About Fadel Partners Inc.

FADEL is a developer of AI-driven cloud-based brand compliance and rights and royalty management software, working with some of the world's leading licensors and licensees across media, entertainment, publishing, consumer brands and hi-tech/gaming companies. The Group combines the power of rights management and content compliance with sophisticated content services, AI-powered visual search and image and video recognition.

FADEL has two main solutions being IPM Suite (for rights and royalty management for publishing and licensing) and Brand Vision (an integrated platform for Brand Compliance & Monitoring that includes Digital Asset Management, Digital Rights Management, AI-Powered Content Tracking, and a Content Aggregation platform).

The Group's main country of operation is the United States, where it is headquartered in New York, with further operations in the UK, France, Lebanon, Jordan and India.

For more information, please visit the Group's website at: www.fadel.com.
