RECOMMENDED ACQUISITION

OF

W.H. IRELAND GROUP PLC ("WH IRELAND")

BY

TEAM PLC ("TEAM")

**to be implemented by means of a scheme of arrangement
pursuant to Part 26 of the Companies Act 2006**

Summary of the Acquisition

- The boards of Team and WH Ireland are pleased to announce that they have reached agreement on the terms and conditions of a recommended acquisition of WH Ireland by Team to create a diversified, well-governed wealth and asset-management group with regulated operations in Jersey, the UK and selected international markets. Headquartered in Jersey, the Enlarged Group will serve private, intermediary, and institutional clients through discretionary investment management, financial planning and advisory services.
- The Enlarged Group will benefit from broader client reach, complementary regulatory permissions, and greater operational efficiency, providing a stable, independent alternative to larger consolidators in the UK and international wealth management ("WM") sector.
- Under the terms of the Acquisition, each WH Ireland Shareholder will be entitled to receive:
 - for each WH Ireland Share : 0.195 New Team Shares**
- Upon completion of the Acquisition, WH Ireland Shareholders will hold approximately 43.5 per cent. and Team Shareholders will hold approximately 56.5 per cent. of the Enlarged Share Capital.
- Based on the Exchange Ratio and the Closing Price of 27.5 pence per Team Share on the Latest Practicable Date, the Acquisition values each WH Ireland Share at approximately 5.4 pence, and WH Ireland's entire issued share capital at approximately £12.7 million.
- Based on the Exchange Ratio and the Closing Price of 27.5 pence per Team Share on the Latest Practicable Date, the Acquisition price represents a premium of approximately:
 - o 257.5 per cent. to the undisturbed Closing Price of 1.5 pence per WH Ireland Share on 12 November 2025 (being the day of the commencement of the Offer Period);
 - o 406.6 per cent. to the volume-weighted average price of approximately 1.1 pence per WH Ireland Share for the 60-day trading period ended 12 November 2025 (being the day of the commencement of the Offer Period); and
 - o 405.9 per cent. to the volume-weighted average price of approximately 1.1 pence per WH Ireland Share for the 90-day trading period ended 12 November 2025 (being the day of the commencement of the Offer Period).

- Team's market capitalisation as at the Latest Practicable Date was approximately £17.1 million. Consequently, the Enlarged Group would have a market capitalisation of approximately £30.3 million if the Acquisition had been completed as at the Latest Practicable Date.
- The Acquisition is to be implemented by means of a Court-sanctioned scheme of arrangement pursuant to Part 26 of the Act.
- Team has received an irrevocable undertaking from each of Phillip Wale and John Cusins (as the WH Ireland Directors who hold WH Ireland Shares) (the "**WH Ireland Shareholder Directors**") to vote (or procure the vote) in favour of the Scheme at the Court Meeting and the Special Resolution to be proposed at the WH Ireland General Meeting in respect of their beneficial interests in WH Ireland Shares and, in respect of Phillip Wale only, any beneficial interests he may acquire following the exercise of his options under the WH Ireland Share Schemes or otherwise amounting to, in aggregate, 4,104,600 WH Ireland Shares and representing, in aggregate, approximately 1.74 per cent. of the entire existing issued share capital of WH Ireland as at the Latest Practicable Date.
- The Acquisition is further supported by WH Ireland Shareholders who have irrevocably undertaken to vote, or procure the vote, in favour of the Scheme at the Court Meeting and the Special Resolution to be proposed at the WH Ireland General Meeting, in connection with the implementation of the Acquisition, in respect of, in aggregate, 140,109,552 WH Ireland Shares, representing approximately 59.37 per cent. of the entire issued share capital of WH Ireland as at the Latest Practicable Date.
- The Acquisition is, therefore, supported by WH Ireland Shareholders (under irrevocable undertakings) interested, in aggregate, in 144,214,152 WH Ireland Shares, representing approximately 61.11 per cent. of the entire issued share capital of WH Ireland as at the Latest Practicable Date.
- The successful implementation of the Acquisition also requires the passing of a vote by Team Shareholders. The Team Directors who are interested in Team Shares have also given irrevocable undertakings to vote, or procure the vote, in favour of the Team Resolution to be proposed at the Team EGM in respect of, in aggregate, 5,046,584 Team Shares, representing approximately 8.12 per cent. of the entire issued share capital of Team as at the Latest Practicable Date.
- The Acquisition is further supported by Team Shareholders (other than the Team Directors referenced above) who have irrevocably undertaken to vote, or procure the vote, in favour of the Team Resolution to be proposed at the Team EGM in respect of, in aggregate, 18,278,059 Team Shares, representing approximately 29.41 per cent. of the entire issued share capital of Team as at the Latest Practicable Date.
- In aggregate, therefore, Team Shareholders interested in 23,324,643 Team Shares, representing approximately 37.54 per cent. of the entire issued share capital of Team as at the Latest Practicable Date, have committed to vote (or procure the vote) in favour of the Team Resolution to be proposed at the Team EGM.
- Team reserves the right to increase the financial terms of the Acquisition if there is an announcement on or after the date of this Announcement of an offer or possible offer for WH Ireland by a third-party offeror or potential offeror.

Recommendations

Recommendation of the WH Ireland Directors

The WH Ireland Directors, who have been so advised by Shore Capital as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable. In providing its advice, Shore Capital has taken into account the commercial assessments of the WH Ireland Directors. Shore Capital is providing independent advice to the WH Ireland Directors for the purposes of Rule 3 of the Takeover Code.

Accordingly, the WH Ireland Directors intend unanimously to recommend that WH Ireland Shareholders vote (or procure the vote) in favour of the Scheme at the Court Meeting and the Special Resolution to be proposed at the WH Ireland General Meeting, as each of the WH Ireland Shareholder Directors has irrevocably undertaken to do (or procure to be done) in respect of their own interests in WH Ireland Shares (and those of their connected persons) amounting to, in aggregate, 4,104,600 WH Ireland Shares, representing, in aggregate, approximately 1.74 per cent. of the entire issued share capital of WH Ireland as at the Latest Practicable Date.

Recommendation of the Team Directors

The Team Directors consider the Acquisition to be in the best interests of Team and the Team Shareholders as a whole and intend unanimously to recommend that Team Shareholders vote (or procure the vote) in favour of the Team Resolution to be proposed at the Team EGM, as each of the Team Directors

has irrevocably undertaken to do (or procure to be done) in respect of their own interests in Team Shares (and those of their connected persons) amounting to, in aggregate, 5,046,584 Team Shares, representing approximately 8.12 per cent. of the entire issued share capital of Team as at the Latest Practicable Date.

Timetable and Conditions

It is intended that the Acquisition will be implemented by means of a Court-sanctioned scheme of arrangement pursuant to Part 26 of the Act (although the right to elect, with the consent of the Panel and subject to the terms of the Co-operation Agreement, to implement the Acquisition by way of an Offer is reserved).

It is expected that the Scheme Document, containing further information about the Acquisition and notices of the Court Meeting and the WH Ireland General Meeting, together with the associated Forms of Proxy, will be posted, or otherwise made available, to WH Ireland Shareholders within 28 days of the date of this Announcement (or such later date as Team, WH Ireland and the Panel may agree).

It is expected that the Team Circular will be posted, or otherwise made available, to Team Shareholders at a similar time as the Scheme Document is posted, or otherwise made available, to WH Ireland Shareholders, with the Team EGM intended to be held before the WH Ireland General Meeting and Court Meeting.

To become Effective, the Scheme will also need, amongst other things, to be sanctioned by the Court and, following such sanction, a copy of the Scheme Court Order will need be delivered to the Registrar of Companies for registration. The Scheme will become Effective upon such delivery.

The Acquisition is currently expected to become Effective during the first quarter of 2026, subject to the satisfaction (or, where applicable, waiver) of the Conditions and further terms set out in Appendix I to this Announcement and to the full terms and Conditions which will be set out in the Scheme Document. Further, an expected timetable of key events relating to the Acquisition will be set out in the Scheme Document.

Commenting on the Acquisition, Mark Clubb, Executive Chair of Team, said:

"This transaction isn't about handing over control - it's about elevating it. We are inviting WH Ireland's shareholders to join us not as sellers, but as strategic partners in a stronger, scalable platform. Together, we preserve what has been built, unlock liquidity, and create a future with scale, influence, and real growth. This is about moving from defence to opportunity - and winning as owners."

