Recommended All Share Offer

for

Challenger Energy Group PLC ("Challenger")

by

Sintana Energy Inc. ("Sintana")

**to be effected by means of a Court-sanctioned scheme of arrangement
under Part IV (section 152) of the Isle of Man Companies Act 1931**

Update on Conditions and Timetable

On 9 October 2025, the board of Sintana and the Independent Challenger Directors announced they had reached agreement on the terms of a recommended acquisition by Sintana for the entire issued and to be issued ordinary share capital of Challenger (the "**Acquisition**"), to be implemented by way of a Court-sanctioned scheme of arrangement under Part IV (section 152) of the Isle of Man Companies Act 1931 as amended from time to time (the "**Scheme**").

The circular in relation to the Scheme (the "**Scheme Document**") was sent to Challenger Shareholders on 3 November 2025. Terms used but not otherwise defined in this announcement shall have the meanings given to them in the Scheme Document.

On 26 November 2025, Challenger announced that the Scheme had been approved by the requisite majority of Scheme Shareholders at the Court Meeting held on that date and that the Special Resolution relating to the implementation of the Scheme had been approved by the requisite majority of Challenger Shareholders at the General Meeting also held on that date.

The Acquisition is subject to the conditions set out in Part 3 of the Scheme Document.

ANCAP has now provided its written consent to the Acquisition under the terms of the ANCAP Licences (the "**ANCAP Condition**"). Sintana has therefore confirmed that the ANCAP Condition has now been satisfied. Further, an exempt transaction notice was made by Challenger and not objected to by Chevron under the terms of the Chevron JOA.

Completion of the Acquisition remains subject to receipt by Sintana of the final approval of the Acquisition by the TSXV (the "**TSXV Condition**"), which is expected in the near term.

Next steps and updated timetable

The Scheme remains subject to certain other conditions, including sanction by the Court at the Court Sanction Hearing, which was scheduled for earlier today, 9 December 2025, and the delivery of a copy of the Court Order to the Companies Registry.

The ANCAP Condition was satisfied after the originally scheduled Court Sanction Hearing. Given the short delay in receiving the approvals to satisfy the ANCAP Condition (which have subsequently been received and the ANCAP Condition thus met) and the TSXV Condition, the further hearing of the Claim was adjourned and the Court Sanction Hearing has been rescheduled for 12 December 2025.

Subject to the Scheme receiving the sanction of the Court, the delivery of a copy of the Court Order to the Companies Registry and the satisfaction or (if capable of waiver) waiver of the other Conditions set out in Part 3 of the Scheme Document, the Scheme is expected to become effective on 16 December 2025.

The Appendix to this announcement contains an updated expected timetable of principal events in relation to the Scheme. If any of the dates and/or times in this expected timetable change, the revised dates and/or times will be notified to Challenger Shareholders by an announcement through a Regulatory Information Service, with such announcement also being made available on Challenger's website at <https://www.cegplc.com/documents-disclaimer/>.

Proposed issue of Severance Shares by Sintana

In connection with the Acquisition and following the Scheme becoming effective, Sintana proposes to issue an aggregate of 4,262,962 common shares (the "**Severance Shares**") at a deemed issue price of C 0.52 per share to certain directors and officers of Sintana and Challenger. The Severance Shares will be issued in satisfaction of C 2,216,740 (in aggregate) due to these individuals as severance in respect of their loss of office or directorship arising from the Acquisition. The Severance Shares will be issued outside of Sintana's equity incentive plan as a one-off inducement and/or severance payment in accordance with Section 6.4 of TSXV Policy 4.4 - Security Based

indemnification and severance payment, in accordance with Section 5.4 of TSXV Policy 4.4 – Security Based Compensation. The Severance Shares will be subject to a hold period of four months and one day from the date of issue, in line with TSXV policies and applicable securities laws.

Certain of the recipients are considered to be a "related party" under Multilateral Instrument 61-101 - Protection of Minority Security Holders in Special Transactions ("MI 61-101"), and the issuance of Severance Shares constitutes a "related party transaction" as defined in MI 61-101. Sintana is exempt from the formal valuation and minority approval requirements of MI 61-101 pursuant to Sections 5.5(b) and 5.7(1)(a).

The person responsible for making this announcement on behalf of Challenger is Eytan Ulriel, Chief Executive Officer.

