrees that its rights and obligations in respect of the Placing will terminate only in the circumstances described below and will not be capable of rescission or termination by the Placee.
14. To the fullest extent permissible by law and the applicable rules of the FCA, neither the Bookrunner, nor any of its affiliates, agents, directors, officers or employees shall have any liability to Placees (or to any other person whether acting on behalf of a Placee or otherwise whether or not a recipient of these terms and conditions) in respect of the Placing. In particular, neither the Bookrunner, nor any of its respective affiliates, agents, directors, officers or employees shall have any liability (including to the extent permissible by law, any fiduciary duties) in respect of the Bookrunner's conduct of the Placing or of such alternative method of effecting the Placing as the Bookrunner and the Company may determine.

Conditions of the Placing

The Placing is conditional upon the Placing Agreement becoming unconditional and not having been terminated in accordance with its terms.

The Bookrunner's obligations under the Placing Agreement in respect of the Placing Shares and Warrants are conditional on, *inter alia*:

1. Admission occurring by no later than 8.00 a.m. (London time) on 15 September 2025 or such other date and time as may be agreed between the Company and the Bookrunner, not being later than the Long Stop Date;
2. the delivery by the Company to the Bookrunner of certain documents required under the Placing Agreement;
3. the Company having performed its obligations under the Placing Agreement to the extent that such obligations fall to be performed prior to Admission;
4. the issue and allotment of the Placing Shares, conditional only upon Admission;
5. each of the warranties being true and accurate and not misleading in a way which is, in the opinion of the Bookrunner, material; and
5. the Placing Agreement not having been terminated by the Bookrunner in accordance with its terms.

If: (i) any of the conditions contained in the Placing Agreement, including those described above, are not fulfilled or (where applicable) waived by the Bookrunner by the respective time or date where specified (or such later time or date as the Bookrunner may notify to the Company, being not later than the Long Stop Date); (ii) any of such conditions becomes incapable of being fulfilled; or (iii) the Placing Agreement is terminated in the circumstances specified below, the Placing will not proceed and the Placees' rights and obligations hereunder in relation to the Placing Shares and the Warrants shall cease and terminate at such time and each Placee agrees that no claim can be made by the Placee in respect thereof.

The Bookrunner may, at its discretion and upon such terms as it thinks fit, waive, or extend the period for (subject to the Long Stop Date), compliance by the Company with the whole or any part of any of the Company's obligations in

relation to the conditions in the Placing Agreement save that the condition relating to Admission taking place may not be waived. Any such extension or waiver will not affect Placees' commitments as set out in this Announcement.

Neither the Bookrunner, the Company nor any of their respective affiliates, agents, directors, officers or employees shall have any liability to any Placee (or to any other person whether acting on behalf of a Placee or otherwise) in respect of any decision they may make as to whether or not to waive or to extend the time and/or date for the satisfaction of any condition to the Placing nor for any decision they may make as to the satisfaction of any condition or in respect of the Placing generally and, by participating in the Placing, each Placee agrees that any such decision is within the absolute discretion of the Bookrunner.

Right to terminate the Placing Agreement

The Bookrunner is entitled, at any time before Admission, to terminate the Placing Agreement by giving notice to the Company in certain circumstances, including, *inter alia*, if before Admission:

1. any of the warranties set out in the Placing Agreement is or becomes untrue or inaccurate or misleading in any material respect;
2. the Company has failed to comply with its obligations under the Placing Agreement, or with the requirements of any applicable laws or regulations (including MAR and the AIM Rules) in relation to the Placing;
3. there occurs or arises prior to Admission any significant change or new material matter which the Bookrunner, in its discretion, determines should be notified to Placees or Shareholders; or
4. there has been a change in national or international financial, political, economic, monetary or stock market conditions (primary or secondary) or an imposition of or compliance with any law or governmental or regulatory order, rule, regulation, restriction or direction which, in the opinion of the Bookrunner, would or would be likely to prejudice materially the Company or render the Placing (or any material part thereof) or Admission impractical or inadvisable.

The rights and obligations of the Placees will not be subject to termination by the Placees or any prospective Placees at any time or in any circumstances. By participating in the Placing, Placees agree that the exercise by the Bookrunner of any right of termination or other discretion under the Placing Agreement shall be within the absolute discretion of the Bookrunner and that the Bookrunner need not make any reference to Placees in this regard and that neither the Bookrunner nor any of its respective affiliates shall have any liability to Placees whatsoever in connection with any such exercise or failure so to exercise.