Commenting on the Acquisition, Simon Moore, Chair of WH Ireland, said:

"We are pleased to have agreed the transaction with Team, which represents an attractive opportunity for our shareholders to participate in a complementary, stronger, and scalable platform. We believe that the all-share proposal represents a better outcome for shareholders and clients than an outright sale of the wealth management division, as had been previously envisaged, and as now evidenced by the strong level of support announced today."

Unless otherwise determined by Team or required by the Takeover Code, and permitted by applicable law and regulation, the New Team Shares to be issued pursuant to the Acquisition to WH Ireland Shareholders will not be made available, directly or indirectly, in, into or from a Restricted Jurisdiction where to do so would violate the laws in that jurisdiction and no person may vote in favour of the Acquisition by any such use, means, instrumentality or form within a Restricted Jurisdiction or any other jurisdiction if to do so would constitute a violation of the laws of that jurisdiction. Notice to US holders of WH Ireland Shares

Neither the United States Securities and Exchange Commission nor any other US federal or state securities commission or regulatory authority has reviewed, approved or disapproved this Announcement, any of the proposals described in this Announcement or the New Team Shares or passed an opinion on the accuracy or the adequacy of this Announcement. Any representation to the contrary is a criminal offence in the United States.

The Acquisition relates to shares of an English company and the issue of shares in a company incorporated in Jersey, and is proposed to be implemented by means of a scheme of arrangement under the laws of England and Wales. A transaction implemented by means of a scheme of arrangement is not subject to the proxy solicitation or tender offer rules under the US Exchange Act. Accordingly, the Scheme is subject to the disclosure requirements, rules and practices applicable in the United Kingdom to schemes of arrangement, which differ from the requirements of the US proxy solicitation and tender offer rules. However, if Team exercises its right with the consent of the Panel (and subject to the terms of the Co-operation Agreement) to implement the Acquisition by means of an Offer, such Offer will be made in compliance with all applicable laws and regulations, including Section 14(e) of the US Exchange Act and Regulation 14E thereunder. Such an Offer would be made in the United States by Team and no one else. In addition to any such Offer, Team, certain affiliated companies and the nominees or brokers (acting as agents) may make certain purchases of, or arrangements to purchase, shares in WH Ireland outside such Offer during the period in which such Offer would remain open for acceptance. If such purchases or arrangements to purchase were to be made they would be made outside of the United States and would comply with applicable law and regulation, including the US Exchange Act. Any information about such purchases will be disclosed as required in the UK, will be reported to a Regulatory Information Service and will be available on the London Stock Exchange website www.londonstockexchange.com.

The New Team Shares have not been, and will not be, registered under the US Securities Act or under the securities laws of any state or other jurisdiction of the United States. Accordingly, the New Team Shares may not be offered, sold, resold, delivered, distributed or otherwise transferred, directly or indirectly, in or into or from the United States absent registration under the US Securities Act or an exemption therefrom. The New Team Shares are expected to be issued in reliance upon the exemption from the registration requirements of the US Securities Act provided by Section 3(a)(10) thereof. WH Ireland Shareholders who will be affiliates of Team after the Effective Date will be subject to certain US transfer restrictions relating to the New Team Shares received pursuant to the Scheme. For the purposes of qualifying for the exemption from the registration requirements of the US Securities Act afforded by Section 3(a)(10), WH Ireland will advise the Court that its sanctioning of the Scheme will be relied upon by Team as an approval of the Scheme following a hearing on its fairness to WH Ireland Shareholders. The receipt of New Team Shares and cash pursuant to the Acquisition by a US WH Ireland Shareholder will be a taxable transaction for US federal income tax purposes, and may also be a taxable transaction under applicable state and local tax laws, as well as foreign and other tax laws. Each WH Ireland Shareholder is urged to consult his independent professional advisor immediately regarding the tax consequences of the Acquisition.

It may be difficult for US WH Ireland Shareholders to enforce their rights and claims arising out of the US federal securities laws, since Team and WH Ireland are located in countries other than the United States, and some or all of their officers and directors may be residents of countries other than the United States. US WH Ireland Shareholders may not be able to sue a non-US company or its officers or directors in a non-US court for violations of the US securities laws. Further, it may be difficult to compel a non-US company and its

or structure in a non-US court for investors of the US securities. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgment.

In accordance with normal UK practice and pursuant to Rule 14e-15(b) of the US Exchange Act, Team, certain affiliated companies and the nominees and brokers (acting as agents) may make certain purchases of, or arrangements to purchase shares in WH Ireland outside of the US, other than pursuant to the Acquisition, until the date on which the Acquisition and/or the Scheme becomes Effective, lapses or is otherwise withdrawn. If such purchases or arrangements to purchase were to be made they would occur either in the open market at prevailing prices or in private transactions at negotiated prices and comply with applicable law and regulation, including the US Exchange Act. Any information about such purchases or arrangements to purchase will be disclosed as required in the United Kingdom, will be reported to a Regulatory Information Service and will be available on the London Stock Exchange website www.londonstockexchange.com.

RECOMMENDED ACQUISITION

OF

W.H. IRELAND GROUP PLC ("WH IRELAND")

BY

TEAM PLC ("TEAM")

**to be implemented by means of a scheme of arrangement
pursuant to Part 26 of the Companies Act 2006**

1. Introduction

On 12 November 2025, the WH Ireland Board announced that it had received an indicative, non-binding

proposal from Team which may or may not lead to an offer being made for WH Ireland.

The Team Board and the WH Ireland Board are pleased to announce that they have reached agreement on the terms and conditions of a recommended acquisition of the entire issued and to be issued share capital of WH Ireland by Team, proposed to be implemented by means of a Court-sanctioned scheme of arrangement between WH Ireland and its shareholders pursuant to Part 26 of the Act.

Team reserves the right to increase the financial terms of the Acquisition if there is an announcement on or after the date of this Announcement of an offer or possible offer for WH Ireland by a third-party offeror or potential offeror.

2. **The Acquisition**

Under the terms of the Acquisition, which will be subject to the Conditions and the further terms set out in Appendix I to this Announcement and the full terms and Conditions to be set out in the Scheme Document, Scheme Shareholders on the register of members of WH Ireland at the Scheme Record Time will be entitled to receive:

for each Scheme Share : 0.195 New Team Shares

Based on the Exchange Ratio and the Closing Price of 27.5 pence per Team Share on the Latest Practicable Date, the Acquisition price represents a premium of approximately:

- o 257.5 per cent. to the undisturbed Closing Price of 1.5 pence per WH Ireland Share on 12 November 2025 (being the day of the commencement of the Offer Period);
- o 406.6 per cent. to the volume-weighted average price of approximately 1.1 pence per WH Ireland Share for the 60-day trading period ended 12 November 2025 (being the day of the commencement of the Offer Period); and
- o 405.9 per cent. to the volume-weighted average price of approximately 1.1 pence per WH Ireland Share for the 90-day trading period ended 12 November 2025 (being the day of the commencement of the Offer Period).

The Acquisition, as at the Latest Practicable Date, values each WH Ireland Share at approximately 5.4 pence and WH Ireland's existing issued share capital at approximately £12.7 million.

If, on or after the date of this Announcement and prior to the Scheme becoming Effective, any dividend and/or other distribution and/or other return of capital is announced, declared or paid in respect of the WH Ireland Shares, Team reserves the right to reduce the offer consideration by an amount up to the amount of such dividend and/or distribution and/or return of capital so announced, declared or paid, in which case any reference in this Announcement or the Scheme Document to the offer consideration for the WH Ireland Shares will be deemed to be a reference to the offer consideration as so reduced. In such circumstances, WH Ireland Shareholders would be entitled to retain any such dividend, distribution and/or other return of capital or value. For the avoidance of doubt, any payments made in cash or by way of the delivery of shares on the vesting of awards calculated by reference to dividends accrued in respect of those underlying vested shares are not to be construed as a dividend, distribution or return of capital for these purposes.

