As part of the dual listed company structure, the boards of Investec plc and Investec Limited (together the "Board") notify both the London Stock Exchange and the JSE Limited (the "JSE") of matters which are required to be disclosed under the Disclosure Guidance and Transparency Rules, and Listing Rules of the United Kingdom Listing Authority (the "UKLA") and the JSE Listings Requirements.

The Board accordingly advises as follows:

**INVESTEC LIMITED NON-REDEEMABLE, NON-CUMULATIVE, NON-PARTICIPATING PREFERENCE SHARES
("PREFERENCE SHARES") REPURCHASE**

Investec Limited (the "Company") hereby advises that, in accordance with a resolution passed by the Company's board on 19 November 2025 (the "Board Resolution"), the Company may repurchase up to a maximum of 20% of the Preference Shares in issue as at the date of and pursuant to the current general authority granted by the Company's shareholders on 7 August 2025.

It was further resolved that any repurchases would, pursuant to the current general authority, be within certain pre-determined price limits with specific reference to the limits granted under the current general authority as well as the JSE Listings Requirements.

Shareholders are herewith advised that the Company has, pursuant to the repurchase of Preference Shares announced via SENS by the Company on 10 December 2025, repurchased 1,016,317 Preference Shares from 14 January 2026 to 21 January 2026 which represents 4.09% of the issued Preference Share capital as at the date of the current general authority. Following these repurchases, 23,819,526 Preference Shares remain in issue. The Company may purchase a further 3,950,851 shares, being 15.91% of the Preference Shares in issue as at 7 August 2025, under the current general authority.

The Preference Shares were repurchased for an aggregate value of R100,763,317

Number of preference shares repurchased	Average price per Preference Share (R)	Highest price per Preference Share (R)	Lowest price per Preference Share (R)	Aggregate value (R)
1,016,317	99.15	99.20	98.01	100,763,317

The repurchases were made in terms of the current general authority and were effected through the order book on the JSE trading system without any prior understanding or arrangement between the Company and the counterparties.

To the extent not already done so, application will be made to the JSE to de-list the Preference Shares repurchased, at which point they will immediately be cancelled.

The impact of the repurchase of the Preference Shares on the financial information of the Company is immaterial. The Preference Shares were repurchased from excess cash resources of the Company; going forward, no Preference Share dividends will be payable on the repurchased Preference Shares and interest earned on the cash utilised for the repurchase will be foregone.