Disclosure requirements of the Takeover Code

Under Rule 8.3(a) of the Takeover Code, any person who is interested in 1 per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the Offer Period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of: (i) the offeree company; and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3:30 p.m. (London time) on the 10th Business Day following the commencement of the Offer Period and, if appropriate, by no later than 3:30 p.m. (London time) on the 10th Business Day following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Takeover Code, any person who is, or becomes, interested in 1 per cent. or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing

Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8 of the Takeover Code. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3:30 p.m. (London time) on the Business Day following the date of the relevant dealing. If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3 of the Takeover Code.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4 of the Takeover Code).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Panel's website at www.thetakeoverpanel.org.uk, including details of the number of relevant securities in issue, when the offer period commenced and when any offeror was first identified. You should contact the Panel's Market Surveillance Unit on +44 (0)20 7638 0129 if you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure.

The release, publication or distribution of this announcement in jurisdictions other than the United Kingdom or the Isle of Man, and the availability of the Acquisition to Challenger Shareholders who are not resident in the United Kingdom or the Isle of Man, may be restricted by the laws of those jurisdictions and therefore persons into whose possession this announcement comes should inform themselves about and observe such restrictions. In particular, the ability of persons who are not resident in the United Kingdom or the Isle of Man to vote their Challenger Shares with respect to the Scheme at the Court Meeting, or to execute and deliver Forms of Proxy appointing another to vote at the Court Meeting on their behalf, may be affected by the laws of the relevant jurisdictions in which they are located. Any failure to comply with any such restrictions may constitute a violation of securities laws of any such jurisdiction. To the fullest extent permitted by applicable law, the companies and persons involved in the Acquisition disclaim any responsibility or liability for the violation of such restrictions by any person.

Unless otherwise determined by Sintana or required by the Takeover Code, and permitted by applicable law and regulation, New Sintana Shares to be issued pursuant to the Acquisition to Challenger Shareholders will not be made available, directly or indirectly, in or into or from a Restricted Jurisdiction where to do so would violate the laws in that jurisdiction and no person may vote in favour of the Acquisition by any such use, means, instrumentality or form within a Restricted Jurisdiction or any other jurisdiction if to do so would constitute a violation of the laws of that jurisdiction. Accordingly, copies of this announcement and all documents relating to the Acquisition are not being, and must not be, directly or indirectly, mailed or otherwise forwarded, distributed or sent (in whole or in part) in, into or from a Restricted Jurisdiction where to do so would violate the laws in that jurisdiction, and persons receiving this announcement and all documents relating to the Acquisition (including custodians, nominees and trustees) must observe these restrictions and not mail or otherwise distribute or send them (in whole or in part) in, into or from such Restricted Jurisdiction. Doing so may render invalid any related purported vote in respect of the Acquisition. If the Acquisition is implemented by way of a Takeover Offer (unless otherwise permitted by applicable law and regulation), the Takeover Offer may not be made directly or indirectly, in or into, or by the use of mails or any other means or instrumentality (including, without limitation, facsimile, e-mail or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or of any facility of a national, state or other securities exchange of any Restricted Jurisdiction and the Takeover Offer may not be capable of acceptance by any means, instrumentality or facilities or from within any Restricted Jurisdiction.

Challenger Shareholders who are in doubt about such matters should consult an appropriate independent professional adviser in the relevant jurisdiction without delay.

The Acquisition and the Scheme is subject to Isle of Man law and the jurisdiction of the Court, the applicable requirements of the Takeover Code, the AIM Rules, the Panel, the London Stock Exchange, the TSXV, the FCA, and the Companies Registry.

Additional information for US investors

US holders of Challenger Shares should note that the Acquisition relates to the shares of an Isle of Man company with an admission to trading on AIM and is being made by means of a scheme of arrangement provided for under Isle of Man company law. A transaction effected by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the US Exchange Act. Accordingly, the Acquisition is subject to the disclosure and procedural requirements and practices applicable in the United Kingdom to schemes of arrangement which differ from the disclosure requirements of United States tender offer and proxy solicitation rules.

However, if, in the future, Sintana exercises the right to implement the Acquisition by way of a Takeover Offer and determines to extend the offer into the United States, the Takeover Offer will be made in compliance with applicable United States tender offer and securities laws and regulations including Section 14(e) of the US Exchange Act and Regulation 14E thereunder.

