NOTES

Seed Innovations Ltd

SEED Innovations Ltd (SEED.L) is an AIM-quoted investment company focused on providing access to high-growth robotics and AI ventures typically beyond the reach of everyday investors. The Company also oversees a legacy portfolio in wellness and life sciences, with a medium-term strategy to unlock its full value. Back by an experienced team and strong cash reserves, the Company remains agile and well-positioned to capitalise on new investment opportunities as they arise.

About Reach announcements

This is a Reach announcement. Reach is an investor communication service aimed at assisting listed and unlisted (including AIM quoted) companies to distribute media only / non-regulatory news releases into the public domain. Information required to be notified under the AIM Rules for Companies. Market Abuse Regulation or other regulation

information required to be notified under the Financial Services and Markets Act 2000 (Regulation of Financial Markets) Regulations 2001, would be disseminated as an RNS regulatory announcement and not on Reach.

This information is provided by Reach, the non-regulatory press release distribution service of RNS, part of the London Stock Exchange. Terms and conditions relating to the use and distribution of this information may apply. For further information, please contact ms@lseg.com or visit www.ms.com.

RNS may use your IP address to confirm compliance with the terms and conditions, to analyse how you engage with the information contained in this communication, and to share such analysis on an anonymised basis with others as part of our commercial services. For further information about how RNS and the London Stock Exchange use the personal data you provide us, please see our [Privacy Policy](#).
