

9 December 2025

Anglo American shareholders approve merger of equals with Teck

Anglo American plc ("Anglo American") announces that both resolutions proposed in connection with the implementation of the merger of equals of Anglo American and Teck Resources Limited ("Teck") to form the Anglo Teck group (the "Merger") have been duly passed by the requisite majorities at the general meeting held on 9 December 2025 (the "General Meeting").

Duncan Wanblad, CEO of Anglo American said: "We are delighted with the clear endorsement from our shareholders to take this next strategic step to unlock outstanding value as Anglo Teck. Together, we will form a global critical minerals champion, headquartered in Canada, and offering more than 70% exposure to copper, underpinned by a world-class portfolio of assets with exceptional growth optionality."

Full details of the ordinary resolution and the special resolution are contained in the notice of general meeting and circular to shareholders dated 10 November 2025 (the "Circular").

General Meeting

The voting on the ordinary resolution and the special resolution was taken on a poll. As announced on 8 December 2025, resolution 2 to amend the Anglo American Long-Term Incentive Plan Awards was withdrawn from the agenda of the General Meeting. The results were as follows:

Resolution	For	% of Votes Cast	Against	% of Votes Cast	Votes cast as % of Issued Share Capital	Votes Withheld
Ordinary Resolutions						
1. Allotment of new Shares in connection with the Merger	739,920,029	99.17%	6,187,391	0.83%	63.33%	4,468,093
2. Resolution withdrawn						
Special Resolution						
3. Change of company name with effect from completion of the Merger	750,360,076	99.98%	184,186	0.02%	63.71%	31,251

Implementation of Merger

The Merger is also subject to approval by the Teck Shareholders at a special meeting being held at 19:00 (UK time) on 9 December 2025. The report of voting results of the special meeting of Teck Shareholders will be available under Teck's issuer profiles on SEDAR+ at www.sedarplus.ca and EDGAR at www.sec.gov.

Should Teck Shareholders approve the Merger, Anglo American and Teck will continue to work towards implementation of the Merger, completion of which remains subject to conditions customary for a transaction of this nature including approval under the Investment Canada Act and competition and regulatory approvals in various jurisdictions globally.

Other information

This announcement will be available for viewing on the Anglo American website, <https://www.angloamerican.com/investors>, as soon as practicable.

In accordance with UK Listing Rule 6.4.2, a copy of the ordinary resolution and the special resolution passed at the General Meeting will be submitted to the Financial Conduct Authority and will shortly be available for inspection via the National Storage Mechanism.

Defined terms used but not defined in this announcement have the meanings set out in the Circular.

Notes:

Anglo American is a leading global mining company focused on the responsible production of copper, premium iron ore and crop nutrients - future-enabling products that are essential for decarbonising the global economy, improving living standards, and food security. Our portfolio of world-class operations and outstanding resource endowments offers value-accretive growth potential across all three businesses, positioning us to deliver into structurally attractive major demand growth trends.

Our integrated approach to sustainability and innovation drives our decision-making across the value chain, from how we discover new resources to how we mine, process, move and market our products to our customers - safely, efficiently and responsibly. Our Sustainable Mining Plan commits us to a series of stretching goals over different time horizons to ensure we contribute to a healthy environment, create thriving communities and build trust as a corporate leader. We work together with our business partners and diverse stakeholders to unlock enduring value from precious natural resources for our shareholders, for the benefit of the communities and countries in which we operate, and for society as a whole. Anglo American is re-imagining mining to improve people's lives.

Anglo American is currently implementing a number of major structural changes to unlock the inherent value in its portfolio and thereby accelerate delivery of its strategic priorities of Operational excellence, Portfolio simplification, and Growth. The sale of our steelmaking coal and nickel businesses and the separation of our iconic diamond business (De Beers) continue to progress and once completed, will focus Anglo American on its world-class resource asset base in copper, premium iron ore and crop nutrients.

Group terminology

In this document, references to "Anglo American", the "Anglo American Group", the "Group", "we", "us", and "our" are to refer to either Anglo American plc and its subsidiaries and/or those who work for them generally, or where it is not necessary to refer to a particular entity, entities or persons. The use of those generic terms herein is for convenience only, and is in no way indicative of how the Anglo American Group or any entity within it is structured, managed or controlled. Anglo American subsidiaries, and their management, are responsible for their own day-to-day operations, including but not limited to securing and maintaining all relevant licences and permits, operational adaptation and implementation of Group policies, management, training and any applicable local grievance mechanisms. Anglo American produces group-wide policies and procedures to ensure best uniform practices and standardisation across the Anglo American Group but is not responsible for the day to day implementation of such policies. Such policies and procedures constitute prescribed minimum standards only. Group operating subsidiaries are responsible for adapting those policies and procedures to reflect local conditions where appropriate, and for implementation, oversight and monitoring within their specific businesses.

