("Hargreaves", the "Company" or the "Group")

**Confirmation of Capital Markets Day**

Hargreaves Services plc (AIM: HSP), a diversified group delivering services to the environmental, infrastructure and property sectors, confirms it will host a Capital Markets Days for analysts and institutional investors at 10.30 a.m. -12.30 p.m. GMT on Wednesday 26 November 2025 in the City of London.

The presentation, which will be introduced by Roger McDowell, Chair, will focus on the Services and HRMS divisions. Simon Hicks, Chief Operating Officer, will present an overview of the Services model, detailing its target markets of Connectivity, Clean Energy and Environmental Support and the key opportunities ahead for this division. He will be joined by Niall Fraser, MD of Blackwell Earthmoving, and Sean Hager, MD of Hargreaves Industrial Services who will provide further insight into some of the specific projects currently underway. Finally, CEO Gordon Banham, will provide a deep dive into the operations at the steel waste recycling facility at DK Recycling in Duisburg, Germany, as well as the upcoming changes to the steel waste market as Europe moves towards green steel and the opportunities this can create for the business.

The morning will also provide an opportunity to network with members of the wider Hargreaves Senior Management team, in addition to the Board, with an open forum for questions.

Existing and prospective retail investors are welcome to join via a live webcast. The facility to submit questions will also be available on this platform.

**About Hargreaves Services plc (<https://www.hsgplc.co.uk/>)**

Hargreaves Services plc is a diversified group delivering services to the environmental, industrial and property sectors, supporting key industries within the UK and South East Asia. The Company's three business segments are Services, Hargreaves Land and an investment in a German joint venture, Hargreaves Raw Materials Services GmbH ("HRMS"). Services provides critical support to many core industries including Energy, Environmental, UK Infrastructure and certain manufacturing industries through the provision of materials handling, mechanical and electrical contracting services, logistics and major earthworks. Hargreaves Land is focused on the sustainable development of brownfield sites for both residential and commercial purposes. HRMS trades in specialist commodity markets and owns DK Recycling, a specialist recycler of steel waste material. Hargreaves is headquartered in County Durham and has operational centres across the UK, as well as in Hong Kong and a joint venture in Duisburg, Germany.
