### Issuance of New Shares in Connection with LTIP

Burford Capital Limited ("Burford" or the "Company"), the leading global finance and asset management firm focused on law, today announces that, in connection with the Burford Capital 2016 Long Term Incentive Plan (the "LTIP"), on December 31, 2025, Burford has issued 8,940 new ordinary shares, no par value per share ("Shares"), to satisfy the vesting of restricted share units pursuant to the realization of awards under the LTIP on December 30, 2025.

Application will be made for these 8,940 new Shares to be admitted to trading on the AIM market of the London Stock Exchange plc. The expected date of admission is January 12, 2026. These 8,940 new Shares will also be listed on the New York Stock Exchange.

Following the issuance of these new Shares, the Company's issued ordinary share capital is 220,667,387, of which 1,769,947 Shares are held in treasury and do not have any voting rights. Therefore, the total number of voting rights in the Company, excluding treasury shares, will be 218,897,440 after giving effect to the issuance of these new Shares. This figure for the total number of voting rights may be used by shareholders as the denominator for the calculations by which they will determine if they are required to notify their interest in the Company under the Disclosure Guidance and Transparency Rules of the UK Financial Conduct Authority.

#### **Forward-looking statements**

This press release contains "forward-looking statements" within the meaning of Section 27A of the US Securities Act of 1933, as amended, and Section 21E of the US Securities Exchange Act of 1934, as amended, that are intended to be covered by the safe harbor provided for under these sections. In some cases, words such as "aim", "anticipate", "believe", "continue", "could", "estimate", "expect", "forecast", "guidance", "intend", "may", "plan", "potential", "predict", "projected", "should" or "will", or the negative of such terms or other comparable terminology, are intended to identify forward-looking statements. Although Burford believes that the assumptions, expectations, projections, intentions and beliefs about future results and events reflected in forward-looking statements have a reasonable basis and are expressed in good faith, forward-looking statements involve known and unknown risks, uncertainties and other factors, which could cause Burford's actual results and events to differ materially from (and be more negative than) future results and events expressed, projected or implied by these forward-looking statements. Factors that might cause future results and events to differ include, among others, those discussed in the "Risk Factors" section of Burford's Annual Report on Form 10-K for the year ended December 31, 2024 filed with the US Securities and Exchange Commission on March 3, 2025. These factors should not be construed as exhaustive and should be read in conjunction with the other cautionary statements contained in the periodic and current reports that Burford files with or furnishes to the US Securities and Exchange Commission. Many of these factors are beyond Burford's ability to control or predict, and new factors emerge from time to time. Furthermore, Burford cannot assess the impact of each such factor on its business or the extent to which any factor or combination of factors may cause actual results and events to be materially different from those contained in any forward-looking statement. Given these uncertainties, readers are cautioned not to place undue reliance on Burford's forward-looking statements.

All subsequent written and oral forward-looking statements attributable to Burford or to persons acting on its behalf are expressly qualified in their entirety by these cautionary statements. The forward-looking statements speak only as of the date of this press release and, except as required by applicable law, Burford undertakes no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.
