

23 October 2025

The following correction is being made to the total voting rights figure included in the "£500,000 Fully Subscribed Retail Offer to Advance US Helium Projects" announcement released on 22 October 2025 at 7.01 a.m. under RNS Number : 2952E. The RNS should have stated that " Following the issue of the Retail Offer Shares, the Company's total voting rights will comprise 32,614,854,994 ordinary shares of no par value, and the Company does not hold any shares in treasury." All other details remain unchanged. The full amended text is shown below.

£500,000 Fully Subscribed Retail Offer to Advance US Helium Projects

Mosman Oil and Gas Limited (AIM: MSMN), advancing helium, hydrogen and hydrocarbon projects in the USA, is pleased to announce that, further to its announcement of 17 October 2025, the Company has successfully raised £500,000 (before expenses) through a fully subscribed Retail Offer of 2,222,222,222 new ordinary shares of no par value each ("Retail Offer Shares") at an issue price of 0.0225p per share (the "Issue Price").

The Retail Offer, conducted via CMC CapX, provided eligible retail shareholders with the opportunity to participate on the same terms as the institutional placing announced on 17 October 2025.

Together with the £1.67 million placing, Mosman has now raised a total of £2.17 million (before expenses).

Carl Dumbrell, Executive Chairman of Mosman Oil and Gas, commented: *"We are delighted with the strong response from our retail shareholders, whose continued support and confidence in Mosman's plans has resulted in a fully subscribed offer. Alongside the recent £1.67 million placing, this brings total funds raised to £2.17 million, leaving Mosman well financed to advance our world-class helium portfolio in Colorado. We now look to a period of significant news flow including the forthcoming 3D seismic and extended well test programmes at Sagebrush, as well as continued development activity at Coyote Wash. With strong cash backing and two high-quality helium assets, Mosman is in a great position to deliver meaningful development milestones through the coming months."*

Admission to AIM and Total Voting Rights

The Retail Offer is conditional, inter alia, upon the Retail Offer Shares being admitted to trading on AIM. Application has been made to the London Stock Exchange for the Retail Offer Shares, which will rank pari passu with the Company's existing issued ordinary shares, to be admitted to trading on AIM, with dealings expected to commence at 8:00 a.m. on 27 October 2025.

Following the issue of the Retail Offer Shares, the Company's total voting rights will comprise 32,614,854,994 ordinary shares of no par value, and the Company does not hold any shares in treasury. The above figure may be used by shareholders as the denominator for calculating notifiable interests in the Company.

Notes to editors

Mosman (AIM: MSMN) is a helium, hydrogen and hydrocarbon exploration, development, and production company with projects in the US and Australia. Mosman's strategic objectives remain consistent: to identify opportunities which will provide operating cash flow and have development upside, in conjunction with progressing exploration. The Company has several projects in the US, in addition to royalty interests in Australia.

Proposed Change of Name and Ticker

At the forthcoming Annual General Meeting on 10 November 2025, shareholders will be asked to approve the proposed change of the Company's name to Quantum Helium Limited, with a proposed new AIM ticker QHE. The change, once approved and registered with the Australian Securities and Investments Commission (ASIC), will reflect Mosman's strategic focus on helium exploration and development. A further announcement will be made regarding the timetable for the proposed change in due course.
