FOR IMMEDIATE RELEASE

14 October 2025

PETERSHILL PARTNERS PLC
(“Petershill Partners” or the “Company”)

Disclosure under Rule 2.10(c) of the Takeover Code in respect of the proposed US 921 million return of capital involving a cancellation of Ordinary Shares in the Company (to be implemented by means of a scheme of arrangement under Part 26 of the Companies Act 2006) and cancellation of the admission of the Company's Ordinary Shares to the Official List and to trading on the London Stock Exchange's main market for listed securities

Update on letter of intent given by Aberdeen Equity Income Trust plc

On 25 September 2025, the board of directors of the Company announced that, having evaluated the Company's strategic options, it proposed to:

- implement a return of capital involving a cancellation of shares in the Company by means of a UK Court-sanctioned scheme of arrangement under Part 26 of the Companies Act (the “**Scheme**”) (the “**Capital Return**”); and
- request the cancellation of (a) the listing of the Ordinary Shares on the closed-ended investment funds category of the Official List (the “**Official List Cancellation**”), and (b) the admission to, and trading of, the Ordinary Shares on the London Stock Exchange's main market for listed securities (the “**LSE Cancellation**” and, together with the Official List Cancellation, the “**Delisting**”),

(the Capital Return and the Delisting together, the “**Proposal**”).

Capitalised terms used in this announcement, unless otherwise defined, shall have the meanings given to them in the scheme circular published on 7 October 2025 in relation to the Proposal (the “**Scheme Circular**”).

The full terms and conditions of the Capital Return and the Delisting are set out in the Scheme Circular.

As set out in the Scheme Circular, the Company received a non-binding letter of intent from Aberdeen Equity Income Trust plc (“**Aberdeen**”) to vote (or procure votes) in favour of the Proposal at any court meeting, general meeting or class meeting in connection with the Proposal to enable the Proposal to become effective in respect of 2,452,021 Ordinary Shares, representing approximately 0.23 per cent. of the Company's issued share capital and 1.10 per cent. of the Ordinary Shares held by the Free Float Shareholders on the Latest Practicable Date.

The Company hereby announces that it was informed by Aberdeen on 13 October 2025 that Aberdeen disposed of 1,329,851 Ordinary Shares on 13 October 2025. As a result, with effect from 13 October 2025, the letter of intent has ceased to apply in respect of the Ordinary Shares disposed of by Aberdeen.

Following this disposal of Ordinary Shares and Aberdeen's disposal of 1,122,170 Ordinary Shares announced on 6 October 2025, the letter of intent from Aberdeen now no longer applies in respect of any Ordinary Shares.

Therefore, the Company has received irrevocable undertakings to vote in favour of the Proposal at any court meeting, general meeting or class meeting in connection with the Proposal in respect of a total of 16,021,577 Ordinary Shares held by the Free Float Shareholders representing, in aggregate, approximately 1.48 per cent. of the Company's issued share capital and 7.22 per cent. of the Ordinary Shares held by the Free Float Shareholders as at the date of this announcement.

Overseas Shareholders

The release, publication or distribution of this announcement in or into or from jurisdictions other than the United Kingdom or the United States may be restricted by law and therefore any persons who are subject to the law of any jurisdiction other than the United Kingdom or the United States should inform themselves about, and observe, any applicable legal or regulatory requirements. In particular, the ability of Free Float Shareholders who are not resident in the United Kingdom or the United States to vote their Ordinary Shares with respect to the Scheme at the Court Meeting, or to appoint another person as proxy to vote at the Court Meeting on their behalf, may be affected by the laws of the relevant jurisdictions in which they are located. Any failure to comply with the applicable restrictions may constitute a violation of the securities laws of any such jurisdiction. To the fullest extent permitted by applicable law, the companies and persons involved in the Proposal disclaim any responsibility or liability for the violation of such restrictions by any person. This announcement has been prepared for the purposes of complying with English law, the UK Listing Rules and the Takeover Code and the information disclosed may not be the same as that which would have been disclosed if this announcement had been prepared in accordance with the laws of jurisdictions outside of England.

Unless otherwise determined by the Company or required by the UK Listing Rules or the Takeover Code, and permitted by applicable law and regulation, the Proposal will not be made available, directly or indirectly, in, into or from a Restricted Jurisdiction or any other jurisdiction where to do so would violate the laws of that jurisdiction and no person may vote in favour of the Proposal by any use, means, instrumentality or form within a Restricted Jurisdiction or any other jurisdiction if to do so would constitute a violation of the laws of that jurisdiction. Accordingly, copies of this announcement will not be and must not be, mailed or otherwise forwarded, distributed or sent in, into or from any Restricted Jurisdiction or any jurisdiction where to do so would violate the laws of that jurisdiction and persons receiving such announcement (including custodians, nominees and trustees) must not mail or otherwise forward, distribute or send them in or into or from any Restricted Jurisdiction.

Further details in relation to Overseas Shareholders will be contained in the Scheme Circular.

