

RESULTS OF SPECIAL MEETING OF SHAREHOLDERS

Vancouver, December 3, 2025

Cornish Metals Inc. (AIM/TSXV: CUSN) ("**Cornish Metals**", "**Cornish Canada**" or the "**Company**"), a mineral exploration and development company focused on advancing its wholly owned and permitted South Crofty tin project in Cornwall, United Kingdom, is pleased to announce the results of the Special Meeting of shareholders held via live audio teleconference on December 3, 2025 (the "**Meeting**") to seek the shareholder approval to approve the reorganisation ("**Re-Domicile**") of its corporate structure by way of a court approved plan of arrangement (the "**Arrangement**") previously announced in the Company's news release dated October 7, 2025.

The special resolution approving the Arrangement was approved by: (i) 99.95% of the votes cast by the Company's shareholders (the "**Cornish Canada Shareholders**") present or represented by proxy at the Meeting; (ii) 99.91% of the votes cast by Cornish Canada Shareholders, holders of stock options of the Company and holders of performance share units of the Company, voting together as a single class, present or represented by proxy at the Meeting; and (iii) 99.95% of the votes cast by Cornish Canada Shareholders present or represented by proxy at the Meeting, other than votes attached to the common shares of the Company (the "**Cornish Canada Shares**") required to be excluded pursuant to Multilateral Instrument 61-101 - *Protection of Minority Security Holders in Special Transactions* Accordingly, all approvals required in order to proceed with the Arrangement have been obtained.

As previously disclosed in the Company's news release dated October 7, 2025, The Arrangement will be completed by all Cornish Canada Shareholders transferring all of the issued and outstanding Cornish Canada Shares to Cornish Metals plc ("**Cornish UK**") in exchange for the issue to them of new shares in Cornish UK ("**Cornish UK Shares**"), on the basis of one (1) Cornish UK Share for ten (10) Cornish Canada Shares, rounded down to the nearest whole number of Cornish UK Shares. In the event that any holder of Cornish Canada Shares holds fewer than ten (10) Cornish Canada Shares, or the number of Cornish Canada Shares held when divided by ten (10) is not a whole number, such allocation will be rounded down to the nearest whole number (or zero, if fewer than ten (10) Cornish Canada Shares are held immediately prior to the effective date of the Arrangement).

Further specific details regarding the Arrangement and the procedure for exchange of Cornish Canada Shares for Cornish UK Shares can be found in the Company's management information circulated dated October 22, 2025, related to the Meeting (the "**Circular**"). The Circular and accompanying letter of transmittal ("**Letter of Transmittal**") are available under the Company's SEDAR+ profile at www.sedarplus.ca and on the Company's website at <https://cornishmetals.com/investors/shareholder-meetings/>.

Registered Cornish Canada Shareholders (other than depositary interest holders) who have not already done so must complete and sign the Letter of Transmittal and return it, together with the certificate(s)/DRS advices(s) representing their Cornish Canada Shares and any other required documents and instruments, in accordance with the procedures set out in the Letter of Transmittal and instructions provided in the Circular.

Final Order Hearing before the Ontario Superior Court of Justice

The Arrangement requires the final approval of the Ontario Superior Court of Justice (Commercial List)

The Arrangement requires the final approval of the Ontario Superior Court of Justice (Commercial List) (the "**Court**").

As previously disclosed the Company's news release dated November 3, 2025, on October 20, 2025, the Company obtained an interim order (the "**Interim Order**") from the Court authorizing the holding of the Meeting and matters relating to the conduct of the Meeting. Subject to the terms of the Interim Order, the Company intends to make an application to the Court for the final order approving the Arrangement (the "**Final Order**"). The application for the Final Order is expected to take place on December 11, 2025, or at any other date and time as the Court may direct.

ABOUT CORNISH METALS

Cornish Metals is a mineral exploration and development company that is advancing the South Crofty critical mineral project towards production. South Crofty:

- is a historical underground tin mine located in Cornwall, United Kingdom and benefits from existing mine infrastructure including multiple shafts that can be used for future operations;
- is the highest grade known tin resource not in production;
- is permitted to commence underground mining (valid to 2071), construct a new processing facility and for all necessary site infrastructure;
- would be potentially the first primary producer of tin in Europe or North America. Tin is a Critical Mineral as defined by the UK, American, and Canadian governments as it is used in almost all electronic devices and electrical infrastructure. Approximately two-thirds of the tin mined today comes from China, Myanmar and Indonesia;
- benefits from strong local community, regional and national government support with a growing

team of skilled people, local to Cornwall, and could generate over 300 direct jobs.