To the extent permitted by applicable law, in accordance with normal UK practice and pursuant to Rule 14e-5(b) of the US Exchange Act, in the event it becomes applicable, Sintana, certain affiliated companies and their nominees or brokers (acting as agents), may from time to time make certain purchases of, or arrangements to purchase, Challenger Shares, other than pursuant to the Acquisition, such as in open market purchases or privately negotiated purchases, during the period in which the Acquisition remains open for acceptance. If such purchases or arrangements to purchase were to be made, they would comply with applicable law, including the US Exchange Act. Any information about such purchases will be disclosed as required in the UK, will be reported to a Regulatory Information Service and will be available on the London Stock Exchange website at www.londonstockexchange.com. To the extent that such information is required to be publicly disclosed in the UK in accordance with applicable

to the extent that such information is required to be publicly disclosed in the UK in accordance with applicable regulatory requirements, this information will, as applicable, also be publicly disclosed in the United States.

The New Sintana Shares have not been and will not be registered under the US Securities Act or under the securities laws of any state or other jurisdiction of the United States. Accordingly, the New Sintana Shares may not be offered, sold, resold, delivered, distributed or otherwise transferred, directly or indirectly, in or into or from the United States absent registration under the US Securities Act or an exemption therefrom and in compliance with the securities laws of any state or other jurisdiction of the United States. The New Sintana Shares are expected to be issued in reliance upon the exemption from the registration requirements of the US Securities Act provided by section 3(a)(10) thereof.

None of the securities referred to in this announcement have been approved or disapproved by the SEC, any state securities commission in the United States or any other US regulatory authority, nor have such authorities passed upon or determined the fairness or merits of such securities or the Acquisition or upon the adequacy or accuracy of the information contained in this announcement. Any representation to the contrary is a criminal offence in the United States.

It may be difficult for US holders of Challenger Shares to enforce their rights and any claims arising out of US federal laws in connection with the Acquisition, since each of Sintana and Challenger is located in a non-US jurisdiction, and some or all of their officers and directors may be residents of a non-US jurisdiction. US holders of Challenger Shares may not be able to sue a non-US company or its officers or directors in a non-US court for violations of US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgement.

The financial information included in this announcement has been prepared in accordance with accounting standards applicable in the Isle of Man, the United Kingdom and Canada and thus may not be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the US ("US GAAP"). US GAAP differs in certain significant respects from accounting standards applicable in the Isle of Man, the United Kingdom and Canada. None of the financial information in this announcement has been audited in accordance with auditing standards generally accepted in the United States or the auditing standards of the Public Company Accounting Oversight Board (United States). Neither the Acquisition nor this announcement have been approved or disapproved by the SEC, any state securities commission in the United States or any other US regulatory authority, nor have such authorities approved or disapproved or passed judgement upon the fairness or the merits of the Acquisition, or determined if the information contained in this announcement is adequate, accurate or complete. Any representation to the contrary is a criminal offence in the United States.

The receipt of New Sintana Shares pursuant to the Acquisition by a US holder of Challenger Shares as consideration for the transfer of its Scheme Shares pursuant to the Scheme will likely be a taxable transaction for US federal income tax purposes and under applicable US state and local, as well as foreign and other, tax laws. The US tax consequences of the Acquisition, if any, are not described herein. Each Challenger Shareholder is therefore urged to consult with legal, tax and financial advisers in connection with making a decision regarding the Acquisition.

Additional Information for Challenger Shareholders Resident in Canada

Challenger Shareholders resident in Canada should note that the Acquisition relates to the shares of an Isle of Man company and is being made by means of a scheme of arrangement provided for under, and governed by, the laws of the Isle of Man. A transaction effected by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under Canadian securities law. Accordingly, the Scheme is subject to the disclosure requirements and practices applicable to schemes of arrangement involving a target company incorporated in the Isle of Man admitted to trading on AIM, which differ from the disclosure requirements of Canadian securities laws. If, in the future, Sintana exercises the right to implement the Acquisition by way of a Takeover Offer and determines to extend the Takeover Offer into Canada, the Acquisition will be made in compliance with applicable Canadian securities laws or pursuant to an exemption therefrom.

This announcement contains references to certain financial measures, including some that do not have any standardised meaning prescribed by IFRS and that may not be comparable to similar measures presented by other companies or entities. These financial measures include cash flow from operations. See page 7 of Sintana's 2024 consolidated financial statements & management discussion and analysis dated 29 April 2025 for detailed reconciliations of non-IFRS financial measures.