Details of the Conditions and certain further terms of the Acquisition are set out below and in Appendix I to this Announcement.

in aggregate, approximately 60.7 per cent. of the issued share capital of WH Ireland as at the Latest Practicable Date. These irrevocable undertakings also include the relevant WH Ireland Shareholders' commitments to accept the Offer if the Acquisition is structured as an Offer. All of these undertakings cease to be binding if WH Ireland receives a competing offer which is 10 per cent. higher than the value represented by the Acquisition.

Accordingly, Team has received irrevocable undertakings from WH Ireland Shareholders in respect of, in aggregate, 144,214,152 WH Ireland Shares, representing approximately 61.11 per cent. of the entire issued share capital of WH Ireland as at the Latest Practicable Date.

Team Shares

6. Background to and reasons for the Acquisition

Team is underpinned by a strategy that is primarily multi-jurisdictional growth-focused and maintains that this

Team is underpinned by a strategy that is primarily multi-jurisdictional growth focused and maintains that this will be achieved through targeted and opportunistic acquisitions. Team believes that there is a compelling strategic and financial rationale for undertaking the Acquisition, which is expected to deliver several key benefits. Including access to the UK market and the necessary regulatory approvals and licences. This is subject to FCA change in control approval. If it completes, this marquee acquisition would bring together the complementary strengths of the WH Ireland and Team organisations, and regulatory licences and approvals, combining both companies' regional expertise and national presence. Team has great respect for WH Ireland and its management team and believes the shared culture of both organisations would create long-term value for clients, partners, employees and other stakeholders.

More specifically, Team believes that WH Ireland's strong presence across the United Kingdom, with offices in London, Manchester, and Poole, will add immediate scale and critical mass in the Team's UK WM segment, further advancing Team's strategy to build a leading independent platform demonstrating regulatory awareness and sound governance within an AIM-quoted company.

Team believes that WH Ireland's existing product offering complements Team's operations, which will broaden the Enlarged Group's capabilities across discretionary investment management, financial planning, and advisory services. Team believes this combination will enhance Team's ability to serve a wider range of private clients, corporates, fiduciaries such as trust companies and family offices and intermediaries through the addition of WH Ireland's investment experience and WM expertise. Furthermore, the combined platform will benefit from more than £2.1 billion in assets under management and advisory, providing increased scale, operational efficiency, and a stronger foundation for future growth.

WH Ireland is currently a loss-making business. The Directors of Team envisage synergies to be realised across compliance, technology, portfolio management and administration. The Team Directors are also optimistic that with a broader distribution network they will be able to generate incremental revenues. This is expected to improve the financial performance of WH Ireland and the Enlarged Group. Further information is provided in paragraph 9 (*Intentions of Team*).

Lastly, the Acquisition is expected to drive growth towards profitability through greater financial security and be accretive over the medium term as efficiency gains and enhanced cross-selling opportunities are realised.

7. **Background to and reasons for the recommendation**

Strategic Options

Following an aborted private sales process, in July 2023, WH Ireland raised gross proceeds of £5.0 million in a placing to recapitalise its WM and Capital Markets businesses as a result of a low level of transactional activity in the financial markets impacting its Capital Markets division, alongside a reduction in assets under management for its WM division, in part due to weaker market conditions impacting client portfolio size. The combination of the placing and a cost reduction exercise gave WH Ireland an improved chance of returning to a break-even position and securing its future instead of implementing a solvent wind down plan.

Following completion of the placing, market conditions remained challenging, and WH Ireland remained loss making.

Consequently, the WH Ireland Board considered a number of strategic options for the business, commencing a sales process for the group as a whole or for its two respective business divisions in November 2023, which in June 2024, resulted in WH Ireland announcing the sale of its Capital Markets division to Zeus Capital Limited. Thereafter WH Ireland believed that the combination of improving market conditions, the benefits of the cost reduction programme (which might have included the de-listing of the Company) and the sale of the Capital Markets division would, if recent market improvements had continued, enhance the prospects for its WM division. Notwithstanding this the WH Ireland Directors also stated that they would continue to assess strategic opportunities for WH Ireland if, and when, they arose.

Despite subsequently implementing further cost-saving measures, WH Ireland's WM business continued to be loss-making, a number of senior investment managers departed, and it became evident it would require substantial investment to achieve sustainable profitability. However, the WH Ireland Directors believed that a further capital raise to fund such investment would be highly dilutive and difficult to execute in current circumstances. Consequently, it sought a strategic solution to deliver value for WH Ireland shareholders.

WH Ireland then held strategic conversations with a number of potential counterparties about its WM division culminating in the proposed disposal of the business to Oberon Investments Limited ("**Oberon**") in September 2025 via an asset sale agreement (the "**Oberon Transaction**"). This would have provided funding for a cash return to WH Ireland Shareholders while, by reason of their assumption by Oberon as part of the Oberon Transaction, reducing certain material liabilities that would otherwise have remained with WH Ireland in a wind down. Whilst the WH Ireland Board valued the certainty of a cash transaction and the reduction of

employment, property and other contractual wind down liabilities, the Oberon Transaction and proposed delisting of the Company was rejected resoundingly by the WH Ireland Shareholders at a general meeting of WH Ireland Shareholders in October 2025.

Following the general meeting, the WH Ireland Directors sought to consult with certain principal WH Ireland Shareholders to ascertain their views for the future plans of the business and it became clear that certain principal WH Ireland Shareholders would support a transaction at a higher headline valuation and would consider share for share transactions in contrast to a previous focus on cash realisations.

In parallel with this consultation process, WH Ireland received the approach from Team for the Acquisition, which is now being proposed to WH Ireland Shareholders for consideration.

Background to the recommendation

In reaching its unanimous decision to recommend that WH Ireland Shareholders vote in favour of the Scheme to effect the Acquisition, the WH Ireland Board has taken into account the following factors:

- WH Ireland is operating in a marketplace where several of its key competitors are materially larger and better capitalised;
- The potential challenges facing WH Ireland to secure equity funding on appropriate terms to fund an alternative strategy to return WH Ireland to a break-even and subsequently profitable position;
- In arriving at this decision the WH Ireland Board has conducted a thorough review of strategic options over an extended period of time and has held discussions with a number of potential bidders and interested parties. In some cases, these discussions have been prolonged and extensive and have led to advanced negotiations that have not come to fruition;
- WH Ireland has received a number of alternative proposals for the WM business, however, these are at a substantial discount to the value of the Acquisition and are not at a sufficiently advanced stage to pursue at this time. While the consideration in certain of these proposals may have been higher than that offered in the Oberon transaction, the quantum of liabilities that they would leave with the WH Ireland Group was also higher;
- The Acquisition is at a substantial premium of:
 - 257.5 per cent. to the undisturbed closing price of 1.5 pence per WH Ireland share on the 12 November 2025 (being the day of the commencement of the Offer Period);
 - 406.6 per cent. to the volume-weighted average price of approximately 1.1 pence per WH Ireland Share for the 60-day trading period ended 12 November 2025 (being the day of the commencement of the Offer Period); and
 - 405.9 per cent. to the volume-weighted average price of approximately 1.1 pence per WH Ireland Share for the 90-day trading period ended 12 November 2025 (being the day of the commencement of the Offer Period).
- Whilst the Acquisition is an all-share transaction, and, therefore, future value is inherently uncertain, the WH Ireland Board recognises the potential value to WH Ireland Shareholders provided by their interest in the Enlarged Group;
- The WH Ireland Shareholder Directors and certain principal WH Ireland shareholders are supportive of the Acquisition and as detailed have provided Team with irrevocable undertakings to vote, or procure to vote, in favour of the Scheme at the Court Meeting and the Special Resolution at the WH Ireland General Meeting in respect of WH Ireland Shares representing, in aggregate, approximately 61.11 per cent. of the entire issued share capital of WH Ireland;
- In addition, Team Shareholders representing, in aggregate, approximately 37.54 per cent. of the issued share capital of Team have entered into irrevocable undertakings to vote, or procure the vote, in favour of the Team Resolution, thereby increasing deal certainty;
- The WH Ireland Board believes that the sale to Team represents the best strategic option available for WH Ireland, clients and its employees. Team represents an attractive acquirer of WH Ireland taking into account the following factors:
 - The Acquisition provides WH Ireland Shareholders with exposure to Team's broader product suite, regulated infrastructure, and multi-jurisdictional platform, enhancing client service capability and long-term growth potential;
 - Team should be in a position to operate the WH Ireland business more efficiently due to the benefits arising from its larger scale;

WH Ireland Shareholders will be able to retain their exposure to the WH Ireland business through ownership of a larger, AIM quoted wealth and asset management group; and

In reaching their recommendation, the WH Ireland Directors have carefully considered the risks associated with the Acquisition, including execution and integration risks, as well as the risks of pursuing alternative strategies such as the sale of assets, a wind down, a combination of both or continued independence as part of a turnaround strategy.

