**Sabien Technology Group Plc**  
("Sabien", the "Company" or the "Group")

**Trading Update**

**Sabien (AIM: SNT)** a leading provider of energy reduction technologies, today provides an unaudited trading update.

The Company can report that in the first 10 weeks of the new financial year, recognised sales revenue from M2G activities is £273,650 and open orders expected to be invoiced within the first financial half year are £170,941. This total of £444,591 compares to the half year sales revenue in the prior year of £334,000 and demonstrates that the Company is on track for year-on-year growth.

**Richard Parris, Executive Chairman of Sabien, said** "*I believe this strong start to the new financial year shows our strategy for turn around and growth is bearing fruit. At the 20% point through the year, we have already secured in excess of 50% of the previous full years' sales revenue through a combination of enhanced channel sales and cloud service subscriptions.*"
