RECOMMENDED FINAL* CASH ACQUISITION

of

Ricardo PLC ("Ricardo")

by

**WSP Group Limited ("WSP UK")
a wholly-owned subsidiary of WSP Global Inc. ("WSP Global")**

**to be effected by means of a scheme of arrangement
under Part 26 of the Companies Act 2006**

Court Sanction of Scheme of Arrangement

On 11 June 2025, the boards of WSP Global, WSP UK and Ricardo announced that they had reached agreement on the terms of a recommended final* cash acquisition pursuant to which WSP UK will acquire the entire issued and to be issued share capital of Ricardo, other than the Ricardo Shares acquired pursuant to the SG Share Purchase Agreement (the "**Acquisition**"). The Acquisition is being effected by means of a scheme of arrangement under Part 26 of the Companies Act 2006 (the "**Scheme**").

The scheme document in relation to the Scheme was published on 23 June 2025 (the "**Scheme Document**"). On 16 July 2025, Ricardo announced that at the Court Meeting and General Meeting held on 15 July 2025 in connection with the Acquisition, the necessary resolutions had been duly passed to implement the Acquisition, subject to the satisfaction (or, where applicable, waiver) of the remaining Conditions set out in the Scheme Document, including the regulatory conditions and the sanction of the Scheme by the Court. On 4 September 2025, Ricardo and WSP UK announced that following the receipt of Saudi Arabian merger control clearance and Australia and United Kingdom foreign investment clearances, the Regulatory Conditions set out in paragraphs 3(b), 3(d), and 3(e) of Part 4 (*Conditions and Further Terms of the Acquisition*) of the Scheme Document had been satisfied.

Ricardo and WSP UK are pleased to announce that, following the Sanction Hearing held earlier today, the Court has issued the Court Order sanctioning the Scheme pursuant to which the Acquisition will be implemented.

Pursuant to the Court Order, the Scheme will become Effective on delivery of the Court Order to the Registrar of Companies, which is expected to occur on 9 October 2025. Ricardo confirms there have been no material changes to the expected timetable of principal events for the Acquisition as set out in the announcement on 4 September 2025.

Next Steps

The last day for dealings in, and for registrations of transfers of, Ricardo Shares is expected to be 8 October 2025. The Scheme Record Time is expected to be 6.00 p.m. on 8 October 2025, at which time CREST will be disabled in respect of Ricardo Shares.

Applications have been made to the Financial Conduct Authority and the London Stock Exchange for the suspension, and subsequent cancellation, of trading in Ricardo Shares on the Main Market and of the listing of Ricardo Shares on the Official List. The suspension of the admission to trading in Ricardo Shares on the Main Market and the listing of Ricardo Shares on the Official List is expected to take effect from 7.30 a.m. on 9 October 2025. Once suspended, it is expected that the cancellation of trading in Ricardo Shares on the Main Market and the listing of Ricardo Shares on the Official List will take effect from 7.30 a.m. on 10 October 2025.

A further announcement will be made when the Scheme has become Effective, which is expected to occur on 9 October 2025.

General

Full details of the Scheme are set out in the Scheme Document. Capitalised terms used but not defined in this announcement shall have the same meanings as set out in the Scheme Document. All references to times in this announcement are to London times unless otherwise stated.

*The financial terms of the Acquisition are final and will not be increased, except that WSP Global and WSP UK reserve the right to increase the Final Acquisition Price where: (i) there is an announcement of a possible offer or a firm intention to make an offer for Ricardo by any third party; or (ii) the Panel otherwise provides its consent (which will only be granted in wholly exceptional circumstances).

Additional information for US investors

The Acquisition relates to shares of a UK company and is proposed to be effected by means of a scheme of arrangement under the laws of England and Wales. A transaction effected by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the US Exchange Act.

Accordingly, the Acquisition is subject to the disclosure and procedural requirements applicable in the United Kingdom to schemes of arrangement which differ from the disclosure requirements of United States tender offer and proxy solicitation rules. However, if WSP UK were to elect to implement the Acquisition by means of a Takeover Offer in accordance with the terms of the Cooperation Agreement, such Takeover Offer shall be made in compliance with all applicable United States laws and regulations, including to the extent applicable Section 14(e) of the US Exchange Act and Regulation 14E thereunder. Such Takeover Offer would be made in the United States by WSP UK and no one else.

In the event that the Acquisition is implemented by way of a Takeover Offer, in accordance with normal United Kingdom practice and pursuant to Rule 14e-15(b) of the US Exchange Act, WSP UK or its nominees, or its brokers (acting as agents), may from time to time make certain purchases of, or arrangements to purchase, shares or other securities of Ricardo outside of the US, other than pursuant to the Takeover Offer, until the date on which the Takeover Offer becomes effective, lapses or is otherwise withdrawn. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices and comply with applicable law, including the US Exchange Act. Any information about such purchases or arrangements to purchase shall be disclosed as required in the UK, shall be reported to a Regulatory Information Service and shall be available on the London Stock Exchange website at www.londonstockexchange.com.