The Acquisition recommended by the WH Ireland Directors reflects the input of principal WH Ireland Shareholders who value the optionality that the transaction with Team provides over the inherent uncertainty that WH Ireland Shareholders would face with the sale of the assets and a subsequent orderly winddown of the WH Ireland business.

Recommendation

Taking into account all of the factors above, the WH Ireland Directors, who have been so advised by Shore Capital as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable. In providing its advice, Shore Capital has taken into account the commercial assessments of the WH Ireland Directors. Shore Capital is providing independent advice to the WH Ireland Directors for the purposes of Rule 3 of the Takeover Code.

Accordingly, the WH Ireland Directors intend unanimously to recommend that WH Ireland shareholders vote (or procure the vote) in favour of the Scheme at the Court Meeting and the Special Resolution to be proposed at the WH Ireland General Meeting, as each of the WH Ireland Directors who hold WH Ireland Shares has irrevocably undertaken to do (or procure to be done) in respect of their own interests in WH Ireland Shares (and those of their connected persons) amounting to, in aggregate, 4,104,600 WH Ireland Shares, representing, in aggregate, approximately 1.74 per cent. of the entire issued share capital of WH Ireland as at the Latest Practicable Date.

8. Structure of the Acquisition

Scheme

It is intended that the Acquisition will be implemented by means of a Court-sanctioned scheme of arrangement between WH Ireland and the Scheme Shareholders pursuant to Part 26 of the Act. The Scheme is an arrangement between WH Ireland and the Scheme Shareholders. The procedure involves, among other things, an application by WH Ireland to the Court to sanction the Scheme.

The purpose of the Scheme is to enable Team to become the owner of the entire issued and to be issued share capital of WH Ireland. Under the Scheme, the Scheme Shares will be transferred to Team in consideration for which holders of Scheme Shares will receive New Team Shares on the basis set out in paragraph 2 above.

Approval of the Scheme by WH Ireland Shareholders and the sanction of the Court

To become Effective, the Scheme requires, amongst other things:

- o the satisfaction (or, where applicable, waiver (if capable of waiver)) of the Conditions, inter alia, the Control Condition;
- o the approval of a majority in number of the Scheme Shareholders present and voting, either in person or by proxy, at the Court Meeting, or at any adjournment thereof representing 75 per cent. or more in value of the Scheme Shares held by those Scheme Shareholders;
- o the passing of the Special Resolution necessary to approve matters to give effect to the Scheme at the WH Ireland General Meeting, or at any adjournment thereof; and
- o the sanction of the Scheme by the Court and, following such sanction, the delivery of a copy of the Scheme Court Order to the Registrar of Companies.

Conditions to the Scheme and the Acquisition

The Scheme and the Acquisition will be subject to the Conditions and further terms set out in Appendix I to this Announcement and to the full terms and Conditions to be set out in the Scheme Document.

The Conditions provide that the Acquisition shall lapse if:

- o the Court Meeting is not held by the 22nd day after the expected date of the Court Meeting to be set out in the Scheme Document (or such later date as may be agreed between Team and WH Ireland with the consent of the Panel and (if required) the Court may approve);
- o the WH Ireland General Meeting is not held by the 22nd day after the expected date of the WH Ireland

General Meeting to be set out in the Scheme Document (or such later date as may be agreed between Team and WH Ireland with the consent of the Panel and (if required) the Court may approve);

- o the Scheme Court Hearing is not held by the 22nd day after the expected date of the Scheme Court Hearing to be set out in the Scheme Document (or such later date as may be agreed between Team and WH Ireland with the consent of the Panel and (if required) the Court may approve); or
- o the Scheme does not become Effective by 11.59 p.m. on the Long Stop Date.

Approval of Team Shareholders and Admission

In order to allot and issue the New Team Shares, Team will be required to seek the approval of the Team Shareholders at the Team EGM. Team will prepare and send the Team Circular to Team Shareholders, which will include a notice convening the Team EGM.

The Team Shares are admitted to trading on AIM. An application will be made by Team for the New Team Shares to be admitted to trading on AIM. It is expected that Admission will become effective and that trading in the New Team Shares will commence at 8.00 a.m. on the first Business Day following the Effective Date.

The Acquisition is conditional upon, amongst other things, the Team Resolution being passed by the requisite majority of Team Shareholders at the Team EGM and the London Stock Exchange having acknowledged to Team or its agent (and such acknowledgement not having been withdrawn) that the New Team Shares will be admitted to trading on AIM.

It is expected that the Team Circular will be posted, or otherwise made available, to Team Shareholders at the same time as the Scheme Document is posted, or otherwise made available, to WH Ireland Shareholders.

Application to the Court to sanction the Scheme

Following the Court Meeting, the WH Ireland General Meeting and the satisfaction (or, where applicable, waiver) of the other Conditions, the Scheme must also be sanctioned by the Court (with or without modification but with any such modification being acceptable to WH Ireland and Team) at the Scheme Court Hearing.

The Scheme will only become Effective when the Scheme Court Order is delivered to the Registrar of Companies.

If the Scheme becomes Effective: (a) it will be binding on all Scheme Shareholders irrespective of whether they attended or voted, and if they voted, whether they voted for or against the Scheme, at the Court Meeting or the WH Ireland General Meeting; and (b) share certificates in respect of WH Ireland Shares will cease to be valid and entitlements to WH Ireland Shares held within the CREST system will be cancelled.

Indicative timetable

It is expected that the Scheme will become Effective in the first quarter of 2026. Scheme Shareholders will receive the consideration payable under the Acquisition (in the form of New Team Shares) within 14 days of the Scheme becoming Effective.

Further details of the Scheme, including an indicative timetable for its implementation, will be set out in the Scheme Document, which is expected to be posted, or otherwise made available, to WH Ireland Shareholders as soon as reasonably practicable and, in any event, within 28 days of the date of this Announcement (or such later date as Team, WH Ireland and the Panel may agree). The Forms of Proxy accompanying the Scheme Document will also be posted to Scheme Shareholders.

It is expected that the Team Circular will be posted, or otherwise made available, to Team Shareholders at a similar time as the Scheme Document is posted, or otherwise made available, to WH Ireland Shareholders, with the Team EGM being held before the WH Ireland Meetings.

The Acquisition will be conditional upon the Scheme becoming unconditional and becoming Effective by no later than 11.59 p.m. on the Long Stop Date.

Right to elect to implement the Acquisition by way of an Offer

Team reserves the right, with the consent of the Panel (and subject to the terms of the Co-operation Agreement), to elect to implement the Acquisition by way of an Offer. In such event, such Offer will be implemented on the same terms (subject to appropriate amendments, including (without limitation) an acceptance condition set at 90 per cent. of the shares to which the Offer relates (or such lesser percentage (being more than 50 per cent. of the WH Ireland Shares) as Team may (subject to the terms of the Co-operation Agreement) determine) of the shares to which the Offer relates). so far as applicable, as those

which would apply to the Scheme.

Further, if sufficient acceptances of such Offer are received and/or sufficient WH Ireland Shares are otherwise acquired, it is the intention of Team to apply the provisions of Chapter 3 of Part 28 of the Act to acquire compulsorily any outstanding WH Ireland Shares to which such Offer relates.

General

The Scheme will be governed by English law and will be subject to the jurisdiction of the English courts, to the Conditions, to the terms to be set out in the Scheme Document and to the applicable requirements of English law, Jersey law, the English Courts, the Act, the Takeover Code, the Panel, the FCA, the London Stock Exchange and the Registrar of Companies.

