**AB Dynamics plc**

**Contract award and confirmation of Board change**

AB Dynamics plc ("AB Dynamics", the "Company" or the "Group"), the designer, manufacturer and supplier of advanced testing, simulation and measurement products to the global transport market is pleased to announce the award of a contract to supply its simulators to a major European OEM, and to confirm that Sarah Matthews-DeMers' appointment as CEO is effective from today.

**Contract award**

The Group is pleased to announce that Ansible Motion has been awarded a €9.7m contract to supply its advanced driver-in-the-loop simulation equipment to a major European OEM. Revenue from the contract award is expected principally to be recognised in the second half of FY 2026 and the first half of FY 2027.

**Confirmation of Board change**

As previously announced, James Routh stepped down as a director of the Company on 30 November 2025 and Sarah Matthews-DeMers' role as Chief Executive Officer is effective from today.

**Commenting, Sarah Matthews-DeMers, Chief Executive Officer said:**

*"This significant award maintains and strengthens AB Dynamics' position in the simulation market and is testament to the trusted position the Group holds.*

*"Building on our already strong order book this contract increases visibility for FY 2026 and beyond. This also demonstrates how our future growth prospects remain supported by long-term structural and regulatory growth drivers in active safety, autonomous systems and the automation of vehicle applications, underpinning our medium-term financial objectives.*

*"We look forward to continuing to deliver the highest performing and highest quality simulators to support our customers."*
