RTO Update and AIM Rule 13 Transaction

RTO Update

Mobile Streams Plc (MOS) announces that work on the RTO as originally announced on 31 March 2025 is progressing well and the Company is working towards completing the acquisition of Estadio Gana and CMS as soon as practical.

The Company is looking forward to providing further updates in due course.

AIM Rule 13 Transaction

In addition, the Company advises that in February 2025 the Board awarded certain directors of the Company bonuses paid through the payroll as follows (the "Director Bonuses"):

Mark Epstein - £151,890.00

Stefano Loreti - £57,550.00

John Barker- £85,850

Total: £295,290.

This was not notified as an AIM Rule 13 Transaction at the time and the Company's Nominated Adviser was not consulted on the matter. Accordingly, whilst the independent Director, being Rama Uthayanan, considers the terms of the Director Bonuses to be fair and reasonable insofar as shareholders are concerned, it has been agreed that a standalone Resolution seeking ratification for the payment of the Director Bonuses be included in the Notice of General Meeting to be included as part of the proposed RTO Admission Document.
