**About 1Spatial plc**

1Spatial is a global leader in Location Master Data Management ('LMDM') software and solutions. Our global clients include national mapping and land management agencies, utility companies, transportation organisations, government, public safety and defence departments.

Our user-friendly, no-code, cloud-enabled solutions and business applications facilitate automated data governance, while delivering increased efficiencies and significant cost-savings - contributing to a safer, smarter and more sustainable world.

Our patented rules engine powers a cutting-edge software platform, as well as a suite of proprietary business applications and SaaS products, including 1Streetworks which revolutionises traffic management in the UK.

1Spatial plc is AIM-listed, with operations in the UK, Ireland, USA, France, Belgium, Tunisia, and Australia.
