**Unaudited Net Asset Value (NAV) - Dividend Investment Scheme (DIS)**

On 13 January 2026, the Board of Maven Income and Growth VCT 4 PLC (the Company) announced that the unaudited NAV per Ordinary Share of the Company as at 31 December 2025 was 55.09p. The Board had previously announced on 4 December 2025 that a second interim dividend of 1.00p per Ordinary Share, in respect of the year ended 31 December 2025, would be paid on 16 January 2026 to Shareholders on the register at close of business on 12 December 2025. In respect of Shareholders who had, by no later than 2 January 2026, elected to participate in the DIS, the Company will use the amount paid in respect of the above interim dividend to subscribe for new ordinary shares of 10p each in the Company (Ordinary Shares), to be issued at a price equivalent to the latest announced NAV per share.

The Board confirms that, following the payment of the second interim dividend, the effective NAV per share of the Company will be 54.09p and this will be the price used in the calculation of the number of Ordinary Shares to be allotted under the DIS in respect of the second interim dividend, the issue of which will be confirmed in a separate announcement in due course.