The receipt of consideration by a US holder for the transfer of its Ricardo Shares pursuant to the Scheme may have tax consequences in the US and such consequences, if any, are not described herein. Each Ricardo Shareholder is urged to consult their independent professional adviser immediately regarding the tax consequences of the Acquisition applicable to them, including under applicable United States state and local, as well as overseas and other, tax laws.

Neither the US Securities and Exchange Commission nor any securities commission of any state or other jurisdiction of the United States has approved the Acquisition, passed upon the fairness of the Acquisition, or passed upon the adequacy or accuracy of this announcement or the Scheme Document. Any representation to the contrary is a criminal offence in the US.

Financial information relating to Ricardo and/or the Ricardo Group included in this announcement and the Scheme Document has been or shall have been prepared in accordance with accounting standards applicable in the United Kingdom and may not be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the United States.

WSP Global is organised under the laws of Canada and WSP UK and Ricardo are organised under the laws of England and Wales. Some or all of the officers and directors of WSP UK, WSP Global and Ricardo, respectively, may be residents of countries other than the United States. In addition, most of the assets of WSP UK, WSP Global and Ricardo are located outside the United States. As a result, it may be difficult for US shareholders of Ricardo to effect service of process within the United States upon WSP Global or WSP UK or Ricardo or their respective officers or directors or to enforce against them a judgment of a US court predicated upon the federal or state securities laws of the United States.

Additional information for Canadian investors

Holders of Ricardo Shares resident or located in Canada should note that the Acquisition relates to shares of a UK company and is proposed to be implemented by means of a scheme of arrangement provided for under the laws of England and Wales (although WSP UK reserves the right to implement the Acquisition by way of a Takeover Offer, subject to the Panel's consent and the terms of the Cooperation Agreement). A transaction implemented by means of a scheme of arrangement is not subject to the provisions of Canadian provincial securities laws applicable to take-over bids. Accordingly, the Acquisition is subject to applicable disclosure and other procedural requirements and practices applicable in the United Kingdom, which differ from those applicable to take-over bids under Canadian provincial securities laws. Other than with respect to financial information relating to WSP Global, the financial information included in this announcement and the Scheme Document (when issued) has been or will have been prepared in accordance with accounting standards applicable in the United Kingdom and thus may not be comparable to financial information of Canadian companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in Canada. If the Acquisition is implemented by way of a Takeover Offer, that offer will be made in compliance with (or pursuant to available exemptions from) the applicable requirements of Canadian provincial securities laws.

The receipt of cash pursuant to the Acquisition by a Canadian holder as consideration for the transfer of its Ricardo Shares pursuant to the Scheme may be a taxable transaction for Canadian federal income tax purposes and under applicable Canadian provincial income tax laws, as well as foreign and other tax laws. Each Ricardo Shareholder is urged to consult their independent professional adviser immediately regarding the tax consequences of the Acquisition applicable to them.

Ricardo is located in a country other than Canada, and some or all of its officers and directors may be residents of a country other than Canada. It may be difficult for Canadian holders of Ricardo Shares to enforce judgments obtained in Canada against any person that is incorporated, continued or otherwise organised under the laws of a foreign jurisdiction or resides outside Canada, even if the party has appointed an agent for service of process.

