#### Operational Highlights:

During the month, Wizz Air continued to refocus its network towards its core CEE markets:

- **Yerevan, Armenia:** Officially opened its new base at Zvartnots Airport on October 1st. Two Airbus A321neo aircraft will be stationed there, with a plan to carry over 1.2 million passengers to/from the airport this year.
- **Podgorica, Montenegro:** Announced on October 14th that it will open its 36th base. Two A321neos will operate from the airport, with scheduled capacity expected to reach circa 1.4 million seats a year, making Wizz Air the country's largest carrier.

## About Wizz Air

Wizz Air operates a fleet of 250 Airbus A320 and A321 aircraft as of 3 November 2025. A team of dedicated aviation professionals delivers superior service and very low fares, making Wizz Air the preferred choice of 63.4 million passengers in FY2025. Wizz Air is listed on the London Stock Exchange under the ticker WIZZ. The company was named one of the world's top ten safest airlines by [airlineratings.com](http://airlineratings.com), the world's only safety and product rating agency, and named Airline of the Year by Air Transport Awards in 2019 and in 2023. Wizz Air has also been recognized as the "Most Sustainable Low-Cost Airline" between 2021-2025 by World Finance Sustainability Awards. Wizz Air also received "EMEA's Environmental Sustainability Airline Group of the Year" by the CAPA-Centre for Aviation Awards for Excellence 2024. Most recently, it was awarded Sustainable Airline of the Year 2025 at the Airline Economics Sustainability Awards Gala in September 2025.
