FULLER, SMITH & TURNER P.L.C.
Trading Update
41 weeks to 10 January 2026

Fuller, Smith & Turner P.L.C. ("Fuller's" or "the Company"), the premium pubs and hotels business, provides the following trading statement for the 41 weeks to 10 January 2026 ("the period").

We have maintained our growth momentum with like for like sales for the year to date up 5.3%. These figures include an outstanding five-week Christmas and New Year season across all parts of the estate, which delivered like for like sales growth of 8.2% against a strong Christmas last year.

We expect to complete the share buyback programme of one million "A" shares within the coming days, and the Board has now approved a further buyback programme of up to an additional one million "A" shares, which will commence when the current programme has completed.

Executive Chairman, Simon Emeny, said: "I am delighted we have maintained our strong growth momentum – in both sales and profitability – and this has been further enhanced with an excellent Christmas trading period.

"In addition to this outstanding operational performance, we continue to effectively deliver on our capital allocation framework with the ongoing share buyback programme and through our extensive programme of capital investment, with a number of exciting investment schemes scheduled for the final quarter of this financial year.

"Finally, I want to recognise that our success, as ever, is down to the amazing team of people that work for Fuller's across our pubs, hotels and support centre. They have gone all out to deliver a fantastic Christmas for our customers – and I'd like to publicly thank them for their continued hard work and dedication."

Fuller's will announce the Company's full year results for the 52 weeks to 28 March 2026 on 10 June 2026.