9. Intentions of Team

Strategic plans for WH Ireland

Prior to this Announcement, consistent with market practice, Team has been granted access to WH Ireland's senior management for the purposes of confirmatory due diligence. As a result of such due diligence and meetings, Team has been able to develop a preliminary strategy in relation to the WH Ireland operations post-Acquisition. The acquisition of WH Ireland is a strategic expansion of Team's investment management capabilities. The combination is expected to create a more diversified and resilient business through complementarity of product offerings and enhanced capital and balance sheet strength, the focus of which will be as follows:

- **Product Complementarity:** Combine Team's multi-asset, fixed income and alternatives expertise with WH Ireland's equity capabilities, private-client franchise, and discretionary fund management platform to create a broader, more scalable product suite. This integration aims to deepen the Enlarged Group's investment offering, enhance distribution reach and realise meaningful synergies across the full product base; and
- **Capital and Balance Sheet Strength:** Improved capital base to support regulatory capital and fund-seeding capacity.

Systems, controls and governance

As part of the post-completion integration process, Team intends to undertake a detailed review of WH Ireland's systems, controls and operational infrastructure, including compliance, risk management, technology and operational support functions. The purpose of this review will be to ensure that WH Ireland's operations are appropriately robust, efficient and aligned with the standards and governance framework of the Wider Team Group, while maintaining continuity for clients and counterparties.

In doing so, Team will look to establish a unified governance model that combines rigorous regulatory oversight with scalable, technology-driven efficiency. The review will also identify opportunities to enhance automation, data integrity, and real-time risk reporting, enabling the Enlarged Group to operate with greater transparency and control. Team views governance not as a compliance exercise but as a foundation for sustainable growth, resilience, and client trust.

Core licenses and authorisations

Following completion of the Acquisition, Team intends that WH Ireland will continue to operate as a regulated entity and will retain the core FCA licences and regulatory permissions necessary to support its principal business activities within the asset and investment management sector. Team believes that WH Ireland's existing regulatory framework provides an appropriate platform for growth and client continuity, and will therefore seek to maintain those permissions that are essential to its operations. At the same time, Team intends to undertake a review of WH Ireland's wider permissions and authorisations, with a view to relinquishing or consolidating any that are considered non-core or no longer required for the efficient and compliant operation of the business.

This review will be undertaken in consultation with the FCA to ensure an orderly and transparent process. Team's objective is to streamline the regulatory footprint of the Enlarged Group while maintaining full alignment with its multi-jurisdictional regulatory framework. Where appropriate, Team will also seek to leverage WH Ireland's existing permissions to support the introduction of complementary products and cross-border client solutions, creating a more flexible and capital-efficient platform for growth.

Assets under management and product offering

Team places strategic importance on the retention and growth of WH Ireland's client base and corresponding assets under management. In the near term, Team intends to focus on supporting the stability of client

relationships and on maintaining service quality for VVH Ireland's existing institutional and intermediary clients. Over time, Team expects to work with WH Ireland's management to identify opportunities to extend the range of services offered to existing clients and to broaden WH Ireland's client base through the introduction of complementary products and distribution capabilities across the Enlarged Group.

Team believes that combining WH Ireland's established client relationships and reputation for service quality with Team's broader product architecture and international reach will create a stronger, more diversified asset and WM platform. The Enlarged Group will explore opportunities to introduce multi-asset and income-oriented strategies, discretionary model portfolios, and fund structures aligned with long-term client demand for transparency, liquidity, and risk-adjusted returns. In addition, Team intends to leverage its multi-jurisdictional regulatory permissions to enable cross-border servicing and product distribution, supporting both organic and inorganic assets under management ("AUM") growth. These initiatives will be pursued in a disciplined manner, with an emphasis on maintaining client trust, investment performance, and operational resilience.

Directors, management and employees

At or immediately following completion of the Acquisition, it is expected that the current members of the WH Ireland Board will resign. Thereafter, no immediate change is expected, but Team will then carry out a further review of WH Ireland's wider staffing arrangements to determine how best to align resources with the strategic priorities outlined above - this is expected to last at least three months and to result only in a non-material (sub five per cent.) level of change in headcount of employees. Team places particular value on WH Ireland's portfolio management and client-facing teams and intends to retain key investment personnel critical to the continuity of investment strategies for clients. Team's initial staffing review will therefore prioritise stability within the investment, research and client service functions. As part of the integration of WH Ireland's operations into the wider Team Group, Team will review certain operational roles, including functions such as finance, HR, IT and compliance monitoring. This review may result in consolidation of roles in certain central functions and if opportunities exist for outsourcing to existing Team providers. Any changes will be implemented in a manner consistent with Team's objective of supporting WH Ireland's long-term development and maintaining appropriate expertise and capacity within the business. Furthermore, any changes to staffing will be undertaken with due regard for the security and continuity of WH Ireland's client base.

Balance of skills and functions

Based on its preliminary due diligence to date, Team considers that the balance of skills within WH Ireland's investment and client servicing teams is well aligned to its future strategy and intends to maintain these core capabilities. Team also notes a strong and capable risk management function. The post-completion review will assess whether additional expertise is required in areas such as ESG integration and product development.

As outlined above, and during the first three months, Team will review the balance of skills across investment operations, compliance, finance and risk functions, with a view to ensuring that the combined business operates a coherent and efficient control and oversight framework. Where overlapping roles exist, Team may consolidate teams or outsource to existing providers to create a more integrated control environment.

Management incentivisation arrangements

No discussions are taking place or ongoing in respect of management or senior employee and investment manager compensation, nor have proposals been made on the terms of any incentive arrangements for relevant managers. There have been no discussions between Team and such management or senior employees in respect of the terms of these arrangements, nor will any such discussions commence until post-closing.

Pension arrangements

Team confirms that it does not intend to make any changes to the contractual pension rights of any employees of WH Ireland, including accrued benefits. Any existing arrangements will continue to operate on the same basis following completion.

Headquarters, locations and fixed assets

Team being a Jersey company confirms that its plc headquarters and principal place of management will remain in Jersey.

Team has no current FCA regulated UK operations or offices and therefore Team has no unilateral plans to alter WH Ireland's operational footprint in the UK and recognises the benefits of continuity for clients, employees, and regulators. The Poole and Manchester offices of WH Ireland are therefore expected to remain.

Team also currently intends that WH Ireland's headquarters will remain in London, recognising the benefits of

continuity for clients, employees and regulators. It is understood from due diligence that the existing London office is currently the subject of ongoing negotiations with regard to the surrender of this lease, although such surrender is currently anticipated to take effect in May 2026. It is intended WH Ireland will remain at this location until the expiry (or thereabouts) of this lease and then a new office lease in London will be sought.

Any future decisions regarding office locations or operational structure will be made collaboratively and in consultation with relevant stakeholders, ensuring alignment with regulatory expectations and business efficiency. Any such adjustments would be implemented with the objective of supporting long-term growth while minimising disruption to clients and employees.

Trading facilities

The WH Ireland Shares are currently admitted to trading on AIM. As set out in paragraph 18, a request will be made to the London Stock Exchange prior to the Effective Date to cancel the trading in WH Ireland Shares on AIM with effect from the Effective Date or shortly thereafter.

Debt position of the Enlarged Group

Team currently intends, within 12 months of the Effective Date, to repay, in full, its c.£1.5 million of debt (not including any amounts owing under any convertible loan note to which any member of the Team Group is a party).

Integration and growth phasing

Team currently intends to carry out a 100-day integration plan (commencing on the Effective Date) split across the below five phases. Key activities are listed below in each of the five stages.

