20 January 2026

Flowtech Fluidpower PLC
WRAP Retail Offer for up to £1 million

Flowtech Fluidpower plc ("Flowtech" or the "Company") (AIM: FLO), the specialist technical provider of hydraulic, pneumatic and process products, engineering services and projects, is pleased to announce a retail offer via the Winterflood Retail Access Platform ("**WRAP**") to raise up to £1 million (the "**Retail Offer**") through the issue of new ordinary shares of 50 pence each (and, following the Capital Reorganisation, of 5 pence each) in the capital of the Company ("**Ordinary Shares**"). Under the Retail Offer up to 1,886,792 new Ordinary Shares (the "**Retail Offer Shares**") will be made available at a price of 53.0 pence per share.

In addition to the Retail Offer and as announced earlier this morning, the Company is also proposing a placing of new Ordinary Shares (the "**Placing Shares**" and together with the Retail Offer Shares, the "**New Ordinary Shares**") to raise approximately £9 million (before expenses) through a bookbuild process (the "**Placing**") at a price of 53.0 pence per Placing Share (the "**Issue Price**"). The Issue Price represents a discount of approximately 11.5 per cent. to the closing mid-market price of 59.9 pence per Ordinary Share on 19 January 2026 (being the latest practicable date prior to this announcement). The price of the Retail Offer Shares is equal to the Issue Price.

A separate announcement has been made earlier this morning regarding the Placing and its terms and sets out the reasons for the Placing and use of proceeds (the "**Launch Announcement**"). The proceeds of the Retail Offer will be utilised in the same way as the proceeds of the Placing.

For the avoidance of doubt, the Retail Offer is not part of, but is conditional on, the Placing.

The issue of the Retail Offer Shares is conditional upon, *inter alia*, the passing of certain resolutions to be put to shareholders of Flowtech at a General Meeting, which is expected to be held at the Company's registered office, Bollin House, Bollin Walk, Wilmslow, SK9 1DP at 10.00 am on 6 February 2026. Admission of the Retail Offer Shares is expected to occur no later than 8.00 a.m. on or around 9 February 2026 or such later time and/or date as the Joint Bookrunners and the Company may agree (being in any event no later than 8.00 a.m. on 16 February 2026).

Completion of the Retail Offer is conditional, *inter alia*, upon the completion of the Placing but completion of the Placing is not conditional on the completion of the Retail Offer.

The Retail Offer and the Placing are conditional on the New Ordinary Shares being admitted to trading on AIM ("**Admission**"). It is anticipated that Admission will become effective and that dealings in the New Ordinary Shares will commence at 8.00 a.m. on 9 February 2026.

Retail Offer

The Company values its retail shareholder base and believes that it is appropriate to provide its existing retail shareholders in the United Kingdom the opportunity to participate in the Retail Offer.

Therefore, the Company is making the Retail Offer available to eligible investors in the United Kingdom following release of this announcement, being existing shareholders of Flowtech, and through certain financial intermediaries.

Existing shareholders of Flowtech can contact their broker or wealth manager to participate in the Retail Offer.

The Retail Offer is expected to close at 12:00 p.m. on 22 January 2026. Eligible shareholders should note that financial intermediaries may have earlier closing times.

To be eligible to participate in the Retail Offer, applicants must be a customer of a participating intermediary and, prior to the release of this announcement, shareholders in the Company which may include individuals aged 18 years or over, companies and other bodies corporate, partnerships, trusts, associations and other unincorporated organisations.

There is a minimum subscription of £100 per investor under the Retail Offer. The terms and conditions on which investors subscribe will be provided by the relevant financial intermediaries including relevant commission or fee

intermediary expenses will be provided by the relevant material intermediaries including relevant commission or fees charges.

The Company reserves the right to amend the size and timings of the retail offer at its discretion. The Company reserves the right to scale back any order and to reject any application for subscription under the Retail Offer without giving any reason for such rejection.

It is vital to note that once an application for Retail Offer Shares has been made and accepted via an intermediary, it cannot be withdrawn.