Forward-looking statements

This announcement and the Scheme Document (including information incorporated by reference in this announcement and the Scheme Document), oral statements made regarding the Acquisition and other information published by Ricardo, WSP Global, WSP UK or any member of the Wider WSP Group or Wider Ricardo Group contains statements which are, or may be deemed to be, "forward-looking statements" under applicable securities laws. By their nature, forward-looking statements involve risk and uncertainty because they relate to events and depend on circumstances that shall occur in the future. These events and circumstances include changes in, and assumptions about, the global, political, economic, business, competitive, market and regulatory forces and conditions; future exchange and interest rates, changes in tax rates; future business combinations or disposals; the satisfaction of the conditions to Completion of the Acquisition on the proposed terms and schedule; the state of the global economy, political environment and the economies of the regions in which Ricardo, WSP Global, WSP UK, the Wider WSP Group and/or the Wider Ricardo Group operate, the accuracy of WSP Global, WSP UK and Ricardo managements' estimates and judgments regarding the duration, scope and impacts of new or continuing global health, geopolitical or military events on the economy and financial markets, and on their business, operations, revenues, liquidity, financial condition, margins, cash flows, prospects and results in future periods; the accuracy of WSP Global, WSP UK and Ricardo managements' assessments of anticipated growth drivers and global megatrends; the state of and access to global and local capital and credit markets, the availability of borrowings to be drawn down under, and the utilisation of, various elements and components of WSP Global's and WSP UK's financing plan in accordance with their respective terms; the stability of interest rates at or near current levels; the sufficiency of WSP Global's, WSP UK's, the Wider WSP Group's or the Wider Ricardo Group's liquidity and working capital requirements for the foreseeable future; the ability of the WSP Group and the Wider Ricardo Group to successfully integrate their respective businesses, processes, systems and operations within anticipated time periods and at expected cost levels and retain key employees, the Enlarged Group's ability to make acquisitions and its ability to integrate or manage such acquired businesses, the absence of deal protection mechanisms under the Acquisition, WSP Global's reliance on the accuracy and completeness of information provided by Ricardo in connection with the Acquisition and publicly available information, risks associated with historical and pro forma financial information, potential undisclosed costs or liabilities associated with the Acquisition, WSP Global or Ricardo being adversely impacted during the pendency of the Acquisition, and change of control and other similar provisions and fees, the closing conditions; WSP Global's ability to retain and attract new business, achieve synergies and maintain market position arising from successful integration plans relating to the Acquisition, management's estimates and expectations in relation to future economic and business conditions and other factors in relation to the Acquisition and resulting impact on growth and accretion in various financial metrics; the realisation of the expected strategic, financial and other benefits of the Acquisition in the timeframe anticipated, capital investments made by the public and private sectors; maintenance of satisfactory relationships with suppliers and subconsultants; ability to recruit and retain highly skilled resources; maintenance of satisfactory relationships with management, key professionals and other employees; the maintenance of sufficient insurance; the management of environmental, social and health and safety risks; the sufficiency of the Wider WSP Group's or the Wider Ricardo Group's current and planned information systems, communications technology and other technology; compliance with laws and regulations; ability to successfully defend against ongoing and future legal proceedings; the sufficiency of internal and disclosure controls; no significant changes to the regulatory environment; foreign currency fluctuation; no significant changes to the regulations to which the Wider WSP Group's or the Wider Ricardo Group's is subject and no significant decline in the state of their benefit plans; and other factors discussed or referred to in the "Risk Factors" section of WSP Global's Management's Discussion and Analysis for the fourth quarter and year ended 31 December 2024, and WSP Global's Management's Discussion and Analysis for the three-month period ended 29 March 2025, which are available on WSP Global's website at www.wsp.com and under WSP Global's profile on SEDAR+ at www.sedarplus.ca. If any one or more of these risks or uncertainties materialises or if any one or more of the assumptions prove incorrect, actual results may differ materially from those expected, estimated or projected. Accordingly, WSP Global, WSP UK and Ricardo can give no assurance that such expectations, estimations or projections will prove to be correct and such forward-looking statements should therefore be construed in the light of such factors. WSP Global, WSP UK and Ricardo caution that the foregoing list of risk factors is not exhaustive. Neither Ricardo nor any of WSP Global or WSP UK or any member of the Wider WSP Group or the Wider Ricardo Group, nor any of their respective associates or directors, officers or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this announcement shall actually occur or that actual results will be consistent with forward-looking statements. Given these risks and uncertainties, readers should not place any reliance on forward-looking statements.

Specifically, statements of estimated cost savings and synergies relate to future actions and circumstances which, by their nature, involve risks, uncertainties and contingencies. As a result, the cost savings and synergies referred to may not be achieved, may be achieved later or sooner than estimated, or those achieved could be materially different from those estimated. Due to the scale of the Enlarged Group, there may be additional changes to the Enlarged Group's operations. As a result, and given the fact that the changes relate to the future, the resulting cost synergies may be materially greater or less than those estimated.

Additionally, to the extent any forward-looking statement in this announcement or the Scheme Document constitutes financial outlook, within the meaning of applicable Canadian securities laws, such information is intended to provide investors with information regarding WSP Global, WSP UK and/or Ricardo, including their assessment of future financial plans, and may not be appropriate for other purposes. Financial outlook (including assumptions about future events, including economic conditions and proposed courses of action, based on assessments of the relevant information currently available), as with forward-looking statements generally, is based on current estimates, expectations and assumptions and is subject to inherent risks and uncertainties and other factors.

The forward-looking statements speak only at the date of this announcement. All subsequent oral or written forward-looking statements attributable to any member of the Wider WSP Group or Wider Ricardo Group, or any of their respective associates, directors, officers, employees or advisers, are expressly qualified in their entirety by the cautionary statement above.

WSP Global, WSP UK and Ricardo expressly disclaim any obligation to update such statements other than as

required by law or by the rules of any competent regulatory authority, whether as a result of new information, future events or otherwise.