- **Week 1-2:** During the first two weeks, Team will focus on stabilising operations across the Enlarged Group, consistent with its objective of maintaining client continuity and operational resilience. This will include implementing a strengthened system of financial control, under which each locality will retain responsibility for its own financial management and policy, reporting into a centralised control board in line with the governance standards described above. In parallel, priority will be given to communication, both internally with the newly integrated employee and client base, and externally with the press and wider media, to ensure shareholders, clients and other stakeholders remain informed as developments arise. From an operational perspective, IT systems will be adjusted to integrate WH Ireland's employees into the wider Team CMS, reflecting the broader systems and controls framework set out above.
- **Weeks 3-4:** Focus during this period will shift to further building out the Enlarged Group's financial control framework and reviewing consolidated Enlarged Group costs in accordance with Team's expectation of where efficiencies may appropriately be achieved. A comprehensive review of existing IT platforms (entailing enterprise resource planning, customer relationship management and content management systems, and finance systems) will be undertaken to assess whether they should be retained, replaced, or merged, reflecting the systems, controls and governance review described in the strategic plan. Where replacement or consolidation is deemed appropriate, Team will engage relevant technology and service vendors to harmonise contracts across the Enlarged Group, agree integration support, align licensing and data-sharing terms, and establish unified cybersecurity and IT-governance standards.
- **Weeks 5-6:** During this phase, cost-saving initiatives validated in Weeks 3-4 will begin to be implemented. These will be carried out in conjunction with HR and will remain consistent with the intentions and commitments set out in the "Directors, management and employees" section of this paragraph 9, including the expected non-material level of change in headcount and Team's emphasis on retaining key investment and client-facing personnel. In parallel, strategic supplier disengagements may be pursued, alongside consolidation of the Enlarged Group's property footprint, where such steps support the longer-term efficiency and governance objectives of the Enlarged Group.
- **Weeks 7-10:** By Week 7, Team expects integration efforts to be materially progressed. Any remaining WH Ireland systems identified for retirement or migration will be transitioned across to the Enlarged Group during this stage, ensuring the unified governance and operational standards referenced above are fully embedded. It is also envisaged that product portfolios will be streamlined and aligned where natural overlaps and synergies exist, reinforcing the strategic rationale set out in the "Product Complementarity" section of this paragraph 9 and supporting a more structured, scalable approach to AUM.
- **Weeks 11-14:** This will represent the completion phase of the 100-day plan. Systems will be fully integrated, and any outstanding restructuring relating to legal entities or balance sheet management will be carried out in a manner aligned with the "Capital, regulatory and governance" framework described earlier in this Paragraph 9. Any remaining clients not yet transitioned onto the combined platform will be brought fully within the Enlarged Group's operating, servicing and governance environment, ensuring continuity of service,

strengthened oversight and alignment with the Enlarged Group's long-term strategic objectives.

No post-offer undertakings

No statements in this paragraph 9 are "post-offer undertakings" for the purposes of Rule 19.5 of the Takeover Code.

10. **WH Ireland Share Schemes**

WH Ireland Optionholders will be contacted regarding the effect of the Acquisition on their options under the WH Ireland Share Schemes and, where relevant, an appropriate proposal will be made to such WH Ireland Optionholders in due course in accordance with Rule 15 of the Takeover Code, which reflects their options under the WH Ireland Share Schemes at the same time as the publication of the Scheme Document, unless otherwise agreed with the Panel. Details of the impact of the Scheme on each of the WH Ireland Share Schemes and the proposals will be set out in the Scheme Document.

11. **WH Ireland Deferred Shares**

In addition to its ordinary share capital, WH Ireland has 65,152,876 WH Ireland Deferred Shares in issue. The WH Ireland Deferred Shares are not listed on any exchange and have limited rights. The WH Ireland Deferred Shares have no right to participate in the profits of WH Ireland, but have the right to participate on a return of assets in a winding up of WH Ireland by a repayment of the capital paid up on such WH Ireland Deferred Share after the holders of WH Ireland Shares have been paid the nominal capital paid up or credited as paid up on the WH Ireland Shares and a sum of £10,000,000 has been paid in respect of each WH Ireland Share. Holders of WH Ireland Deferred Shares have no other rights to participate in the assets of WH Ireland.

The WH Ireland Deferred Shares do not confer on their holders any right to receive notice of, attend, speak or vote at general meetings of WH Ireland, including the Court Meeting and the WH Ireland General Meeting. Accordingly, the WH Ireland Deferred Shares do not constitute "equity share capital" for the purposes of the Takeover Code and the WH Ireland Deferred Shares will not form part of the Scheme and no comparable offer under Rule 14 of the Takeover Code will be made for the WH Ireland Deferred Shares.

The WH Ireland Deferred Shares were created by an ordinary resolution of WH Ireland passed on 15 August 2023 with such resolution giving irrevocable authority to WH Ireland, and without requiring the consent of the holders of the WH Ireland Deferred Shares, to appoint any person to execute on behalf of the holder or holders of the WH Ireland Deferred Shares a transfer, and/or an agreement to transfer, all or any of the WH Ireland Deferred Shares without making any payment in respect of such transfer to such person as the WH Ireland Directors may determine. WH Ireland intends, prior to the Effective Date, to exercise the rights set out in the resolution to appoint one of the WH Ireland Directors to act on behalf of all holders of WH Ireland Deferred Shares to transfer and to execute a contract of sale and transfer all of the WH Ireland Deferred Shares to Team for nil consideration.

12. **Permitted offer-related arrangements**

WH Ireland Confidentiality Agreement

On 28 October 2025, WH Ireland and Team entered into an agreement relating to the Acquisition, pursuant to which Team agreed to keep confidential certain information supplied by WH Ireland for the purposes of considering the proposed Acquisition (the "**WH Ireland Confidentiality Agreement**").

The WH Ireland Confidentiality Agreement also contains undertakings from Team to WH Ireland that for a period of 12 months Team will not solicit for employment or endeavour to entice away any director, officer, senior management level employee of any member of the WH Ireland Group.

Team Confidentiality Agreement

On 19 November 2025, Team and WH Ireland entered into an agreement relating to the Acquisition, pursuant to which WH Ireland agreed to keep confidential certain information supplied by Team for the purposes of considering the proposed Acquisition (the "**Team Confidentiality Agreement**").

The Team Confidentiality Agreement also contains undertakings from WH Ireland to Team that for a period of 12 months WH Ireland will not solicit for employment or endeavour to entice away any director, officer, senior management level employee of any member of the Team Group.

Co-operation Agreement

Pursuant to a co-operation agreement in relation to the Acquisition dated 27 November 2025 (the "**Co-operation Agreement**"), Team and WH Ireland have agreed, amongst other things, that: (i) Team will use reasonable endeavours to satisfy the Conditions (including, *inter alia*, the Control Condition) as soon as reasonable practicable; (ii) Team shall have primary responsibility for obtaining any regulatory clearances; (iii)

WH Ireland and Team will work co-operatively and reasonably together and provide all information reasonably necessary or desirable as soon as reasonably practicable, in connection with any regulatory conditions; and (iv) Team will provide WH Ireland with certain information for the purposes of the Scheme Document and to otherwise assist with the preparation of the Scheme Document.

The Co-operation Agreement will terminate if, amongst other things: (i) the Acquisition is withdrawn or lapses prior to the Long Stop Date; (ii) by written notice from Team if any Condition which is capable of waiver and which has not been waived is (or becomes) incapable of satisfaction by the Long Stop Date and Team notifies WH Ireland in writing that, notwithstanding it has the right to waive any such Condition, it shall not do so; (iii) any of the Conditions which is incapable of waiver is not satisfied or becomes incapable of satisfaction by the Long Stop Date; (iv) the WH Ireland Directors withdraw their recommendation of the Acquisition; (v) the WH Ireland Directors recommend a competing proposal; (vi) the Scheme does not become Effective in accordance with its terms by the Long Stop Date; (vii) the WH Ireland Shareholders fail to pass, by the requisite majority, the Scheme and/or the Special Resolution; or (viii) otherwise as agreed in writing between Team and WH Ireland.

The Co-operation Agreement also sets out the parties' intentions to implement the Acquisition by way of the Scheme, subject to the ability of Team to implement the Acquisition by way of an Offer in certain circumstances set out in the Co-operation Agreement and with the consent of the Panel.

The Co-operation Agreement also contains provisions that will apply in respect of the proposals to be made in regard to WH Ireland Share Schemes, under Rule 15 of the Takeover Code.

13. **Recommendation**

WH Ireland Directors

The WH Ireland Directors, who have been so advised by Shore Capital as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable. In providing its advice, Shore Capital has taken into account the commercial assessments of the WH Ireland Directors. Shore Capital is providing independent advice to the WH Ireland Directors for the purposes of Rule 3 of the Takeover Code.

Accordingly, the WH Ireland Directors intend unanimously to recommend that WH Ireland Shareholders vote (or procure the vote) in favour of the Scheme at the Court Meeting and the Special Resolution to be proposed at the WH Ireland General Meeting, as each of the WH Ireland Shareholder Directors has irrevocably undertaken to do in respect of their own entire legal and beneficial holdings of WH Ireland Shares (and those of certain connected persons) amounting to, in aggregate, 4,104,600 WH Ireland Shares and representing, in aggregate, approximately 1.74 per cent. of the entire issued share capital of WH Ireland as at the Latest Practicable Date.