No Admission Document or Prospectus

The Placing Shares and Warrants are being offered to a limited number of specifically invited persons only and have not been nor will they be offered in such a way as to require the publication of a prospectus in the United Kingdom or otherwise. No offering document, admission document or prospectus has been or will be submitted to be approved by the FCA or the London Stock Exchange in relation to the Placing or the Placing Shares, and Warrants and Placees' commitments will be made solely on the basis of the information contained in the Announcement (including this Appendix) and the Publicly Available Information. Each Placee, by accepting a participation in the Placing, agrees that the content of this Announcement is exclusively the responsibility of the Company and confirms that it has not relied on any other information (other than the Publicly Available Information), representation, warranty, or statement made by or on behalf of the Company or the Bookrunner or any other person and neither the Bookrunner, the Company nor any other person will be liable for any Placee's decision to participate in the Placing based on any other information, representation, warranty or statement which the Placees may have obtained or received and, if given or made, such information, representation, warranty or statement must not be relied upon as having been authorised by the Bookrunner, the Company or their respective officers, directors, employees or agents. Each Placee acknowledges and agrees that it has relied on its own investigation of the business, financial or other position of the Company in accepting a participation in the Placing. Neither the Company nor the Bookrunner are making any undertaking or warranty to any Placee regarding the legality of an investment in the Placing Shares or the Warrants by such Placee under any legal, investment or similar laws or regulations. Each Placee should not consider any information in this Announcement to be legal, tax, financial, business or other advice. Each Placee should consult its own solicitor, tax adviser and financial adviser for independent legal, tax and financial advice regarding an investment in the Placing Shares or the Warrants. Nothing in this paragraph shall exclude the liability of any person for fraudulent misrepresentation.

Registration and Settlement

Following closure of the Bookbuild, each Placee allocated Placing Shares and Warrants in the Placing will be sent a trade confirmation or contract note in accordance with the standing arrangements in place with the Bookrunner, stating the number of Placing Shares allocated to it at the Placing Price and Warrants allocated to it, and the aggregate amount owed by such Placee (in pounds sterling) and a form of confirmation in relation to settlement instructions.

Each Placee will be deemed to agree that it will do all things necessary to ensure that delivery and payment is completed as directed by the Bookrunner in accordance with the standing CREST settlement instructions which they have in place with the Bookrunner.

Settlement of transactions in the Placing Shares (ISIN: GB00BPG7NS80) following Admission will take place within CREST provided that, subject to certain exceptions, the Bookrunner reserves the right to require settlement for, and delivery of, the Placing Shares (or a portion thereof) to Placees by such other means that it deems necessary if delivery or settlement is not possible or practicable within CREST within the timetable set out in this Announcement or would not be consistent with the regulatory requirements in any Placee's jurisdiction.

Grant of the Warrants will be in certificated form.

It is expected that settlement will take place in accordance with the instructions set out in the contract note.

Interest is chargeable daily on payments not received from Placees on the due date(s) in accordance with the

arrangements set out above at the rate of 4 percentage points above the prevailing SONIA (Sterling Overnight Index Average) rate as determined by the Bookrunner.

Each Placee is deemed to agree that, if it does not comply with these obligations, the Bookrunner may sell any or all of the Placing Shares and/or Warrants allocated to that Placee on such Placee's behalf and retain from the proceeds, for the Bookrunner's account and benefit (as agent for the Company), an amount equal to the aggregate amount owed by the Placee plus any interest due. The relevant Placee will, however, remain liable and shall indemnify the Bookrunner on demand for any shortfall below the aggregate amount owed by it and may be required to bear any stamp duty or stamp duty reserve tax or securities transfer tax (together with any interest or penalties) which may arise upon the sale of such Placing Shares and/or Warrants on such Placee's behalf. By communicating a bid for Placing Shares, each Placee confers on the Bookrunner such authorities and powers necessary to carry out any such sale and agrees to ratify and confirm all actions which the Bookrunner lawfully takes in pursuance of such sale. Legal and/or beneficial title in and to any Placing Shares and Warrants shall not pass to the relevant Placee until it has fully complied with its obligations hereunder.

If Placing Shares or Warrants are to be delivered to a custodian or settlement agent, Placees should ensure that the form of confirmation is copied and delivered immediately to the relevant person within that organisation.

Insofar as Placing Shares or Warrants are registered in a Placee's name or that of its nominee or in the name of any person for whom a Placee is contracting as agent or that of a nominee for such person, such Placing Shares should, subject as provided below, be so registered free from any liability to UK stamp duty or stamp duty reserve tax or securities transfer tax. Neither the Bookrunner nor the Company will be liable in any circumstances for the payment of stamp duty, stamp duty reserve tax or securities transfer tax in connection with any of the Placing Shares or the Warrants. Placees will not be entitled to receive any fee or commission in connection with the Placing.

Representations, Warranties and Further Terms

By participating in the Placing, each Placee (and any person acting on such Placee's behalf) makes the following representations, warranties, acknowledgements, agreements and undertakings (as the case may be) to the Bookrunner for themselves and on behalf of the Company:

1. that it has read and understood this Announcement, including this Appendix, in its entirety and that its subscription for or purchase of Placing Shares and Warrants is subject to and based upon all the terms, conditions, representations, warranties, acknowledgements, agreements and undertakings and other information contained herein and undertakes not to redistribute or duplicate this Announcement;
2. that its obligations are irrevocable and legally binding and shall not be capable of rescission or termination by it in any circumstances;
3. that the exercise by the Bookrunner of any right or discretion under the Placing Agreement shall be within the absolute discretion of the Bookrunner and the Bookrunner need not have any reference to it and shall have no liability to it whatsoever in connection with any decision to exercise or not to exercise any such right and each Placee agrees that it has no rights against the Bookrunner or the Company, or any of their respective officers, directors, employees agents or advisers, under the Placing Agreement pursuant to the Contracts (Rights of Third Parties Act) 1999;
4. that these terms and conditions represent the whole and only agreement between it, the Bookrunner and the Company in relation to its participation in the Placing and supersedes any previous agreement between any of such parties in relation to such participation. Accordingly, each Placee, in accepting its participation in the Placing, is not relying on any information or representation or warranty in relation to the Company or any of its subsidiaries or any of the Placing Shares or the Warrants other than as contained in this Announcement and the Publicly Available Information, such information being all that it deems necessary to make an investment decision in respect of the Placing Shares or the Warrants. Each Placee agrees that neither the Company, the Bookrunner nor any of their respective officers, directors or employees will have any liability for any such other information, representation or warranty, express or implied;
5. that in the case of any Placing Shares acquired by it and Warrants granted to it as a financial intermediary, as that term is used in Article 5(1) of the EU Prospectus Regulation and Article 5(1) of the UK Prospectus Regulation, (i) the Placing Shares acquired by it and Warrants granted to it in the Placing have not been acquired on behalf of, nor have they been acquired with a view to their offer or resale to, (a) persons in any Member State of the European Economic Area which has implemented the EU Prospectus Regulation or (b) persons in the UK in accordance with the UK Prospectus Regulation, respectively, other than Qualified Investors or in circumstances in which the prior consent of the Bookrunner has been given to the offer or resale; or (ii) where Placing Shares have been acquired by it and Warrants granted to it on behalf of persons in any member state of the EEA, or the UK respectively, other than Qualified Investors, the offer of those Placing Shares or Warrants to it is not treated under the EU Prospectus Regulation or the UK Prospectus Regulation (as the case may be) as having been made to such persons;
6. that neither it nor, as the case may be, its clients expect the Bookrunner to have any duties or responsibilities to such persons similar or comparable to the duties of "best execution" and "suitability" imposed by the FCA's Conduct of Business Source Book, and that the Bookrunner is not acting for it or its clients, and that the Bookrunner will not be responsible for providing the protections afforded to customers of the Bookrunner or for providing advice in respect of the transactions described herein;
7. that it has made its own assessment of the Placing Shares and the Warrants and has relied on its own investigation of the business, financial or other position of the Company in accepting a participation in the Placing and that it shall not be entitled to rely upon any material regarding the Placing Shares or the Warrants or the Company (if any) that the Bookrunner or the Company or any of their respective affiliates, agents, directors, officers or employees or any person acting on behalf of any of them has provided, other than the information in this Announcement and the Publicly Available Information; nor has it requested any of the Bookrunner, the Company or any of their respective affiliates, agents, directors, officers or employees or any person acting on behalf of any of them to provide it with any such information;
8. that it is: (i) located outside the United States and is not a US Person as defined in Regulation S under the Securities Act ("Regulation S") and is subscribing for and/or purchasing the Placing Shares or the Warrants only

Securities Act (Regulation S), and is subscribing for and/or purchasing and/or placing shares of the Warrants only in "offshore transactions" as defined in and pursuant to Regulation S, and (ii) it is not subscribing for and/or purchasing Placing Shares or the Warrants as a result of any "directed selling efforts" as defined in Regulation S or by means of any form of "general solicitation" or "general advertising" as such terms are defined in Regulation D under the Securities Act;

9. that the Placing Shares and the Warrants have not been and will not be registered under the Securities Act, or under the securities legislation of, or with any securities regulatory authority of, any state or other jurisdiction of the United States and accordingly the Placing Shares and the Warrants may not be offered, sold, pledged, resold, transferred, delivered or distributed into or within the United States except in compliance with the registration requirements of the Securities Act and applicable state securities requirements or pursuant to exemptions therefrom;
10. that the only information on which it is entitled to rely on and on which it has relied in committing to subscribe for the Placing Shares or the Warrants is contained in this Announcement and the Publicly Available Information, such information being all that it deems necessary to make an investment decision in respect of the Placing Shares or the Warrants and it has made its own assessment of the Company, the Placing Shares, the Warrants and the terms of the Placing based on this Announcement and the Publicly Available Information only;
11. that neither the Bookrunner or the Company or any of their respective affiliates, agents, directors, officers or employees has made any representation or warranty to it, express or implied, with respect to the Company, the Placing or the Placing Shares or the Warrants or the accuracy, completeness or adequacy of the Publicly Available Information;
12. that, unless specifically agreed with the Bookrunner, it is not and was not acting on a non-discretionary basis for the account or benefit of a person located within the United States or any US Person at the time the undertaking to subscribe for and/or purchase Placing Shares or the Warrants was given and it is not acquiring Placing Shares or Warrants with a view to the offer, sale, resale, transfer, delivery or distribution, directly or indirectly, of any Placing Shares or Warrants into the United States or to any US Person and it will not reoffer, resell, pledge or otherwise transfer the Placing Shares and/or Warrants except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and otherwise in accordance with any applicable securities laws of any state or jurisdiction of the United States;