Additional information for US investors

The Proposal involves (a) the reduction of the issued share capital of an English company by cancelling shares and paying a cash amount to the holders of such shares in proportion to the number of those shares cancelled, by means of a scheme of arrangement provided for under English law, and (b) the cancellation of the admission of the shares of an English company to the closed-ended investment funds category of the Official List and the admission to, and trading of, such shares on the London Stock Exchange's main market for listed securities. A transaction of this type which is being effected by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the US Exchange Act. Accordingly, the Scheme, the Reduction of Capital and the Delisting will be subject to disclosure requirements and practices applicable in the UK to delistings, schemes of arrangement and reductions of capital, which are different from the disclosure requirements of the US tender offer rules and the US proxy solicitation rules. The financial information included in this announcement has been or will have been prepared in accordance with International Financial Reporting Standards and thus may not be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the US.

The receipt of the Cash Amount pursuant to the Scheme by a US Shareholder will likely be a taxable transaction for US federal income tax purposes and under applicable US state and local, as well as foreign and other, tax laws. Each Free Float Shareholder is urged to consult their independent professional adviser immediately regarding the tax consequences of the Proposal applicable to them.

It may be difficult for US Shareholders to enforce their rights and claims arising out of the US federal securities laws, since certain of the Private Funds and the Company are located in countries other than the US, and some or all of the officers and directors of the Company may be residents of countries other than the US. US Shareholders may not be able to sue a non-US company or its officers or directors in a non-US court for violations of US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgement.

Forward-looking statements

This announcement (including information incorporated by reference in this announcement), oral statements made regarding the Proposal, and other information published by the GSAM Investment Managers and the Company contain statements which are, or may be deemed to be, "forward-looking statements". Forward-looking statements are prospective in nature and are not based on historical facts, but rather on current expectations and projections about future events, and are therefore subject to risks and uncertainties which could cause actual results to differ materially from the future results expressed or implied by the forward-looking statements. The forward-looking statements contained in this announcement include statements relating to the expected effects of the Proposal on the Private Funds and the Company, the expected timing and scope of the Proposal and other statements other than historical facts. Often, but not always, forward-looking statements can be identified by the use of forward-looking words such as "plans", "expects" or "does not expect", "is expected", "is subject to", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or statements that certain actions, events or results "may", "could", "should", "would", "might" or "will" be taken, occur or be achieved.

Although the GSAM Investment Managers and the Company believe that the expectations reflected in such forward-looking statements are reasonable, the GSAM Investment Managers and the Company can give no assurance that

forward-looking statements are reasonable, the GSAM Investment Managers and the Company can give no assurance that such expectations will prove to be correct. By their nature, forward-looking statements involve risk and uncertainty because they relate to events and depend on circumstances that will occur in the future. There are a number of factors that could cause actual results and developments to differ materially from those expressed or implied by such forward-looking statements. These factors include the satisfaction of the Conditions, as well as additional inherent business and economic risk factors including, but not limited to: local and global political and economic conditions; industry-specific events related to fundraising and investing activity; foreign exchange rate fluctuations and interest rate fluctuations (including those from any potential credit rating decline); legal or regulatory developments and changes; the outcome of any litigation; the impact of any acquisitions or similar transactions; success of business initiatives; and changes in the level of capital investment. Other unknown or unpredictable factors could cause actual results to differ materially from those in the forward-looking statements. Such forward-looking statements should therefore be construed in the light of such factors. Neither the GSAM Investment Managers nor the Company, nor any of their respective associates or directors, officers or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this announcement will actually occur. You are cautioned not to place undue reliance on these forward-looking statements. Other than in accordance with their legal or regulatory obligations (including under the UK Listing Rules and the Disclosure Guidance and Transparency Rules), neither the GSAM Investment Managers nor the Company is under any obligation, and the GSAM Investment Managers and the Company expressly disclaim any intention or obligation, to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

Disclosure requirements of the Takeover Code

The Private Funds will not acquire any Ordinary Shares pursuant to the Proposal. However, as the Proposal, if implemented, would result in the Private Funds consolidating their control and holding 100 per cent. of the Ordinary Shares in issue, the Company and the Panel have agreed that the Takeover Code applies to the Proposal.

Under Rule 8.3(a) of the Takeover Code, any person who is interested in 1.0 per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company, and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 p.m. (London Time) on the 10th Business Day following the commencement of the offer period and, if appropriate, by no later than 3.30 p.m. (London Time) on the 10th Business Day following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a dealing disclosure.

Under Rule 8.3(b) of the Takeover Code, any person who is, or becomes, interested in 1.0 per cent. or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a dealing disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A dealing disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company, and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8. A dealing disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 p.m. (London Time) on the Business Day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and dealing disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and dealing disclosures must be made can be found in the Disclosure Table on the Takeover Panel's website at www.thetakeoverpanel.org.uk, including details of the number of relevant securities in issue when the offer period commenced and when any offeror was first identified. You should contact the Panel's Market Surveillance Unit on +44 (0)20 7638 0129 if you are in any doubt as to whether you are required to make an Opening Position Disclosure or a dealing disclosure.