Team Directors

In order to allot and issue the New Team Shares, Team will be required to seek the approval of the Team Shareholders at the Team EGM. The Acquisition is accordingly conditional, amongst other things, upon the approval of the Team Shareholders of the issue of the New Team Shares at the Team EGM.

The Team Directors consider the Acquisition to be in the best interests of Team and the Team Shareholders as a whole and intend unanimously to recommend that Team Shareholders vote (or procure the vote) in favour of the Team Resolution to be proposed at the Team EGM, as each of the Team Directors has irrevocably undertaken to do (or procure to be done) in respect of their own interests in Team Shares (and those of their connected persons) amounting to, in aggregate, 5,046,584 Team Shares, representing approximately 8.12 per cent. of the entire issued share capital of Team as at the Latest Practicable Date.

14. **Disclosure requirements of the Takeover Code**

On 21 November 2025, Team made public its Opening Position Disclosure which confirmed that neither Team nor any person acting in concert with Team held any interests or short positions in, or rights to subscribe for, any relevant securities of WH Ireland.

Disclosure of interests in WH Ireland

As at the close of business on the Latest Practicable Date, Team held no interests in or rights to subscribe or relevant securities of WH Ireland:

As at the close of business on the Latest Practicable Date, save as disclosed in this Announcement, neither

- (c) has borrowed or lent (including, for these purposes, entering into any financial collateral arrangements of the kind referred to in Note 4 on Rule 4.6 of the Takeover Code) any relevant securities of WH Ireland save for any borrowed relevant securities of WH Ireland which have been either on-lent or sold;
- (d) has any outstanding irrevocable commitment or letter of intent with respect to relevant securities of WH Ireland; or
- (e) is a party to any dealing arrangement of the kind referred to in Note 11 to the definition of acting in concert in the Takeover Code in relation to WH Ireland or in relation to relevant securities of WH Ireland.

Disclosure of interests in Team

As at the close of business on the Latest Practicable Date, WH Ireland held no interests in or rights to subscribe or relevant securities of Team:

- (g) has any short position (whether conditional or absolute and whether in the money or otherwise), including any short position under a derivative, any agreement to sell or any delivery obligation or right to require another person to purchase or take delivery of relevant securities of Team;

For the purposes of this paragraph 14:

- (i) **"relevant securities of WH Ireland"** means WH Ireland Shares and securities convertible into, or rights to subscribe for, options (including traded options) in respect thereof and derivatives referenced thereto; and
- (ii) **"relevant securities of Team"** means Team Shares and securities convertible into, or rights to subscribe for, options (including traded options) in respect thereof and derivatives referenced thereto; and

Notwithstanding the above, a person will be treated as having an "interest" by virtue of the ownership, voting rights or control of securities, or by virtue of any agreement to purchase, option in respect of, or derivative referenced to, securities.

15. Further details of the Acquisition and the admission of the New Team Shares

Assuming that a maximum number of 47,915,310 New Team Shares are issued pursuant to the Acquisition, WH Ireland Shareholders will hold New Team Shares representing approximately 43.5 per cent. of the enlarged issued share capital of Team immediately following the Effective Date.

The New Team Shares will be allotted and issued credited as fully paid and will rank *pari passu* in all respects with the Team Shares in issue at the time the New Team Shares are allotted and issued pursuant

to the Acquisition, including the right to receive and retain dividends and other distributions declared, made or paid by reference to a record date falling after the Effective Date.

The Team Shares are admitted to trading on AIM. Application will be made for the New Team Shares to be admitted to trading on AIM. Fractional entitlements to New Team Shares will be aggregated and allotted and issued to a nominee appointed by Team as nominee for the WH Ireland Shareholders to whom such fractional entitlements apply, sold in the market and the net proceeds of sale will be distributed in due proportion to the WH Ireland Shareholders entitled to them. However, individual fractional entitlements to amounts (net of expenses) not exceeding £3.00 will not be paid to persons who would otherwise be entitled to them under the Scheme, but will be retained for the benefit of the Enlarged Group.

16. **Team Shareholder approval**

The Team Directors do not currently have authority to issue and allot the New Team Shares without the authority by way of ordinary resolution to allot shares under Article 6 of the Team Articles and a waiver of pre-emption rights by way of special resolution under the provisions of Article 7 of the Team Articles. The Acquisition is therefore conditional upon, amongst other things, the requisite resolutions being passed by the Team Shareholders at the Team EGM. Further details will be set out in the circular convening the Team EGM which will be sent to Team Shareholders in due course.

17. **Overseas Shareholders**

The implications of the Scheme and the Acquisition for Overseas Shareholders may be affected by the laws of jurisdictions outside the United Kingdom and Jersey. Overseas Shareholders should inform themselves about, and observe, any applicable legal or regulatory requirements. It is the responsibility of any Overseas Shareholders to satisfy themselves as to the full observance of the laws and regulations of the relevant jurisdiction in connection therewith, including the obtaining of any governmental, exchange control or other consents which may be required, the compliance with other necessary formalities and the payment of any issue, transfer or other taxes or duties or payments due in such jurisdiction. Any failure to comply with such restrictions or requirements may constitute a violation of the securities laws of any such jurisdiction.

Further information for Overseas Shareholders will be set out in the Scheme Document.

18. **Cancellation of admission to trading on AIM and re-registration of WH Ireland as a private company**

It is intended that an application will be made to the London Stock Exchange, prior to the Effective Date to cancel the admission to trading in WH Ireland Shares on AIM, with effect from on or shortly after the Effective Date. Notice to US holders of WH Ireland Shares

Neither the United States Securities and Exchange Commission nor any other US federal or state securities commission or regulatory authority has reviewed, approved or disapproved this Announcement, any of the proposals described in this Announcement or the New Team Shares or passed an opinion on the accuracy or the adequacy of this Announcement. Any representation to the contrary is a criminal offence in the United States.

The Acquisition relates to shares of an English company and the issue of shares in a company incorporated in Jersey, and is proposed to be implemented by means of a scheme of arrangement under the laws of England and Wales and to the issue of shares by a company incorporated in Jersey. A transaction implemented by means of a scheme of arrangement is not subject to the proxy solicitation or tender offer rules under the US Exchange Act. Accordingly, the Scheme is subject to the disclosure requirements, rules and practices applicable in the United Kingdom and Jersey to schemes of arrangement, which differ from the requirements of the US proxy solicitation and tender offer rules. However, if Team exercises its right with the consent of the Panel (and subject to the terms of the Co-operation Agreement) to implement the Acquisition by means of an Offer, such Offer will be made in compliance with all applicable laws and regulations, including Section 14(e) of the US Exchange Act and Regulation 14E thereunder. Such an Offer would be made in the United States by Team and no one else. In addition to any such Offer, Team, certain affiliated companies and the nominees or brokers (acting as agents) may make certain purchases of, or arrangements to purchase, shares in WH Ireland outside such Offer during the period in which such Offer would remain open for acceptance. If such purchases or arrangements to purchase were to be made they would be made outside of the United States and would comply with applicable law and regulation, including the US Exchange Act. Any information about such purchases will be disclosed as required in the UK, will be reported to a Regulatory Information Service and will be available on the London Stock Exchange website www.londonstockexchange.com.

The New Team Shares have not been, and will not be, registered under the US Securities Act or under the securities laws of any state or other jurisdiction of the United States. Accordingly, the New Team Shares may not be offered, sold, resold, delivered, distributed or otherwise transferred, directly or indirectly, in or into or from the United States absent registration under the US Securities Act or an exemption therefrom. The New Team Shares are expected to be issued in reliance upon the exemption from the registration requirements of the US Securities Act provided by Section 3(a)(10) thereof. WH Ireland Shareholders who will be affiliates of Team after the Effective Date will be subject to certain US transfer restrictions relating to the New Team Shares received pursuant to the Scheme. For the purposes of qualifying for the exemption from the registration requirements of the US Securities Act afforded by Section 3(a)(10), WH Ireland will advise the Court that its sanctioning of the Scheme will be relied upon by Team as an approval of the Scheme following a hearing on its fairness to WH Ireland Shareholders. The receipt of New Team Shares and cash pursuant to the Acquisition by a US WH Ireland Shareholder will be a taxable transaction for US federal income tax purposes, and may also be a taxable transaction under applicable state and local tax laws, as well as foreign and other tax laws. Each WH Ireland Shareholder is urged to consult his independent professional advisor immediately regarding the tax consequences of the Acquisition.

