**About**

Big Technologies is a market leader in the remote personal monitoring industry, operating under the trusted 'Buddi' brand. The Company delivers innovative, high-quality solutions that combine advanced hardware and software to support the monitoring of individuals in both the criminal justice and remote care sectors.

Through its integrated technology platform, Big Technologies offers state-of-the-art Electronic Monitoring solutions on a subscription-based, SaaS-like model. This platform is highly flexible and scalable, enabling tailored deployments across diverse use cases and geographies.

The Company's core technologies are designed to meet the evolving needs of governments, agencies, and care providers, ensuring safety, compliance, and peace of mind through reliable, real-time monitoring.
