such authority shall expire on the earlier of the conclusion of the annual general meeting of the Company to be held in 2026 or the date 18 months after the date on which this resolution is passed (unless previously renewed, revoked or varied by the Company by ordinary resolution) save that the Company may make contracts to acquire Ordinary Shares under this authority before its expiry which will or may be executed wholly or partly after its expiration and the Company may make an acquisition of Ordinary Shares pursuant to such a contract.

Ordinary Resolution 12

To, in substitution for all existing authorities, authorise the directors of the Company in accordance with Article 4 of the Articles, generally and unconditionally to issue and allot shares of each class in the Company, provided that the maximum number of shares authorised to be issued shall not exceed 10 per cent. of the total number of shares in issue in the Company at the date of the passing of this ordinary resolution, which authority shall expire at the earlier of the conclusion of the annual general meeting of the Company to be held in 2026 or the date 15 months after the date on which this resolution is passed (unless previously renewed, revoked or varied by the Company in general meeting) save that the Company may before such expiry make offers or agreements which would or might require shares to be allotted and issued after such expiry and the Directors may allot and issue shares in pursuance of such offers or agreements as if the authority conferred hereby had not expired.

Ordinary Resolution 13

To, conditional on ordinary resolution 12 above having been passed, in substitution for all existing authorities (but in addition to and without prejudice to the power granted by ordinary resolution 13 above), authorise the directors of the Company in accordance with Article 4 of the Articles, generally and unconditionally to issue and allot shares of each class in the Company, provided that the maximum

number of shares authorised to be issued shall not exceed 10 per cent. of the total number of shares in issue in the Company at the date of the passing of this ordinary resolution, which authority shall expire at the earlier of the conclusion of the annual general meeting of the Company to be held in 2026 or the date 15 months after the date on which this resolution is passed (unless previously renewed, revoked or varied by the Company in general meeting) save that the Company may before such expiry make offers or agreements which would or might require shares to be allotted and issued after such expiry and the Directors may allot and issue shares in pursuance of such offers or agreements as if the authority conferred hereby had not expired.

Extraordinary Resolution 14

That, in substitution of all existing powers (but in addition to any power conferred on them by ordinary resolutions 12 and 13 above), the Directors be and are authorised generally and unconditionally in accordance with Article 6.7 of the Articles to exercise all powers of the Company to issue equity securities (as defined in Article 6.1.1(a)) for cash as if the members' pre-emption rights contained in Article 6.2 of the Articles did not apply to any such issue pursuant to the general authority conferred on them by the ordinary resolutions 10 and 11 above (as varied from time to time by the Company in general meeting):

- a. pursuant to an offer of equity securities open for acceptance for a period fixed by the Directors where the equity securities respectively attributable to the interests of holders of Ordinary Shares are proportionate (as nearly as may be) to the respective numbers of Ordinary Shares held by them but subject to such exclusions or other arrangements in connection with the issue as the Directors may consider necessary, appropriate or expedient to deal with equity securities representing fractional entitlements or to deal with legal or practical problems arising in any overseas territory, the requirements of any regulatory body or stock exchange, or any other matter whatsoever; and
- b. provided that (otherwise than pursuant to sub-paragraph (a) above) this power shall be limited to the allotment of equity securities up to an aggregate nominal value equal to 10 per cent. of the total number of shares in issue in the Company at the date of the passing of this extraordinary resolution, and provided further that (i) the number of equity securities to which this power applies shall be reduced from time to time by the number of treasury shares which are sold pursuant to any power conferred on the Directors by ordinary resolution 11 above and (ii) no issue of equity securities shall be made under this power which would result in Ordinary Shares being issued at a price which is less than the net asset value per Ordinary Share as at the latest practicable date before such allotment of equity securities as determined by the Directors in their reasonable discretion, and such power hereby conferred shall expire on whichever is the earlier of: (i) the conclusion of the annual general meeting of the Company to be held in 2025; or (ii) the date 15 months after the date on which this extraordinary resolution is passed (unless renewed, varied or revoked by the Company prior to that date) save that the Company may, before such expiry, make offers or agreements which would or might require equity securities to be issued after such expiry and the Directors may issue equity securities in pursuance to such offers or agreements as if the authority conferred hereby had not expired.

- a. pursuant to an offer of equity securities open for acceptance for a period fixed by the Directors where the equity securities respectively attributable to the interests of holders of Ordinary Shares are proportionate (as nearly as may be) to the respective numbers of Ordinary Shares held by them but subject to such exclusions or other arrangements in connection with the issue as the Directors may consider necessary, appropriate or expedient to deal with equity securities representing fractional entitlements or to deal with legal or practical problems arising in any overseas territory, the requirements of any regulatory body or stock exchange, or any other matter whatsoever; and
- b. provided that (otherwise than pursuant to sub-paragraph (a) above) this power shall be limited to the allotment of equity securities up to an aggregate nominal value equal to 10 per cent. of the total number of shares in issue in the Company at the date of the passing of this extraordinary resolution, and provided further that no issue of equity securities shall be made under this power which would result in Ordinary Shares being issued at a price which is less than the net asset value per Ordinary Share as at the latest practicable date before such allotment of equity securities as determined by the Directors in their reasonable discretion, and such power hereby conferred shall expire on whichever is the earlier of: (i) the conclusion of the annual general meeting of the Company to be held in 2026; or (ii) the date 15 months after the date on which this extraordinary resolution is passed (unless renewed, varied or revoked by the Company prior to that date) save that the Company may, before such expiry, make offers or agreements which would or might require equity securities to be issued after such expiry and the Directors may issue equity securities in pursuance to such offers or agreements as if the authority conferred hereby had not expired.
