**NOTES**

**Seed Innovations Ltd**

SEED Innovations Ltd (SEED.L) is an AIM-quoted investment company focused on providing access to high-growth robotics and AI ventures typically beyond the reach of everyday investors. The Company also oversees a legacy portfolio in wellness and life sciences, with a medium-term strategy to unlock its full value. Back by an experienced team and strong cash reserves, the Company remains agile and well-positioned to capitalise on new investment opportunities as they arise.

**About Reach announcements**

This is a Reach announcement. Reach is an investor communication service aimed at assisting listed and unlisted (including AIM quoted) companies to distribute media only / non-regulatory news releases into the public domain. Information required to be notified under the AIM Rules for Companies, Market Abuse Regulation or other regulation would be disseminated as an RNS regulatory announcement and not on Reach.
