Notice of final dividend GBP rate

On 3 July 2025 the Company released an announcement recommending final dividend of € 2.6 cents per share for 2025. This recommendation was approved by the shareholders at the Annual General Meeting held on 24 September 2025.

The Company's shareholders will receive their dividend in EUR, unless they have made an election to receive their dividend in GBP. The deadline for the currency election in respect of this final dividend payment was 26 September 2025.

This announcement confirms that the GBP rate applicable for the final dividend for shareholders who made a currency election before the applicable deadline (or did not change their election to receive dividend in GBP made for the previous dividend) and who therefore will receive their dividend in GBP is:

Declared dividend	Exchange rate	Dividend to be paid for those receiving dividends in sterling
€ 2.6 cents per share	EUR 1 = GBP 0.8736	2.2714 pence per share

The dividend will be paid on 17 October 2025 to shareholders who were on the register at the close of business on 12 September 2025.

Please note, the Company's shareholders can change their election for each dividend by following the guidance on the company website: balticclassifieds.com/dividends, and if they do not re-elect then they will receive the dividend in the same currency for which they elected for the previous dividend.
