**About Kainos**

Kainos Group plc is a UK-headquartered provider of sophisticated IT services to major public sector, commercial and healthcare customers. Our shares are listed on the London Stock Exchange (LSE: KNOS).

Our expertise spans three divisions: Digital Services, Workday Services, and Workday Products.

**Digital Services**

Our Digital Services customers face a range of business problems, including the need to improve their customer service, reduce costs and increase productivity. We help them to solve these problems by developing and supporting custom digital service platforms. Our solutions enable customers and their users to work smarter, faster and better, while ensuring the platforms are secure, accessible and cost effective.

**Workday Services**

We are a respected partner to Workday Inc. in Europe and North America, providing a comprehensive range of services to support customers deploying Workday's Finance, HR and Planning products. Our experience in complex deployments means we are trusted to launch, test, expand and support Workday systems.

**Workday Products**

We have developed proprietary software products that complement Workday by enhancing our customers' system security and compliance and improving their document generation and storage. Over 550 global customers use one or more of our products, with adoption growing rapidly.

**Our people**

Our people are central to our success. We have more than 2,800 people in 20 countries across Europe, Asia and the Americas.
