TEMPLE BAR INVESTMENT TRUST PLC

INVESTOR UPDATE WEBINAR

TEMPLE BAR INVESTMENT TRUST PLC (TMPL LN) is pleased to announce that Ian Lance, Co-Portfolio Manager, will provide an investment update at 10am on 29 January 2026.

As we move into 2026, he will run through how the disciplined valuation-focused active investment approach has helped TMPL become top performer in the UK Equity Income sector in NAV TR terms over the last 1, 3 and now 5 years, as well as outlining why it is likely this stunning performance has much further to go.

There will be an opportunity to submit questions which, time permitting, will be answered directly after the formal presentation.
