Notes to editors:

Software Circle plc (AIM: SFT) has a mission: to be a leading serial acquirer and operator of Vertical Market Software businesses in the UK and Ireland - a permanent home for software leaders, teams, and customers. These are mission-critical systems, deeply embedded in the day-to-day workflows of users.

We help founders find the right exit strategy, acquiring businesses at appropriate valuations, supporting their organic growth over time, and reinvesting the free cash flow they generate into further value-accretive opportunities. We are building a group that gives shareholders diversified exposure to these software businesses, with discipline, alignment, and operational know-how.

Software Circle continues operations in an independent, decentralised way, and maintains the entrepreneurial spirit and culture that exists in the businesses acquired, enabling organic growth to be driven. Our goal is to create an environment where motivated teams can do their best work for the benefit of the most important stakeholder: the end customer.
