Spectra Systems Corporation

("Spectra" or the "Company")

Maintenance contract for new sensors

Spectra Systems Corporation, a leader in machine-readable high speed banknote authentication, security printing, brand protection technologies and gaming security software, is pleased to announce that it has executed a five-year service agreement with a customer for the maintenance of existing sensors as well as the new generation sensors which are replacing them. The service revenue for the combined suite of sensors depends on the customer deployment schedule and is approximately 6.7M from 2026-2030. This contract has been executed on the back of the authorization for a payment of 5.69M for the first production tranche of new sensors as part of the sensor manufacturing contract announced on 16 July 2024.

Dr. Nabil Lawandy, CEO of Spectra Systems, stated: "We are delighted to be part of this important new initiative by our customer and to be trusted with the responsibility of maintaining and servicing the suite of current operating sensors as well as new ones as they are deployed"

The person responsible for arranging the release of this announcement on behalf of the Company is Dr. Nabil Lawandy, Chief Executive Officer of the Company.
