FRANCHISE BRANDS PLC

("Franchise Brands", the "Group" or the "Company")

Directors' dealings

Franchise Brands plc (AIM: FRAN), an international multi-brand franchise business, announces that, further to the dealings announced to the market on 29 September 2025, Andrew Mallows, a Director of the Company and its Chief Financial Officer, sold a further 81,776 Ordinary Shares of the Company in the market on 30 September 2025, at a price of 126 pence per share.

This completes the sale of shares to which he was entitled following the exercise of options granted under the Company's employee share schemes. As explained in the earlier announcement, the exercise of the options and the associated sale of shares were to raise funds to enable Mr Mallows to meet a tax obligation arising from an historic matter relating to a previous employment.

Following these transactions, Mr Mallows retains a personal holding of 124,290 Ordinary Shares of the Company and holds options over a further 776,288 Ordinary Shares under the Company's Employee Share Option Plan.

The table at the end of this announcement provides further information in accordance with the requirements of the UK Market Abuse Regulation.
