#### Result of Retail Offer

**Manchester, UK - 29 September 2025:** genedrive plc (LSE: GDR), the point of care pharmacogenetic testing company, is pleased to announce that it has conditionally raised gross proceeds of approximately £0.33 million through the Retail Offer. The terms and conditions of the Retail Offer were announced by the Company at 5.03 p.m. on 23 September 2025.

Total demand received through the Retail Offer was approximately £0.68 million which exceeded the total amount available to be allocated under the Retail Offer which was capped at approximately £0.33 million. This cap includes the 10 per cent. scale up mechanism which given the level of retail shareholder demand has been exercised. Accordingly, a total of 164,875,000 Retail Offer Shares are therefore expected to be issued pursuant to the Retail Offer including 38,750,000 Retail Offer Shares subscribed for by three Directors of the Company as detailed in the Completion of Placing announcement which was issued by the Company on 24 September 2025.

Additional demand of £100,000 which was flagged in the Completion of Placing announcement has now been accepted into the Conditional Placing following the entering into of binding commitment with the investor. Accordingly, the Conditional Placing and the Retail Offer have together conditionally raised a total of approximately £2.82 million through the issue of 1,248,750,000 Conditional Placing Shares and 164,875,000 Retail Offer Shares. The Firm Placing completed on 26 September 2025 and raised gross proceeds of £800,000 for the Company through the issue of 400,000,000 Firm Placing Shares.

As a result, the Company has conditionally raised a total of approximately £3.62 million via the Placing and the Retail Offer which exceeds the required minimum amount needed to be raised in order for the Fundraising (other than the Firm Placing which has already completed) to become unconditional.

The Conditional Placing and the Retail Offer are still conditional on, *inter alia*, the passing of resolutions 1 and 2 at the General Meeting (expected to be convened for 15 October 2025 and Second Admission occurring no later than 8.00 a.m. on 16 October 2025 (or such later time and/or date as may be agreed between the Company, Peel Hunt and Allenby Capital being no later than 8.00 a.m. on 30 October 2025).

Application has been made to the London Stock Exchange for the admission of 1,413,625,000 New Ordinary Shares to trading on AIM ("**Second Admission**"). This comprises: (i) 1,248,750,000 Conditional Placing Shares; and (ii) 164,875,000 Retail Offer Shares. These New Ordinary Shares will rank *pari passu* with the existing Ordinary Shares.

Subject to, *inter alia*, the passing of the Resolutions, a further announcement will be made in due course in relation to the total number of voting rights of the Company from Second Admission.

Unless otherwise defined herein, capitalised terms used in this announcement shall have the same meanings as defined in the applicable announcement of the Fundraising made by the Company on 23 September 2025.

**About genedrive plc (<http://www.genedriveplc.com>)**

genedrive plc is a pharmacogenetic testing company developing and commercialising a low cost, rapid, versatile and simple to use point of need pharmacogenetic platform for the diagnosis of genetic variants. This helps clinicians to quickly access key genetic information that will aid them make the right choices over the right medicine or dosage to use for an effective treatment, particularly important in time-critical emergency care healthcare paradigms. Based in the UK, the Company is at the forefront of Point of Care pharmacogenetic testing in emergency healthcare. Pharmacogenetics informs on how your individual genetics impact a medicines ability to work for you. Therefore, by using pharmacogenetics, medicine choices can be personalised, made safer and more effective. The Company has launched its two flagship products, the Genedrive® MT-RNR1 ID Kit and the Genedrive® CYP2C19 ID Kit, both developed and validated in collaboration with NHS partners and deployed on its point of care thermocycler platform. Both tests are single-use disposable cartridges which are ambient temperature stable, circumventing the requirement for cold chain logistics. The Directors believe the Genedrive® MT-RNR1 ID Kit is a worlds-first and allows clinicians to make a decision on antibiotic use in neonatal intensive care units within 26 minutes, ensuring vital care is delivered, avoiding adverse effects potentially otherwise encountered and with no negative impact on the patient care pathway. Its CYP2C19 ID Kit which has no comparably positioned competitor currently allows clinicians to make a decision on the use of Clopidogrel in stroke patients in 70 minutes, ensuring that patients who are unlikely to benefit from or suffer adverse effects from Clopidogrel receive an alternative antiplatelet therapeutic in a timely manner, ultimately improving outcomes. Both tests have undergone review by the National Institute for Health and Care Clinical Excellence ("NICE") and have been recommended for use in the UK NHS. The Company has a clear commercial strategy focused on accelerating growth through maximising in-market sales, geographic and portfolio expansion and strategic M&A, and operates out of its facilities in Manchester.

#### **Product Governance Requirements**

Solely for the purposes of the product governance requirements of Chapter 3 of the FCA Handbook Product Intervention and Product Governance Sourcebook (the "UK Product Governance Requirements") and/or any equivalent requirements elsewhere to the extent determined to be applicable, and disclaiming all and any liability, whether arising in tort, contract or otherwise, which any "manufacturer" (for the purposes of the UK Product Governance Requirements and/or any equivalent requirements elsewhere to the extent determined to be applicable, may otherwise have with respect thereto, the Placing Shares have been subject to a product approval process, which has determined that the Placing Shares are: (i) compatible with an end target market of retail investors and investors who meet the criteria of professional clients and eligible counterparties, each defined in Chapter 3 of the FCA Handbook Conduct of Business Sourcebook; and (ii) eligible for distribution through all permitted distribution channels (the "**Target Market Assessment**"). Notwithstanding the Target Market Assessment, distributors should note that: the price of the Placing Shares may decline and investors could lose all or part of their investment; the Placing Shares offer no guaranteed income and no capital protection; and an investment in the Placing Shares is compatible only with investors who do not need a guaranteed income or capital protection, who (either alone or in conjunction with an appropriate financial or other adviser) are capable of evaluating the merits and risks of such an investment and who have sufficient resources to be able to bear any losses that may result therefrom. The Target Market Assessment is without prejudice to the requirements of any contractual, legal or regulatory selling restrictions in relation to the Placing. Furthermore, it is noted that, notwithstanding the Target Market Assessment, Peel Hunt and Allenby Capital will only procure investors who meet the criteria of professional clients and eligible counterparties.

For the avoidance of doubt, the Target Market Assessment does not constitute: (a) an assessment of suitability or appropriateness for the purposes of Chapters 9A or 10A respectively of the FCA Handbook Conduct of Business Sourcebook; or (b) a recommendation to any investor or group of investors to invest in, or purchase, or take any other action whatsoever with respect to the Placing Shares.

Each distributor is responsible for undertaking its own target market assessment in respect of the Placing Shares and determining appropriate distribution channels.