The enforcement by Challenger Shareholders in Canada of civil liabilities under the Canadian securities laws may be affected adversely by the fact that Challenger is incorporated or organised under the laws of a jurisdiction other than Canada, that some or all of Challenger's and Sintana's officers and directors may be residents of countries other than Canada, and that all or a substantial portion of the assets of Sintana and Challenger are located outside Canada. It may therefore be difficult for holders of Challenger Shares located in Canada to enforce their rights and any claim arising out of Canadian securities law. It may not be possible to sue Challenger, or the officers and directors of Sintana and Challenger, in a non-Canadian court for violations of Canadian securities laws. Furthermore, it may be difficult to compel Challenger and its affiliates to subject themselves to the jurisdiction or judgment of a Canadian court.

Challenger Shareholders residing in Canada should be aware that the Acquisition described in the Scheme Document may have tax consequences in Canada and should consult their own tax advisors to determine the particular tax consequences to them of the Acquisition in light of their particular circumstances, as well as any tax consequences that may arise under the laws of any other relevant foreign, state, local or other taxing jurisdiction.

In accordance with normal UK practice, Sintana, certain affiliated companies and their nominees or brokers (acting as agents), may from time to time make certain purchases of, or arrangements to purchase, Challenger Shares, other than pursuant to the Acquisition, until the Effective Date, lapses or is otherwise withdrawn. If such purchases or arrangements to purchase were to be made they would occur either in the open market at prevailing prices or in private transactions at negotiated prices and comply with applicable law, Isle of Man law, English law and the Code. Any information about such purchases will be disclosed as required in the UK, will be reported to a Regulatory Information Service and will be available on the London Stock Exchange website at www.londonstockexchange.com.

This announcement does not constitute or form a part of any offer to sell or issue, or any solicitation of any offer to purchase, subscribe for or otherwise acquire, any securities in Canada. Any offers, solicitations or offers to buy, or any sales of securities will be made in accordance with registration and other requirements under applicable law.

Neither the TSXV nor any securities commission or similar authority of Canada, or any other jurisdiction, has reviewed or in any way passed upon this announcement or the merits of the securities described herein, and any representation to the contrary is an offence.

Forward-Looking Statements

The information provided in this announcement contains certain forward-looking statements and information

(collectively, "forward-looking statements") within the meaning of applicable securities laws. Such forward-looking statements include, without limitation, forecasts, estimates, expectations and objectives for future operations that are subject to assumptions, risks and uncertainties, many of which are beyond the control of Sintana or Challenger. Forward-looking statements are predictive in nature, depend upon or refer to future events or conditions, or include words such as "expect", "plan", "anticipate", "believe", "intend", "maintain", "continue to", "pursue", "design", "result in", "sustain", "estimate", "potential", "growth", "near-term", "long-term", "forecast", "contingent" and similar expressions, or are events or conditions that "will", "would", "may", "could" or "should" occur or be achieved. The forward-looking statements contained in this announcement speak only as of the date hereof and are expressly qualified by this cautionary statement.

Forward-looking statements are based upon, among other things, factors, expectations and assumptions that Sintana and Challenger have made as at the date of this announcement regarding, among other things: the satisfaction of the conditions to closing of the Acquisition in a timely manner, if at all, including the receipt of all necessary approvals; and that the Acquisition will comply with all applicable requirements of the Code, the Panel, the London Stock Exchange, the TSXV and the FCA.

Undue reliance should not be placed on the forward-looking statements because no assurance can be given that they will prove to be correct. Since forward-looking statements address future events and conditions, by their very nature they involve inherent risks and uncertainties. These risks include, but are not limited to: the completion and timing of the Acquisition; the ability of Sintana and Challenger to receive, in a timely manner, the necessary regulatory, Court, shareholder, stock exchange and other third-party approvals and to satisfy the other conditions to closing of the Acquisition; the ability of the parties to complete the Acquisition on the terms contemplated by Sintana and Challenger or at all; consequences of not completing the Acquisition, including the volatility of the share prices of Sintana and Challenger, negative reactions from the investment community, and the required payment of certain costs related to the termination of the Acquisition; and the focus of management's time and attention on the Acquisition and other disruptions arising from the Acquisition.

Except as may be required by applicable securities laws, neither Sintana nor Challenger assume any obligation or intent to update publicly or revise any forward-looking statements made herein, whether as a result of new information, future events or otherwise.