Disclaimer

This document is for information purposes only and does not constitute, nor is to be construed as, an offer to sell or the recommendation, solicitation, inducement or offer to buy, subscribe for or sell shares in Anglo American or any other securities by Anglo American or any other party. Further, it should not be treated as giving investment, legal, accounting, regulatory, taxation or other advice and has no regard to the specific investment or other objectives, financial situation or particular needs of any recipient.

Forward-looking statements and third party information

This document includes forward-looking statements. All statements other than statements of historical facts included in this document, including, without limitation, those regarding Anglo American's financial position, business, acquisition and divestment strategy, dividend policy, plans and objectives of management for future operations, prospects and projects (including development plans and objectives relating to Anglo American's products, production forecasts and Ore Reserve and Mineral Resource positions) and sustainability performance related (including environmental, social and governance) goals, ambitions, targets, visions, milestones and aspirations, are forward-looking statements. By their nature, such forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of Anglo American or industry results to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements.

Such forward-looking statements are based on numerous assumptions regarding Anglo American's present and future business strategies and the environment in which Anglo American will operate in the future. Important factors that could cause Anglo American's actual results, performance or achievements to differ materially from those in the forward-looking statements include, among others, levels of actual production during any period, levels of global demand and product prices, unanticipated downturns in business relationships with customers or their purchases from Anglo American, mineral

prices, unanticipated downturns in business relationships with customers or their purchases from Anglo American, mineral resource exploration and project development capabilities and delivery, recovery rates and other operational capabilities, safety, health or environmental incidents, the effects of global pandemics and outbreaks of infectious diseases, the impact of attacks from third parties on our information systems, natural catastrophes or adverse geological conditions, climate change and extreme weather events, the outcome of litigation or regulatory proceedings, the availability of mining and processing equipment, the ability to obtain key inputs in a timely manner, the ability to produce and transport products profitably, the availability of necessary infrastructure (including transportation) services, the development, efficacy and adoption of new or competing technology, challenges in realising resource estimates or discovering new economic mineralisation, the impact of foreign currency exchange rates on market prices and operating costs, the availability of sufficient credit, liquidity and counterparty risks, the effects of inflation, terrorism, war, conflict, political or civil unrest, uncertainty, tensions and disputes and economic and financial conditions around the world, evolving societal and stakeholder requirements and expectations, shortages of skilled employees, unexpected difficulties relating to acquisitions or divestitures, competitive pressures and the actions of competitors, activities by courts, regulators and governmental authorities such as in relation to permitting or forcing closure of mines and ceasing of operations or maintenance of Anglo American's assets and changes in taxation or safety, health, environmental or other types of regulation in the countries where Anglo American operates, conflicts over land and resource ownership rights and such other risk factors identified in Anglo American's most recent Annual Report. Forward-looking statements should, therefore, be construed in light of such risk factors and undue reliance should not be placed on forward-looking statements. These forward-looking statements speak only as of the date of this document. Anglo American expressly disclaims any obligation or undertaking (except as required by applicable law, the City Code on Takeovers and Mergers, the UK Listing Rules, the Disclosure Guidance and Transparency Rules of the Financial Conduct Authority, the Listings Requirements of the securities exchange of the JSE Limited in South Africa, the SIX Swiss Exchange, the Botswana Stock Exchange and the Namibian Stock Exchange and any other applicable regulations) to release publicly any updates or revisions to any forward-looking statement contained herein to reflect any change in Anglo American's expectations with regard thereto or any change in events, conditions or circumstances on which any such statement is based.

Nothing in this document should be interpreted to mean that future earnings per share of Anglo American will necessarily match or exceed its historical published earnings per share. Certain statistical and other information included in this document is sourced from third party sources (including, but not limited to, externally conducted studies and trials). As such it has not been independently verified and presents the views of those third parties, but may not necessarily correspond to the views held by Anglo American and Anglo American expressly disclaims any responsibility for, or liability in respect of, such information.