The New Ordinary Shares will, when issued, be credited as fully paid and will rank *pari passu* in all respects with existing Ordinary Shares including the right to receive all dividends and other distributions declared, made or paid after their date of issue.

It is a term of the Retail Offer that the total value of the Retail Offer Shares available for subscription at the Issue Price does not exceed £1 million, or such size as agreed by the Company.

The Retail Offer is offered in the United Kingdom under the exemption from the requirement to publish a prospectus pursuant to Schedule 1 (Part 1) of The Public Offers and Admission to Trading Regulations 2024 and the Prospectus Rules of the FCA. As such, there is no need for publication of a prospectus pursuant to the Public Offers and Admissions to Trading Regulations 2024, or for approval of the same by the Financial Conduct Authority. The Retail Offer is not being made into any jurisdiction other than the United Kingdom.

No offering document, prospectus or admission document has been or will be prepared or submitted to be approved by the Financial Conduct Authority (or any other authority) in relation to the Retail Offer, and investors' commitments will be made solely on the basis of the information contained in this announcement and information that has been published by or on behalf of the Company prior to the date of this announcement by notification to a Regulatory Information Service in accordance with the Financial Conduct Authority's Disclosure Guidance and Transparency Rules, the Market Abuse Regulation (EU Regulation No. 596/2014) ("**MAR**") and MAR as it forms part of United Kingdom law by virtue of the European Union (Withdrawal) Act 2018 (as amended).

Investors should make their own investigations into the merits of an investment in the Company. Nothing in this announcement amounts to a recommendation to invest in the Company or amounts to investment, taxation or legal advice.

It should be noted that a subscription for Retail Offer Shares and investment in the Company carries a number of risks. Investors should take independent advice from a person experienced in advising on investment in securities such as the Retail Offer Shares if they are in any doubt.

An investment in the Company will place capital at risk. The value of investments, and any income, can go down as well as up, so investors could get back less than the amount invested.

Neither past performance nor any forecasts should be considered a reliable indicator of future results.

Unless otherwise defined, definitions contained in this announcement have the same meaning as set out in the Launch Announcement made by the Company earlier today regarding the proposed Placing.

UK Product Governance Requirements

Solely for the purposes of the product governance requirements of Chapter 3 of the FCA Handbook Product Intervention and Product Governance Sourcebook (the "**UK MiFIR Product Governance Requirements**"), and disclaiming all and any liability, whether arising in tort, contract or otherwise, which any "manufacturer" (for the purposes of the UK MiFIR Product Governance Requirements) may otherwise have with respect thereto, the Retail Offer Shares have been subject to a product approval process, which has determined that the Retail Offer Shares are: (i) compatible with an end target market of retail investors and investors who meet the criteria of professional clients and eligible counterparties, each as defined in paragraphs 3.5 and 3.6 of FCA Handbook Conduct of Business Sourcebook ("**COBS**"); and (ii) eligible for distribution through all permitted distribution channels (the "**Target Market Assessment**"). Notwithstanding the Target Market Assessment, distributors should note that: the price of the Retail Offer Shares may decline and investors could lose all or part of their investment; the Retail Offer Shares offer no guaranteed income and no capital protection; and an investment in the Retail Offer Shares is compatible only with investors who do not need a guaranteed income or capital protection, who (either alone or in conjunction with an appropriate financial or other adviser) are capable of evaluating the merits and risks of such an investment and who have sufficient resources to be able to bear any losses that may result therefrom. The Target Market Assessment is without prejudice to any contractual, legal or regulatory selling restrictions in relation to the Retail Offer.

For the avoidance of doubt, the Target Market Assessment does not constitute: (a) an assessment of suitability or appropriateness for the purposes of Chapters 9A or 10A respectively of COBS; or (b) a recommendation to any investor or group of investors to invest in, or purchase, or take any other action whatsoever with respect to the Retail Offer Shares. Each distributor is responsible for undertaking its own target market assessment in respect of the Retail Offer Shares and determining appropriate distribution channels