It may be difficult for US WH Ireland Shareholders to enforce their rights and claims arising out of the US federal securities laws, since Team and WH Ireland are located in countries other than the United States, and some or all of their officers and directors may be residents of countries other than the United States. US WH Ireland Shareholders may not be able to sue a non-US company or its officers or directors in a non-US court for violations of the US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgment.

In accordance with normal UK practice and pursuant to Rule 14e-15(b) of the US Exchange Act, Team, certain affiliated companies and the nominees and brokers (acting as agents) may make certain purchases of, or arrangements to purchase shares in WH Ireland outside of the US, other than pursuant to the Acquisition, until the date on which the Acquisition and/or the Scheme becomes Effective, lapses or is otherwise withdrawn. PART B. CERTAIN FURTHER TERMS OF THE SCHEME AND THE ACQUISITION

1. Conditions 2(a), 2(b) and 3(a) to (j) (inclusive) of Part A above must each be fulfilled, determined by Team to be or to remain satisfied or (if capable of waiver) be waived by Team prior to 11.59 p.m. on the date immediately preceding the date of the Scheme Court Hearing, failing which the Scheme will, with the consent of the Panel (if required), lapse.
2. Notwithstanding the paragraph above, subject to the requirements of the Panel and the Takeover Code, Team reserves the right in its sole discretion to waive:
 - (a) the deadline set out in Condition 1 of Part A above, and any deadlines set out in Condition 2 of Part A above for the timing of the Court Meeting, the WH Ireland General Meeting and the Scheme Court Hearing. If any such deadline is not met, Team shall make an announcement by 8.00 a.m. on the business day following such deadline confirming whether it has invoked or waived the relevant Condition or agreed with WH Ireland to extend the deadline in relation to the relevant Condition. In all other respects, Conditions 1 and 2 of Part A above cannot be waived; and
 - (b) in whole or in part, all or any of the Conditions 3(a) to (j) (inclusive) of Part A above.
3. Subject to paragraph 3(g) of Appendix 7 of the Takeover Code, Team shall be under no obligation to waive (if capable of waiver) or treat as fulfilled any of the Conditions in sub-paragraphs 3(a) to (j) (inclusive) by a date earlier than the latest date for the fulfilment of that Condition notwithstanding that the other Conditions may at such earlier date have been waived or fulfilled and that there are at such earlier date no circumstances indicating that any such Conditions may not be capable of fulfilment.
4. If Team is required by the Panel to make an offer or offers for the WH Ireland Shares under the provisions of Rule 9 of the Takeover Code, Team may make such alterations to the terms and Conditions of the

Acquisition as may be necessary to comply with the provisions of that Rule.

5. Under Rule 13.5(a) of the Takeover Code, Team may only invoke a Condition that is subject to Rule 13.5(a) of the Takeover Code so as to cause the Acquisition not to proceed, to lapse or to be withdrawn with the consent of the Panel.
6. The Panel will normally only give its consent if the circumstances which give rise to the right to invoke the Condition are of material significance to Team in the context of the Acquisition. This will be judged by reference to the facts of each case at the time that the relevant circumstances arise. Conditions 1, 2(a), 2(b) and 2(c) of Part A above and, if applicable, any acceptance condition if the Acquisition is implemented by means of an Offer, are not subject to Rule 13.5(a) of the Takeover Code.
7. Any Condition that is subject to Rule 13.5(a) of the Takeover Code may be waived by Team.
8. Each of the Conditions shall be regarded as a separate Condition and shall not be limited by reference to any other Condition.
9. The WH Ireland Shares to be acquired by Team pursuant to the Acquisition will be acquired fully paid and free from all liens, equities, charges, encumbrances, rights of pre-emption and other third party rights and interests of any nature whatsoever and together with all rights now or hereafter attaching thereto, including the right to receive and retain all dividends and other distributions (if any) declared, paid or made on or after the date of this Announcement.
10. Team reserves the right, with the consent of the Panel (and subject to the terms of the Co-operation Agreement), to elect to implement the Acquisition by way of an Offer. In such event, such Offer will be implemented on the same terms (subject to appropriate amendments, including (without limitation) an acceptance condition set at 90 per cent. of the shares to which the Offer relates (or such lesser percentage (being more than 50 per cent. of the WH Ireland Shares) as Team may (subject to the terms of the Co-operation Agreement) determine) of the shares to which the Offer relates), so far as applicable, as those which would apply to the Scheme. Further, if sufficient acceptances of such Offer are received and/or sufficient WH Ireland Shares are otherwise acquired, it is the intention of Team to apply the provisions of the Act to acquire compulsorily any outstanding WH Ireland Shares to which such Offer relates.
11. Save to the extent provided in this Announcement, if any dividend and/or other distribution and/or other return of capital is announced, authorised, declared, made or paid in respect of WH Ireland Shares on or after the date of this Announcement and prior to the Scheme becoming Effective, Team reserves the right (without prejudice to any right of Team to invoke the Condition in sub-paragraph 3(g)(ii)), to reduce the offer consideration for the WH Ireland Shares by an amount up to the amount of such dividend and/or distribution and/or return of capital so announced, declared or paid, in which case any reference in this Announcement or in the Scheme Document to the offer consideration for the WH Ireland Shares will be deemed to be a reference to the offer consideration as so reduced. To the extent that any such dividend and/or distribution and/or other return of capital is announced, declared or paid and it is: (i) transferred pursuant to the Acquisition on a basis which entitles Team to receive the dividend or distribution and to retain it; or (ii) cancelled, the offer consideration will not be subject to change in accordance with this paragraph. Any exercise by Team of its rights referred to in this paragraph shall be the subject of an announcement and, for the avoidance of doubt, shall not be regarded as constituting any revision or variation of the Acquisition. For the further avoidance of doubt, any payments made in cash or by way of the delivery of shares on the vesting of awards calculated by reference to dividends accrued in respect of those underlying vested shares are not to be construed as a dividend, distribution or return of capital for the purposes of this paragraph.
12. The availability of the Acquisition to persons not resident in the United Kingdom may be affected by the laws and/or regulations of the relevant jurisdiction. Persons who are not resident in the United Kingdom should inform themselves about and observe any applicable requirements.
13. The New Team Shares will be allotted and issued credited as fully paid and will rank *pari passu* in all respects with the Team Shares in issue at the time the New Team Shares are allotted and issued pursuant to the Acquisition, including the right to receive and retain dividends and other distributions declared, made or paid by reference to a record date falling after the Effective Date.
14. Application will be made for the New Team Shares to be admitted to trading on AIM. It is expected that Admission will become effective and that trading in the New Team Shares will commence at 8.00 a.m. on the business day following the Effective Date.
15. Fractional entitlements to New Team Shares will be aggregated and allotted and issued to a nominee appointed by Team as nominee for the WH Ireland Shareholders to whom such fractional entitlements apply, sold in the market and the net proceeds of sale will be distributed in due proportion to the WH Ireland

Shareholders entitled to them. However, individual fractional entitlements to amounts (net of expenses) not exceeding £3.00 will not be paid to persons who would otherwise be entitled to them under the Scheme, but will be retained for the benefit of the Enlarged Group.

16. The availability of the New Team Shares to persons who are not resident in the United Kingdom or Jersey may be affected by the laws and/or regulations of the relevant jurisdiction in which they are located. Persons who are not resident in the United Kingdom or Jersey should inform themselves of, and observe, any applicable requirements.
17. The Acquisition is not being made, directly or indirectly, in, into or from, or by use of the mails of, or by any means of instrumentality (including, but not limited to, facsimile, e-mail or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or of any facility of a national, state or other securities exchange of, any Restricted Jurisdiction.
18. The Scheme will be governed by English law and will be subject to the jurisdiction of the English courts, to the Conditions, to the terms to be set out in the Scheme Document and to the applicable requirements of English law, Jersey law, the English Courts, the Act, the Takeover Code, the Panel, the FCA, the London Stock Exchange and the Registrar of Companies.
