About Elixirr International plc

Elixirr is an award-winning global consulting firm working with clients across a diverse range of industries, markets and geographies. Founded in 2009, the firm set out to be the 'challenger consultancy' and do things differently than the large corporate consultancies dominating the industry: working openly and collaboratively with clients from start to finish, delivering outcomes based on innovative thinking, not methodology, and treating each client's business like their own. Elixirr was quoted on the AIM market of the London Stock Exchange in 2020 and listed on the Main Market of the London Stock Exchange in July 2025. In addition to strong organic growth, Elixirr has acquired seven boutique firms - Den Creative, Coast Digital, The Retearn Group, iOLAP, Responsum, Insigniam and Hypothesis - to grow the Group's capabilities, diversify the business, expand into new geographies and access new clients.
