**About Nativo Resources plc**

Nativo has interests in gold projects in Peru. The Company's strategy is based on three core activities: primary gold mining, gold ore processing, and the recovery of gold from tailings. The Company has already acquired or optioned several projects for development and has identified additional opportunities for expansion. Nativo's nearest-term objective is to scale operations on the Tesoro Gold Concession, focusing on the Bonanza and Morrocota mines. Nativo intends to allocate portions of free cash flow from mining and processing activities and future fundraises to Bitcoin purchases, and to hold Bitcoin as a long-term treasury reserve asset.
